(1) At the election in 2023, and every four (4) years thereafter, there shall be elected a Governor, Lieutenant Governor, Secretary of State, Auditor of Public Accounts, State Treasurer, Attorney General, three (3) public service commissioners, three (3) Mississippi Transportation Commissioners, Commissioner of

Insurance, Commissioner of Agriculture and Commerce, Senators and members of the House of Representatives in the Legislature, district attorneys for the several districts, clerks of the circuit and chancery courts of the several counties, as well as sheriffs, coroners, assessors, surveyors and members of the boards of supervisors, justice court judges and constables, and all other officers to be elected by the people at the general state election. All such officers shall hold their offices for a term of four (4) years, and until their successors are elected and qualified. The state officers shall be elected in the manner prescribed in Section 140 of the Constitution.

(2) The state officers that receive a majority of votes cast for the office at the general election shall be elected. If no candidate receives a majority number of votes cast at the election, then the two (2) candidates who receive the highest number of votes cast shall have their names placed on the ballot for the runoff election to be held * * * four (4) weeks later. The candidate who receives a majority of the votes cast in the runoff election shall be elected. However, if no candidate receives a majority vote cast at the election, and there is a tie in the election of those receiving the next highest vote, then those candidates receiving the next highest vote and the candidate receiving the highest number of votes cast shall have their names placed on the ballot for the runoff election to be held * * * four (4) weeks later, and whoever receives the majority of votes cast in the runoff election shall be elected. If it appears that two (2) or more candidates for state office have an equal number of votes after the runoff election, the interested candidates shall appear before the Chief Justice of the Mississippi Supreme Court within two (2) days after the canvass and the tie shall be determined by a toss of a coin or by lot fairly and publicly drawn, and a certificate of election shall be given accordingly.

SECTION 3. Section 23-15-213, Mississippi Code of 1972, is amended as follows:

23-15-213. (1) There shall be elected five (5) election commissioners for each county whose terms of office shall commence on the first Monday of January following their election and who shall serve for a term of four (4) years. Each of the commissioners shall be required to attend a training seminar provided by the Secretary of State and satisfactorily complete a skills assessment, and before acting, shall take and subscribe the oath of office prescribed by the Constitution. The oath shall be filed in the office of the clerk of the chancery court. Upon filing the oath of office, the election commissioner may be provided access to the Statewide Elections Management System for the purpose of performing his or her duties. Such skills assessment shall only be required once every four (4) years. While engaged in their duties, the commissioners shall be conservators of the peace in the county, with all the duties and powers of such.

(2) (a) At the general election in 2024 and every four (4) years thereafter, the qualified electors of the board of supervisors' Districts One, Three and Five shall elect in their district one (1) election commissioner.

(b) At the general election in 2023 and every four (4) years thereafter, the qualified electors of the board of supervisors' Districts Two and Four shall elect in their district one (1) election commissioner.

(c) No more than one (1) commissioner shall be a resident of and reside in each supervisor's district of the county; it being the purpose of this section that the county board of election commissioners shall consist of one (1) person from each supervisor's district of the county and that each commissioner be elected from the supervisor's district in which he or she resides.

(3) Candidates for county election commissioner shall qualify by filing with the clerk of the board of supervisors of their respective counties a petition personally signed by not less than fifty (50) qualified electors of the supervisor's district in which they reside, requesting that they be a candidate, by 5:00 p.m. not later than February 1 of the year in which the election occurs and unless the petition is filed within the required time, their names shall not be placed upon the ballot. All candidates shall declare in writing their party affiliation, if any, to the board of supervisors, and such party affiliation shall be shown on the official ballot.

(4) The petition shall have attached thereto a certificate of the county registrar showing the number of qualified electors on each petition, which shall be furnished by the registrar on request. The board shall determine the sufficiency of the petition, and

if the petition contains the required number of signatures and is filed within the time required, the president of the board shall verify that the candidate is a resident of the supervisor's district in which he or she seeks election and that the candidate is otherwise qualified as provided by law, and shall certify that the candidate is qualified to the chair or secretary of the county election commission and the names of the candidates shall be placed upon the ballot for the ensuing election. No county election commissioner shall serve or be considered as elected until he or she has received a majority of the votes cast for the position or post for which he or she is a candidate. If a majority vote is not received in the first election, then the two (2) candidates receiving the most votes for each position or post shall be placed upon the ballot for a second election to be held * * * four (4) weeks later in accordance with appropriate procedures followed in other elections involving runoff candidates.

(5) In the first meeting in January of each year, the county election commissioners shall organize by electing a chair and a secretary, who shall serve a one-year term. The county election commissioners shall provide the names of the chair and secretary to the Secretary of State and provide notice of any change in officers which may occur during the year.

(6) It shall be the duty of the chair to have the official ballot printed and distributed at each general or special election.

SECTION 4. Section 23-15-833, Mississippi Code of 1972, is amended as follows:

All special elections, or elections to fill vacancies, shall in all respects be held, conducted and returned in the same manner as general elections, except that where no candidate receives a majority of the votes cast in the election, a runoff election shall be held * * * four (4) weeks after the election. The two (2) candidates who receive the highest popular votes for the office shall have their names submitted as the candidates to the runoff and the candidate who leads in the runoff election shall be elected to the office. When there is a tie in the first election of those receiving the next highest vote, these two (2) and the one receiving the highest vote, none having received a majority, shall go into the runoff election and whoever leads in the runoff election shall be entitled to the office.

In those years when the regular special election day shall occur on the same day as the general election, the names of candidates in any special election and the general election shall be placed on the same ballot, but shall be clearly distinguished as general election candidates or special election candidates. At any time a special election is held on the same day as a party primary election, the names of the candidates in the special election may be placed on the same ballot, but shall be clearly distinguished as special election candidates or primary election candidates.

SECTION 5. Section 23-15-981, Mississippi Code of 1972, is amended as follows:

23-15-981. If two (2) or more candidates qualify for judicial office, the names of those candidates shall be placed on the general election ballot. If any candidate for such an office receives a majority of the votes cast for such office in the general election, he shall be declared elected. If no candidate for such office receives a majority of the votes cast for such office in the general election, the names of the two (2) candidates receiving the highest number of votes for such office shall be placed on the ballot for a second election to be held * * * four (4) weeks later in accordance with appropriate procedures followed in other elections involving runoff candidates.

37-7-711. SECTION 13. (1) Ranked-choice voting, also known as instant runoff voting, is prohibited in statewide, county, local, municipal and school district elections in the State of Mississippi.

(2) Any voting method that allows electors to rank candidates for an office in order of preference and has ballots cast that will be tabulated in multiple rounds following the elimination of a candidate until a single candidate attains a majority shall not be used in determining the election or nomination of any candidate for elective office in this state, including elective offices for any county, municipality, school district, state or federal office.

(3) Any existing or future ordinance or policy enacted or adopted by a county, municipality, school district, or any other local governmental entity that conflicts with this section is void on and after July 1, 2024.

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the support and maintenance of the Department of Wildlife, Fisheries and Parks for the fiscal year beginning July 1, 2024, and ending June 30, 2025
\$ 17,623,369.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in any special fund in the State Treasury to the credit of the Department of Wildlife, Fisheries and Parks which is comprised of special source funds collected by or otherwise available to the department for the support and maintenance of the department, including the Museum of Natural Science and the Bureau of Parks and Recreation, for the fiscal year beginning July 1, 2024, and ending June 30, 2025
\$ 83,838,244.00.

The following sum, which is included in the sum appropriated above in this section, is appropriated out of the state excise taxes upon gasoline, oil and other petroleum products to the Fisheries and Wildlife Fund for the fiscal year beginning July 1, 2024, and ending June 30, 2025 \$ 5,750,000.00.

The Department of Revenue is directed to set aside the amount of this appropriation or any part thereof at any time it sees fit, out of any collections of taxes upon gasoline, oil and other petroleum products, and to deduct the amounts so set aside from such funds before making distribution thereof. However, provisions shall first be made for the Highway Bonds Sinking Fund, as required under the provisions of Chapter 130, Laws of 1938, and any amendments thereto, and Section 27-5-101, Mississippi Code of 1972.

Any funds available in the Wildlife Heritage Fund may be expended by the Commission on Wildlife, Fisheries and Parks as authorized by law. SECTION 4. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent: 527

Time-Limited: 53

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2026 do not exceed Fiscal Year 2025 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2025 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 5. Each conservation officer and supervisor shall be furnished an allowance for uniforms not to exceed Five Hundred Fifty Dollars (\$550.00) per annum.

Provided further, when any personnel of the Bureau of Wildlife and Fisheries are transferred from one (1) county to another on a permanent assignment, the expense monies now paid on out-of-county duty shall not be applicable.

SECTION 6. It is the intention of the Legislature that the Department of Wildlife, Fisheries and Parks shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2024. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2026 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2025 budget request process.

SECTION 7. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. S. B. No. 2487: The Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund; bring forward provision related to.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2487: The Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund; bring forward provision related to.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 45-2-1, Mississippi Code of 1972, is amended as follows:

45-2-1. (1) Whenever used in this section, the term:

(a) "Covered individual" means a law enforcement officer or firefighter, including volunteer firefighters, as defined in this section when employed by an employer as defined in this section; it does not include employees of independent contractors.

(c) "Firefighter" means an individual who is trained for the prevention and control of loss of life and property from fire or other emergencies, who is assigned to firefighting activity, and is required to respond to alarms and perform emergency actions at the location of a fire, hazardous materials or other emergency incident.

(d) "Law enforcement officer" means any lawfully sworn officer or employee of the state or any political subdivision of the state whose duties require the officer or employee to investigate, pursue, apprehend, arrest, transport or maintain custody of persons who are charged with, suspected of committing, or convicted of a crime, whether the officer is on regular duty on full-time status, an auxiliary or reserve officer, or is serving on a temporary or part-time status.

(e) "Cause of death" means any cause of death that would be covered under the Public Safety Officers' Benefits Act of 1976, the Hometown Heroes Survivors Benefits Act of 2003, generally codified at 42 USCS Chapter 46, or the Safeguarding America's First Responders Act of 2020.

(2) (a) (i) The Department of Public Safety shall make a payment, as provided in this section, in the amount of * * * One Hundred Fifty Thousand Dollars (\$150,000.00) when a covered individual, while engaged in the performance of the person's official duties, dies or receives accidental or intentional bodily injury that results in the loss of the covered individual's life and such death is the result of a covered cause

(ii) In addition to the payment authorized in subparagraph (i) of this subsection, the Department of Public Safety shall pay Twenty-five Thousand Dollars (\$25,000.00) per child of the covered individual, not to exceed a total payment of Two Hundred Fifty Thousand Dollars (\$250,000.00) under subsection (2) of this section.

(b) The payment provided for in this subsection shall be made to the beneficiary who was designated in writing by the covered individual, signed by the covered individual and delivered to the employer during the covered individual's lifetime. If no such designation is made, then the payment shall be made to the surviving child or children and spouse in equal portions, and if there is no surviving child or spouse, then to the parent or parents. * * *

(c) The payment made in this subsection is in addition to any workers' compensation or pension benefits and is exempt from the claims and demands of creditors of the covered individual.

(3) The Department of Public Safety shall make a payment, as provided in this section, in the amount not to exceed Fifteen Thousand Dollars (\$15,000.00) to pay funeral and other related burial expenses when a covered individual dies or receives accidental or intentional bodily injury that results in the loss of the covered individual's life. This payment may be made directly to the funeral home chosen by the next of kin and is subject to the availability of funds.

(* * * 4) (a) There is established in the State Treasury a special fund to be known as the Law Enforcement Officers and Fire Fighters Death Benefits Trust Fund. The trust fund shall * * * maintain a minimum balance of Four Million Dollars (\$4,000,000.00), and shall be comprised of any additional funds made available by the Legislature or by donation, contribution, gift or any other source.

(b) The State Treasurer shall invest the monies of the trust fund in any of the investments authorized for the funds of the Public Employees' Retirement System under Section 25-11-121, and those investments shall be subject to the limitations prescribed by Section 25-11-121.

(c) Unexpended amounts remaining in the trust fund at the end of the state fiscal year shall not lapse into the State General Fund, and any income earned on amounts in the trust fund shall be deposited to the credit of the trust fund. * * * At the end of each state fiscal year, the State Treasurer shall transfer any amount of funds that exceed the minimum required balance in paragraph (a) of this subsection to the Law Enforcement Officers and Fire Fighters Training and Equipment Trust Fund.

(4) The Department of Public Safety shall be responsible for the management of the trust fund and the disbursement of death benefits authorized under this section. The Department of Public Safety shall adopt rules and regulations necessary to implement and standardize the payment of death benefits under this section, to administer the trust fund created by this section and to carry out the purposes of this section.

(5) (a) There is created in the State Treasury a special fund to be known as the Law Enforcement Officers and Fire Fighters Training and Equipment Trust Fund. Money in the fund may be disbursed pursuant to the Law Enforcement Officers and Fire Fighters Training and Equipment Grant Program established in this subsection. Monies remaining in the revolving fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned on the fund shall be deposited to the credit of the fund.

(b) There is established the Law Enforcement Officers and Fire Fighters Training and Equipment Grant Program in the Department of Public Safety. Upon agreement, the Commissioner of the Department of Public Safety and the State Fire Marshal may award grants for enhanced training or safety equipment for covered individuals.

Rep. Hood called up the conference report on the following bill and moved that it be adopted:

S. B. No. 2753: SAFER Act; enact.

REPORT OF CONFERENCE COMMITTEE

MR. PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2753: SAFER Act; enact.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following shall be codified as Section 29-18-1, Mississippi Code of 1972:

29-18-1. This act shall be known and may be cited as "Securing Areas for Females Effectively and Responsibly Act" or the "SAFER Act."

SECTION 2. The following shall be codified as Section 29-18-3, Mississippi Code of 1972:

29-18-3. Legislative findings; intermediate scrutiny. The Legislature finds that:

(a) Females and males should be provided areas, including restrooms, changing facilities and single-sex educational housing spaces, for their exclusive use, respective to their sex, in order to maintain privacy and safety.

(b) There are important governmental reasons to distinguish between the sexes with respect to spaces where biology, safety, and/or privacy are implicated. As such, policies and laws that distinguish between the sexes are subject to intermediate constitutional scrutiny, which forbids unfair discrimination against similarly situated males and females but allows the law to distinguish between the sexes where such distinctions are substantially related to important governmental objectives.

(c) These findings reflect the intent of the Legislature to fulfill important governmental interests of protecting students' dignity, health, safety, welfare, and privacy rights by enacting this neutral policy which simply treats equally those of the same and opposite biological sex "determined solely by a birth," without regard to the fluidity of how someone acts or feels.

SECTION 3. The following shall be codified as Section 29-18-5, Mississippi Code of 1972:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1800: Appropriation; Medicaid, Division of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, to the Governor's Office - Division of Medicaid for the purpose of providing medical assistance under the Mississippi Medicaid Law and defraying the expenses of the administration of such law, as provided in Section 43-13-101 et seq., Mississippi Code of 1972, for the fiscal year beginning July 1, 2024, and ending June 30, 2025

\$ 847,968,406.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Medical Care Fund created by Section 43-13-143, Mississippi Code of 1972, for the purpose of providing medical assistance under the Mississippi Medicaid Law for the fiscal year beginning July 1, 2024, and ending June 30, 2025

\$ 940,637,381.00.

SECTION 3. The following sum, or so much thereof as may be necessary, is appropriated out of any money in any special fund in the State Treasury to the credit of the Governor's Office - Division of Medicaid which is comprised of special source funds collected by or otherwise available to the Division, for the purpose of providing medical assistance under the Mississippi Medicaid Law and defraying the expenses of the administration of such law, for the fiscal year beginning July 1, 2024, and ending June 30, 2025

\$ 6,451,388,505.00.

Prior period recovery of funds may be maintained and expended by the division when the recovery is received or finalized. Any recoveries due to audits or third party recoveries may be used to offset the cost of such audits and third party recoveries and as such, the division may escalate Contractual Services as needed for these purposes.

SECTION 4. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State Treasury to the credit of the Health Care Expendable Fund, for the purpose of defraying the expenses of the Governor's Office - Division of Medicaid for the fiscal year beginning July 1, 2024, and ending June 30, 2025

\$ 63,230,003.00.

The above funds shall be allocated as follows:

CHIP Program at up to 209% level of

poverty \$ 9,000,000.00.

Medical Program Matching Funds \$ 54,230,003.00.

It is the intention of the Legislature that funds may be shifted among the above allocated line items where needed at the discretion of the Executive Director of Governor's Office - Division of Medicaid.

SECTION 5. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent: 927

Time-Limited: 82

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2026 do not exceed Fiscal Year 2025 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2025 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2025 that may be utilized to fill vacant Fiscal Year 2024 headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2025 do not exceed the data provided by the Legislative Budget Office. If the agency's Fiscal Year 2025 projected cost exceeds the annualized costs, no salary actions shall be processed by the State Personnel Board except for new hires determined to be essential for the agency.

Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 6. It is the intention of the Legislature that the Governor's Office - Division of Medicaid shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2024. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2026 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2025 budget request process with the Children's Health Insurance Program (CHIP) being separated from the Medical Services Program and submitted as a separate program. All Medicaid 1915 (C) Home and Community Based Services Waivers shall be presented as a budget program separate from the Medical Services Program. (2) (a) Amounts transferred into such special fund pursuant to Section 1 of this act shall be disbursed to pay the costs of projects described in subsection (1) of this section. If any monies in such special fund are not used within four (4) years after the date funds are transferred under Section 1 of this act into the special fund, then the institution of higher learning for which any unused monies are allocated under subsection (1) of this section shall provide an accounting of such unused monies to the Department of Finance and Administration.

(b) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, in administering or providing assistance directly related to a project described in subsection (1) of this section. An accounting of actual costs incurred for which reimbursement is sought shall be maintained for each project by the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management. Reimbursement of reasonable actual and necessary costs for a project shall not exceed two percent (2%) of the monies in the special fund used for such project. Monies authorized for a particular project may not be used to reimburse administrative costs for unrelated projects.

(3) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this section. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his or her designee.

The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Monies in the fund shall be disbursed by the Department of Finance and Administration as provided in Section 28 of this act. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(2) Contracts or purchases for projects funded with monies disbursed from the 2023 Local Improvements Projects Fund under Section 28 of Chapter 549, 2023 Regular Session, as amended by Section 1 of this act, that involve expenditures that are more than Five Thousand Dollars (\$5,000.00) but not more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, must be made from the lowest and best bidder without publishing or posting advertisements for bids after obtaining at least two (2) competitive written bids. Any such contracts or purchases that involve expenditures that are more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, must be made from the lowest and best bidder after advertising for competitive bids and obtaining at least three (3) competitive written bids. "Competitive" means that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. This provision of this subsection shall supersede any other provision of law to the contrary.

SECTION 4. Section 65-1-185, Mississippi Code of 1972, is amended as follows:

Monies deposited into the fund shall be used by the * * * Mississippi Department of Transportation, upon appropriation by the Legislature, to assist * * * in paying the costs associated with infrastructure improvements on Interstate 55 from Church Road to Goodman Road in Desoto County, Mississippi. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 5. Section 65-1-187, Mississippi Code of 1972, is amended as follows:

65-1-187. There is created in the State Treasury a special fund to be designated as the "2023 Lafayette County Infrastructure Improvements Fund," which shall consist of funds made available by the Legislature in any manner and funds from any other source designated for deposit into such fund. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Monies deposited into the fund shall be used by the * * * Mississippi Department of Transportation, upon appropriation by the Legislature, to assist * * * in paying the costs associated with infrastructure improvements on Highway 7 from Highway 9 to 0.2 miles North of Highway 6 in Lafayette County, Mississippi. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 6. Section 65-1-189, Mississippi Code of 1972, is amended as follows:

Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any investment earnings or interest earned on amounts in the fund shall be deposited to the credit of the fund.

SECTION 7. Section 31-7-13, Mississippi Code of 1972, as amended by House Bill No. 297 and Senate Bill No. 2486, 2024 Regular Session, is amended as follows:

[Until July 1, 2024, this section shall read as follows:]

31-7-13. All agencies and governing authorities shall purchase their commodities and printing; contract for garbage collection or disposal; contract for solid waste collection or disposal; contract for sewage collection or disposal; contract for public construction; and contract for rentals as herein provided.

(a) Bidding procedure for purchases not over \$5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars (\$5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over \$75,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community or junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Seventy-five Thousand Dollars (\$75,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over \$75,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper

published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design, construction, improvement, repair or remodeling of any public facilities, including the purchase of materials, supplies, equipment or goods for same and including buildings, roads and bridges. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning. The provisions of this item 2 requiring reverse auction as the primary method of receiving bids shall not apply to term contract purchases as provided in paragraph (n) of this section; however, a purchasing entity may, in its discretion, utilize reverse auction for such purchases. The provisions of this item 2 shall not apply to individual public schools, including public charter schools and public school districts, only when purchasing copyrighted educational supplemental materials and software as a service product. For such purchases, a local school board may authorize a purchasing entity in its jurisdiction to use a Request for Qualifications which promotes open competition and meets the requirements of the Office of Purchasing and Travel.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Seventy-five Thousand Dollars (\$75,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. * * * The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. On the same date that the notice is submitted to the newspaper for publication, the agency or governing authority involved shall mail written notice to, or provide electronic notification to the main office of the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority that contains the same information as that in the published notice. * * * Within one (1) working day of the contract award, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration, notice of the award, including the award recipient, the contract amount, and a brief summary of the contract in accordance with rules promulgated by the department. Within one (1) working day of the contract execution, the agency or governing authority shall post to the designated web page maintained by the Department of Finance and Administration a summary of the executed contract and make a copy of the appropriately redacted contract documents available for linking to the designated web page in accordance with the rules promulgated by the department.

The information provided by the agency or governing authority shall be posted to the web page * * * until the project is completed * * *.

4. Agencies and governing authorities using federal funds for the procurement of any good or service, including exempt personal and professional services, must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards - Subpart D - Post Federal Award Requirements Procurement Standards, in accordance with 2 CFR 200.317 through 2 CFR 200.327.

(ii) Bidding process amendment procedure. If all plans and/or specifications are published in the notification, then the plans and/or specifications may not be amended. If all plans and/or specifications are not published in the notification, then amendments to the plans/specifications, bid opening date, bid opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed Internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed Internet access becomes available. Any county having a

population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). The provisions of this subparagraph (v) shall not require any bidder to submit bids electronically. When construction bids are submitted electronically, the requirement for including a certificate of responsibility, or a statement that the bid enclosed does not exceed Fifty Thousand Dollars (\$50,000.00), on the exterior of the bid envelope as indicated in Section 31-3-21(1) and (2) shall be deemed in compliance with by including same as an attachment with the electronic bid submittal.

(d) Lowest and best bid decision procedure.

(i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing

authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the

total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. (k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Any such contract for the lease of equipment or services executed on behalf of the commissioners or board that complies with the provisions of this subparagraph (ii) shall be excepted from the bid requirements set forth in this section.

Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. Governing authorities shall place the terms of the agreement and any justification on the minutes, and state agencies shall obtain approval from the Department of Finance and Administration, prior to releasing or taking possession of the commodities.

Such proof shall include, but not be limited to, publications of a request for proposals and letters soliciting negotiations and bids. For purposes of this paragraph (q), a fuel management or fuel access system is an automated system of acquiring fuel for vehicles as well as management reports detailing fuel use by vehicles and drivers, and the term "competitive written bid" shall have the meaning as defined in paragraph (b) of this section. Governing authorities and agencies shall be exempt from this process when contracting for the services and products of fuel management or fuel access systems under the terms of a state contract established by the Office of Purchasing and Travel.

(r) Solid waste contract proposal procedure. Before entering into any contract for garbage collection or disposal, contract for solid waste collection or disposal or contract for sewage collection or disposal, which involves an expenditure of more than Seventy-five Thousand Dollars (\$75,000.00), a governing authority or agency shall issue publicly a request for proposals concerning the specifications for such services which shall be advertised for in the same manner as provided in this section for seeking bids for purchases which involve an expenditure of more than the amount provided in paragraph (c) of this section. (v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount

of not less than One Million Dollars (\$1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Such contract may be entered into only for a term of one (1) year, with an option for an additional one-year extension after the conclusion of the first year of the contract, and only after having solicited bids or proposals, as appropriate, which shall be publicly advertised by posting on a web page maintained by the Department of Finance and Administration through submission of such advertisement to the Mississippi Procurement Technical Assistance Program under the Mississippi Development Authority. The bid opening shall not occur until after the submission has been posted for at least ten (10) consecutive days. The state's share of expenditures for solid waste collection, disposal or monitoring under any contract shall be appropriated and paid in the manner set forth in the contract and in the same manner as for other solid waste collection, disposal, or monitoring expenses of the state. Any contract entered into under this paragraph shall not be subject to the provisions of Section 17-13-11.

(ii) Any board of supervisors of any county or any governing authority of any municipality may opt in to the benefits and services provided under the appropriate and relevant contract established in subparagraph (i) of this paragraph at the time of a disaster event in that county or municipality. At the time of opt in, the county or municipality shall assume responsibility for payment in full to the contractor for the disaster-related solid waste collection, disposal or monitoring services provided. Nothing in this subparagraph (ii) shall be construed as requiring a county or municipality to opt in to any such contract established in subparagraph (i) of this paragraph.

(a) Bidding procedure for purchases not over \$5,000.00. Purchases which do not involve an expenditure of more than Five Thousand Dollars (\$5,000.00), exclusive of freight or shipping charges, may be made without advertising or otherwise requesting competitive bids. However, nothing contained in this paragraph (a) shall be construed to prohibit any agency or governing authority from establishing procedures which require competitive bids on purchases of Five Thousand Dollars (\$5,000.00) or less.

(b) Bidding procedure for purchases over \$5,000.00 but not over \$75,000.00. Purchases which involve an expenditure of more than Five Thousand Dollars (\$5,000.00) but not more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder without publishing or posting advertisement for bids, provided at least two (2) competitive written bids have been obtained. Any state agency or community or junior college purchasing commodities or procuring construction pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, to accept the lowest competitive written bid under Seventy-five Thousand Dollars (\$75,000.00). Any governing authority purchasing commodities pursuant to this paragraph (b) may authorize its purchasing agent, or his designee, with regard to governing authorities other than counties, or its purchase clerk, or his designee, with regard to counties, to accept the lowest and best competitive written bid. Such authorization shall be made in writing by the governing authority and shall be maintained on file in the primary office of the agency and recorded in the official minutes of the governing authority, as appropriate. The purchasing agent or the purchase clerk, or his designee, as the case may be, and not the governing authority, shall be liable for any penalties and/or damages as may be imposed by law for any act or omission of the purchasing agent or purchase clerk, or his designee, constituting a violation of law in accepting any bid without approval by the governing authority. The term "competitive written bid" shall mean a bid submitted on a bid form furnished by the buying agency or governing authority and signed by authorized personnel representing the vendor, or a bid submitted on a vendor's letterhead or identifiable bid form and signed by authorized personnel representing the vendor. "Competitive" shall mean that the bids are developed based upon comparable identification of the needs and are developed independently and without knowledge of other bids or prospective bids. Any bid item for construction in excess of Five Thousand Dollars (\$5,000.00) shall be broken down by components to provide detail of component description and pricing. These details shall be submitted with the written bids and become part of the bid evaluation criteria. Bids may be submitted by facsimile, electronic mail or other generally accepted method of information distribution. Bids submitted by electronic transmission shall not require the signature of the vendor's representative unless required by agencies or governing authorities.

(c) Bidding procedure for purchases over \$75,000.00.

(i) Publication requirement.

1. Purchases which involve an expenditure of more than Seventy-five Thousand Dollars (\$75,000.00), exclusive of freight and shipping charges, may be made from the lowest and best bidder after advertising for competitive bids once each week for two (2) consecutive weeks in a regular newspaper published in the county or municipality in which such agency or governing authority is located. However, all American Recovery and Reinvestment Act projects in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be bid. All references to American Recovery and Reinvestment Act projects in this section shall not apply to programs identified in Division B of the American Recovery and Reinvestment Act.

2. Reverse auctions shall be the primary method for receiving bids during the bidding process. If a purchasing entity determines that a reverse auction is not in the best interest of the state, then that determination must be approved by the Public Procurement Review Board. The purchasing entity shall submit a detailed explanation of why a reverse auction would not be in the best interest of the state and present an alternative process to be approved by the Public Procurement Review Board. If the Public Procurement Review Board authorizes the

purchasing entity to solicit bids with a method other than reverse auction, then the purchasing entity may designate the other methods by which the bids will be received, including, but not limited to, bids sealed in an envelope, bids received electronically in a secure system, or bids received by any other method that promotes open competition and has been approved by the Office of Purchasing and Travel. However, reverse auction shall not be used for any public contract for design, construction, improvement, repair or remodeling of any public facilities, including the purchase of materials, supplies, equipment or goods for same and including buildings, roads and bridges. The Public Procurement Review Board must approve any contract entered into by alternative process. The provisions of this item 2 shall not apply to the individual state institutions of higher learning. The provisions of this item 2 requiring reverse auction as the primary method of receiving bids shall not apply to term contract purchases as provided in paragraph (n) of this section; however, a purchasing entity may, in its discretion, utilize reverse auction for such purchases. The provisions of this item 2 shall not apply to individual public schools, including public charter schools and public school districts, only when purchasing copyrighted educational supplemental materials and software as a service product. For such purchases, a local school board may authorize a purchasing entity in its jurisdiction to use a Request for Qualifications which promotes open competition and meets the requirements of the Office of Purchasing and Travel.

3. The date as published for the bid opening shall not be less than seven (7) working days after the last published notice; however, if the purchase involves a construction project in which the estimated cost is in excess of Seventy-five Thousand Dollars (\$75,000.00), such bids shall not be opened in less than fifteen (15) working days after the last notice is published and the notice for the purchase of such construction shall be published once each week for two (2) consecutive weeks. * * * The notice of intention to let contracts or purchase equipment shall state the time and place at which bids shall be received, list the contracts to be made or types of equipment or supplies to be purchased, and, if all plans and/or specifications are not published, refer to the plans and/or specifications on file. If there is no newspaper published in the county or municipality, then such notice shall be given by posting same at the courthouse, or for municipalities at the city hall, and at two (2) other public places in the county or municipality, and also by publication once each week for two (2) consecutive weeks in some newspaper having a general circulation in the county or municipality in the above-provided manner. opening time and place may be made, provided that the agency or governing authority maintains a list of all prospective bidders who are known to have received a copy of the bid documents and all such prospective bidders are sent copies of all amendments. This notification of amendments may be made via mail, facsimile, electronic mail or other generally accepted method of information distribution. No addendum to bid specifications may be issued within two (2) working days of the time established for the receipt of bids unless such addendum also amends the bid opening to a date not less than five (5) working days after the date of the addendum.

(iii) Filing requirement. In all cases involving governing authorities, before the notice shall be published or posted, the plans or specifications for the construction or equipment being sought shall be filed with the clerk of the board of the governing authority. In addition to these requirements, a bid file shall be established which shall indicate those vendors to whom such solicitations and specifications were issued, and such file shall also contain such information as is pertinent to the bid.

(iv) Specification restrictions.

1. Specifications pertinent to such bidding shall be written so as not to exclude comparable equipment of domestic manufacture. However, if valid justification is presented, the Department of Finance and Administration or the board of a governing authority may approve a request for specific equipment necessary to perform a specific job. Further, such justification, when placed on the minutes of the board of a governing authority, may serve as authority for that governing authority to write specifications to require a specific item of equipment needed to perform a specific job. In addition to these requirements, from and after July 1, 1990, vendors of relocatable classrooms and the specifications for the purchase of such relocatable classrooms published by local school boards shall meet all pertinent regulations of the State Board of Education, including prior approval of such bid by the State Department of Education.

2. Specifications for construction projects may include an allowance for commodities, equipment, furniture, construction materials or systems in which prospective bidders are instructed to include in their bids specified amounts for such items so long as the allowance items are acquired by the vendor in a commercially reasonable manner and approved by the agency/governing authority. Such acquisitions shall not be made to circumvent the public purchasing laws.

(v) Electronic bids. Agencies and governing authorities shall provide a secure electronic interactive system for the submittal of bids requiring competitive bidding that shall be an additional bidding option for those bidders who choose to submit their bids electronically. The Department of Finance and Administration shall provide, by regulation, the standards that agencies must follow when receiving electronic bids. Agencies and governing authorities shall make the appropriate provisions necessary to accept electronic bids from those bidders who choose to submit their bids electronically for all purchases requiring competitive bidding under this section. Any special condition or requirement for the electronic bid submission shall be specified in the advertisement for bids required by this section. Agencies or governing authorities that are currently without available high speed Internet access shall be exempt from the requirement of this subparagraph (v) until such time that high speed Internet access becomes available. Any county having a population of less than twenty thousand (20,000) shall be exempt from the provisions of this subparagraph (v). Any municipality having a population of less than ten thousand (10,000) shall be exempt from the provisions of this subparagraph (v). (i) Decision procedure. Purchases may be made from the lowest and best bidder. In determining the lowest and best bid, freight and shipping

charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(ii) Decision procedure for Certified Purchasing Offices.

In addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), Certified Purchasing Offices may also use the following procedure: Purchases may be made from the bidder offering the best value. In determining the best value bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions, documented previous experience, training costs and other relevant provisions, including, but not limited to, a bidder having a local office and inventory located within the jurisdiction of the governing authority, may be included in the best value calculation. This provision shall authorize Certified Purchasing Offices to utilize a Request For Proposals (RFP) process when purchasing commodities. All best value procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. No agency or governing authority shall accept a bid based on items or criteria not included in the specifications.

(iii) Decision procedure for Mississippi Landmarks. In

addition to the decision procedure set forth in subparagraph (i) of this paragraph (d), where purchase involves renovation, restoration, or both, of the State Capitol Building or any other historical building designated for at least five (5) years as a Mississippi Landmark by the Board of Trustees of the Department of Archives and History under the authority of Sections 39-7-7 and 39-7-11, the agency or governing authority may use the following procedure: Purchases may be made from the lowest and best prequalified bidder. Prequalification of bidders shall be determined not less than fifteen (15) working days before the first published notice of bid opening. Prequalification criteria shall be limited to bidder's knowledge and experience in historical restoration, preservation and renovation. In determining the lowest and best bid, freight and shipping charges shall be included. Life-cycle costing, total cost bids, warranties, guaranteed buy-back provisions and other relevant provisions may be included in the best bid calculation. All best bid and prequalification procedures for state agencies must be in compliance with regulations established by the Department of Finance and Administration. If any governing authority accepts a bid other than the lowest bid actually submitted, it shall place on its minutes detailed calculations and narrative summary showing that the accepted bid was determined to be the lowest and best bid, including the dollar amount of the accepted bid and the dollar amount of the lowest bid. No agency or governing authority shall accept a bid based on items not included in the specifications.

(iv) Construction project negotiations authority. If the

lowest and best bid is not more than ten percent (10%) above the amount of funds allocated for a public construction or renovation project, then the agency or governing authority shall be permitted to negotiate with the lowest bidder in order to enter into a contract for an amount not to exceed the funds allocated.

(e) Lease-purchase authorization. For the purposes of this

section, the term "equipment" shall mean equipment, furniture and, if applicable, associated software and other applicable direct costs associated with the acquisition. Any lease-purchase of equipment which an agency is not required to lease-purchase under the master lease-purchase program pursuant to Section 31-7-10 and any lease-purchase of equipment which a governing authority elects to lease-purchase may be acquired by a lease-purchase agreement under this paragraph (e). Lease-purchase financing may also be obtained from the vendor or from a third-party source after having solicited and obtained at least two (2) written competitive bids, as defined in paragraph (b) of this section, for such financing without advertising for such bids. Solicitation for the bids for financing may occur before or after acceptance of bids for the purchase of

such equipment or, where no such bids for purchase are required, at any time before the purchase thereof. No such lease-purchase agreement shall be for an annual rate of interest which is greater than the overall maximum interest rate to maturity on general obligation indebtedness permitted under Section 75-17-101, and the term of such lease-purchase agreement shall not exceed the useful life of equipment covered thereby as determined according to the upper limit of the asset depreciation range (ADR) guidelines for the Class Life Asset Depreciation Range System established by the Internal Revenue Service pursuant to the United States Internal Revenue Code and regulations thereunder as in effect on December 31, 1980, or comparable depreciation guidelines with respect to any equipment not covered by ADR guidelines. Any lease-purchase agreement entered into pursuant to this paragraph (e) may contain any of the terms and conditions which a master lease-purchase agreement may contain under the provisions of Section 31-7-10(5), and shall contain an annual allocation dependency clause substantially similar to that set forth in Section 31-7-10(8). Each agency or governing authority entering into a lease-purchase transaction pursuant to this paragraph (e) shall maintain with respect to each such lease-purchase transaction the same information as required to be maintained by the Department of Finance and Administration pursuant to Section 31-7-10(13). However, nothing contained in this section shall be construed to permit agencies to acquire items of equipment with a total acquisition cost in the aggregate of less than Ten Thousand Dollars (\$10,000.00) by a single lease-purchase transaction. All equipment, and the purchase thereof by any lessor, acquired by lease-purchase under this paragraph and all lease-purchase payments with respect thereto shall be exempt from all Mississippi sales, use and ad valorem taxes. Interest paid on any lease-purchase agreement under this section shall be exempt from State of Mississippi income taxation.

(f) Alternate bid authorization. When necessary to ensure ready availability of commodities for public works and the timely completion of public projects, no more than two (2) alternate bids may be accepted by a governing authority for commodities. No purchases may be made through use of such alternate bids procedure unless the lowest and best bidder cannot deliver the commodities contained in his bid. In that event, purchases of such commodities may be made from one (1) of the bidders whose bid was accepted as an alternate.

(g) Construction contract change authorization. In the event a determination is made by an agency or governing authority after a construction contract is let that changes or modifications to the original contract are necessary or would better serve the purpose of the agency or the governing authority, such agency or governing authority may, in its discretion, order such changes pertaining to the construction that are necessary under the circumstances without the necessity of further public bids; provided that such change shall be made in a commercially reasonable manner and shall not be made to circumvent the public purchasing statutes. In addition to any other authorized person, the architect or engineer hired by an agency or governing authority with respect to any public construction contract shall have the authority, when granted by an agency or governing authority, to authorize changes or modifications to the original contract without the necessity of prior approval of the agency or governing authority when any such change or modification is less than one percent (1%) of the total contract amount. The agency or governing authority may limit the number, manner or frequency of such emergency changes or modifications.

(h) Petroleum purchase alternative. In addition to other methods of purchasing authorized in this chapter, when any agency or governing authority shall have a need for gas, diesel fuel, oils and/or other petroleum products in excess of the amount set forth in paragraph (a) of this section, such agency or governing authority may purchase the commodity after having solicited and obtained at least two (2) competitive written bids, as defined in paragraph (b) of this section. If two (2) competitive written bids are not obtained, the entity shall comply with the procedures set forth in paragraph (c) of this section. In the event any agency or governing authority shall have advertised for bids for the purchase of gas, diesel fuel, oils and other petroleum products and coal and no acceptable bids can be obtained, such agency or governing authority is authorized and directed to enter into any negotiations necessary to secure the lowest and best contract available for the purchase of such commodities.

(i) Road construction petroleum products price adjustment clause authorization. Any agency or governing authority authorized to enter into contracts for the construction, maintenance, surfacing or repair of highways, roads or streets, may include in its bid proposal and contract documents a price adjustment clause with relation to the cost to the contractor, including taxes, based upon an industry-wide cost index, of petroleum products including asphalt used in the performance or execution of the contract or in the production or manufacture of materials for use in such performance. Such industry-wide index shall be established and published monthly by the Mississippi Department of Transportation with a copy thereof to be mailed, upon request, to the clerks of the governing authority of each municipality and the clerks of each board of supervisors throughout the state. The price adjustment clause shall be based on the cost of such petroleum products only and shall not include any additional profit or overhead as part of the adjustment. The bid proposals or document contract shall contain the basis and methods of adjusting unit prices for the change in the cost of such petroleum products.

(j) State agency emergency purchase procedure. If the governing board or the executive head, or his designees, of any agency of the state shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interests of the state, then the head of such agency, or his designees, shall file with the Department of Finance and Administration (i) a statement explaining the conditions and circumstances of the emergency, which shall include a detailed description of the events leading up to the situation and the negative impact to the entity if the purchase is made following the statutory requirements set forth in paragraph (a), (b) or (c) of this section, and (ii) a certified copy of the appropriate minutes of the board of such agency requesting the emergency purchase, if applicable. Upon receipt of the statement and applicable board certification, the State Fiscal Officer, or his designees, may, in writing, authorize the purchase or repair without having to comply with competitive bidding requirements.

If the governing board or the executive head, or his designees, of any agency determines that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would threaten the health or safety of any person, or the preservation or protection of property, then the provisions in this section for competitive bidding shall not apply, and any officer or agent of the agency having general or specific authority for making the purchase or repair contract shall approve the bill presented for payment, and he shall certify in writing from whom the purchase was made, or with whom the repair contract was made.

Total purchases made under this paragraph (j) shall only be for the purpose of meeting needs created by the emergency situation. Following the emergency purchase, documentation of the purchase, including a description of the commodity purchased, the purchase price thereof and the nature of the emergency shall be filed with the Department of Finance and Administration. Any contract awarded pursuant to this paragraph (j) shall not exceed a term of one (1) year.

Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (j).

(k) Governing authority emergency purchase procedure. If the governing authority, or the governing authority acting through its designee, shall determine that an emergency exists in regard to the purchase of any commodities or repair contracts, so that the delay incident to giving opportunity for competitive bidding would be detrimental to the interest of the governing authority, then the provisions herein for competitive bidding shall not apply and any officer or agent of such governing authority having general or special authority therefor in making such purchase or repair shall approve the bill presented therefor, and he shall certify in writing thereon from whom such purchase was made, or with whom such a repair contract was made. At the board meeting next following the emergency purchase or repair contract, documentation of the purchase or repair contract, including a description of the

commodity purchased, the price thereof and the nature of the emergency shall be presented to the board and shall be placed on the minutes of the board of such governing authority. Purchases under the grant program established under Section 37-68-7 in response to COVID-19 and the directive that school districts create a distance learning plan and fulfill technology needs expeditiously shall be deemed an emergency purchase for purposes of this paragraph (k).

(ii) In addition to the authority granted in subparagraph (i) of this paragraph (l), the commissioners or board of trustees is authorized to enter into contracts for the lease of equipment or services, or both, which it considers necessary for the proper care of patients if, in its opinion, it is not financially feasible to purchase the necessary equipment or services. Any such contract for the lease of equipment or services executed by the commissioners or board shall not exceed a maximum of five (5) years' duration and shall include a cancellation clause based on unavailability of funds. If such cancellation clause is exercised, there shall be no further liability on the part of the lessee. Nothing in this section shall permit such purchases through public auction except as provided for in subparagraph (v) of this paragraph (m). It is the intent

of this section to allow governmental entities to dispose of and/or purchase commodities from other governmental entities at a price that is agreed to by both parties. This shall allow for purchases and/or sales at prices which may be determined to be below the market value if the selling entity determines that the sale at below market value is in the best interest of the taxpayers of the state. (q) Fuel management system bidding procedure. Any governing authority or agency of the state shall, before contracting for the services and products of a fuel management or fuel access system, enter into negotiations with not fewer than two (2) sellers of fuel management or fuel access systems for competitive written bids to provide the services and products for the systems. In the event that the governing authority or agency cannot locate two (2) sellers of such systems or cannot obtain bids from two (2) sellers of such systems, it shall show proof that it made a diligent, good-faith effort to locate and negotiate with two (2) sellers of such systems. Such proof shall include, but not be limited to, publications of a request for proposals and letters soliciting negotiations and bids. For purposes of this paragraph (q), a fuel management or fuel access system is an automated system of acquiring fuel for vehicles as well as management reports detailing fuel use by vehicles and drivers, and the term "competitive written bid" shall have the meaning as defined in paragraph (b) of this section. Governing authorities and agencies shall be exempt from this process when contracting for the services and products of fuel management or fuel access systems under the terms of a state contract established by the Office of Purchasing and Travel.

(r) Solid waste contract proposal procedure. Before entering into any contract for garbage collection or disposal, contract for solid waste collection or disposal or contract for sewage collection or disposal, which involves an expenditure of more than Seventy-five Thousand Dollars (\$75,000.00), a governing authority or agency shall issue publicly a request for proposals concerning the specifications for such services which shall be advertised for in the same manner as provided in this section for seeking bids for purchases which involve an expenditure of more than the amount provided in paragraph (c) of this section. Any request for proposals when issued shall contain terms and conditions relating to price, financial responsibility, technology, legal responsibilities and other relevant factors as are determined by the governing authority

or agency to be appropriate for inclusion; all factors determined relevant by the governing authority or agency or required by this paragraph (r) shall be duly included in the advertisement to elicit proposals. After responses to the request for proposals have been duly received, the governing authority or agency shall select the most qualified proposal or proposals on the basis of price, technology and other relevant factors and from such proposals, but not limited to the terms thereof, negotiate and enter into contracts with one or more of the persons or firms submitting proposals. If the governing authority or agency deems none of the proposals to be qualified or otherwise acceptable, the request for proposals process may be reinitiated. Notwithstanding any other provisions of this paragraph, where a county with at least thirty-five thousand (35,000) nor more than forty thousand (40,000) population, according to the 1990 federal decennial census, owns or operates a solid waste landfill, the governing authorities of any other county or municipality may contract with the governing authorities of the county owning or operating the landfill, pursuant to a resolution duly adopted and spread upon the minutes of each governing authority involved, for garbage or solid waste collection or disposal services through contract negotiations.

(s) Minority set-aside authorization. Notwithstanding any provision of this section to the contrary, any agency or governing authority, by order placed on its minutes, may, in its discretion, set aside not more than twenty percent (20%) of its anticipated annual expenditures for the purchase of commodities from minority businesses; however, all such set-aside purchases shall comply with all purchasing regulations promulgated by the Department of Finance and Administration and shall be subject to bid requirements under this section. Set-aside purchases for which competitive bids are required shall be made from the lowest and best minority business bidder. For the purposes of this paragraph, the term "minority business" means a business which is owned by a majority of persons who are United States citizens or permanent resident aliens (as defined by the Immigration and Naturalization Service) of the United States, and who are Asian, Black, Hispanic or Native American, according to the following definitions:

(i) "Asian" means persons having origins in any of the original people of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands.

(ii) "Black" means persons having origins in any black racial group of Africa.

(iii) "Hispanic" means persons of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race.

(iv) "Native American" means persons having origins in any of the original people of North America, including American Indians, Eskimos and Aleuts.

(t) Construction punch list restriction. The architect, engineer or other representative designated by the agency or governing authority that is contracting for public construction or renovation may prepare and submit to the contractor only one (1) preliminary punch list of items that do not meet the contract requirements at the time of substantial completion and one (1) final list immediately before final completion and final payment.

(u) Procurement of construction services by state institutions of higher learning. Contracts for privately financed construction of auxiliary facilities on the campus of a state institution of higher learning may be awarded by the Board of Trustees of State Institutions of Higher Learning to the lowest and best bidder, where sealed bids are solicited, or to the offeror whose proposal is determined to represent the best value to the citizens of the State of Mississippi, where requests for proposals are solicited.

(v) Insurability of bidders for public construction or other public contracts. In any solicitation for bids to perform public construction or other public contracts to which this section applies, including, but not limited to, contracts for repair and maintenance, for which the contract will require insurance coverage in an amount of not less than One Million Dollars (\$1,000,000.00), bidders shall be permitted to either submit proof of current insurance coverage in the specified amount or demonstrate

ability to obtain the required coverage amount of insurance if the contract is awarded to the bidder. Proof of insurance coverage shall be submitted within five (5) business days from bid acceptance.

(w) Purchase authorization clarification. Nothing in this section shall be construed as authorizing any purchase not authorized by law.

(x) Mississippi Regional Pre-Need Disaster Clean Up Act. (i) * * * The Department of Finance and Administration shall develop and implement a process that creates a preferred vendor list for both disaster debris removal and monitoring.

(ii) Any board of supervisors of any county or any governing authority of any municipality may opt in to the benefits and services provided under the appropriate and relevant contract established in subparagraph (i) of this paragraph at the time of a disaster event in that county or municipality. At the time of opt in, the county or municipality shall assume responsibility for payment in full to the contractor for the disaster-related solid waste collection, disposal or monitoring services provided. Nothing in this subparagraph (ii) shall be construed as requiring a county or municipality to opt in to any such contract established in subparagraph (i) of this paragraph.

SECTION 8. This act shall take effect and be in force from and after its passage.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 292: DUI suspension; clarify how the 120 days are counted.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 63-11-23, Mississippi Code of 1972, is amended as follows:

63-11-23. (1) Administrative license suspension for test refusal. The Commissioner of Public Safety, or his authorized agent, shall review the sworn report by a law enforcement officer as provided in Section 63-11-21.

(a) If upon review the Commissioner of Public Safety, or his authorized agent, finds (i) that the law enforcement officer had reasonable grounds and probable cause to believe the person had been operating a motor vehicle upon the public highways, public roads * * * or streets of this state while under the influence of intoxicating liquor or any other substance that may impair a person's mental or physical ability; (ii) that the person refused to submit to the chemical test of the person's breath, blood or urine upon request of the officer; and (iii) that the person was informed that his license and driving privileges would be suspended or denied if he refused to submit to the chemical test of his breath, blood or urine, then the Commissioner of Public Safety, or his authorized agent, shall give notice to the licensee that his license or permit to drive, or any nonresident operating privilege, shall be suspended thirty (30) days after the date of the notice for a period of ninety (90) days if the person has not previously been convicted of or nonadjudicated for a violation of Section 63-11-30, or, for a period of one (1) year if the person was previously convicted or nonadjudicated under Section

63-11-30. If the commissioner or his authorized agent determines that the license or permit should not be suspended, he shall return the license or permit to the licensee.

(b) The notice of suspension shall be in writing and conform to Section 63-1-52.

(c) A person may continue to drive on either an interlock-restricted license or under a drug-testing program if so ordered by a court in the course of a criminal proceeding for a violation of Section 63-11-30.

(2) Extension or suspension of privilege to drive; request for trial. (a) If the chemical testing of a person's breath indicates the blood alcohol concentration was eight one-hundredths percent (.08%) or more for persons who are above the legal age to purchase alcoholic beverages under state law, or two one-hundredths percent (.02%) or more for persons who are below the legal age to purchase alcoholic beverages under state law, based upon grams of alcohol per one hundred (100) milliliters of blood or grams of alcohol per two hundred ten (210) liters of breath as shown by a chemical analysis of the person's blood, breath, or urine, the arresting officer shall seize the license and give the driver a receipt for his license on forms prescribed by the Commissioner of Public Safety and shall promptly forward the license together with a sworn report to the Commissioner of Public Safety. The receipt given a person shall be valid as a permit to operate a motor vehicle for thirty (30) days in order that the defendant may be processed through the court having original jurisdiction and a final disposition had.

(b) If the defendant requests a trial within thirty (30) days and trial is not commenced within thirty (30) days, then the court shall determine if the delay in the trial is the fault of the defendant or his counsel. If the court finds that it is not the fault of the defendant or his counsel, then the court shall order the defendant's privileges to operate a motor vehicle to be extended until the defendant is convicted upon final order of the court.

(c) If a receipt or permit to drive issued under this subsection expires without a trial having been requested as provided in this subsection, then the Commissioner of Public Safety, or his authorized agent, shall suspend the license or permit to drive or any nonresident operating privilege for the applicable period of time as provided in subsection (1) of this section.

(3) Offenders driving without a license. If the person is a resident without a license or permit to operate a motor vehicle in this state, the Commissioner of Public Safety, or his authorized agent, shall deny to the person the issuance of a license or permit for a period of one (1) year beginning thirty (30) days after the date of notice of the suspension.

(4) Appeal. It shall be the duty of the municipal prosecuting attorney, county prosecuting attorney, an attorney employed under the provisions of Section 19-3-49, or if there is not a prosecuting attorney for the municipality or county, the duty of the district attorney to represent the state in any hearing on a de novo appeal held under the provisions of Section 63-11-25, Section 63-11-37 or Section 63-11-30.

(5) Suspension subsequent to conviction. Unless the person obtains an interlock-restricted license or the court orders the person to exercise the privilege to operate a motor vehicle only under an interlock-restricted license or while participating in a court-ordered drug-testing program, thirty (30) days after receipt of the court abstract documenting a person's conviction under Section 63-11-30, the Department of Public Safety shall suspend the driver's license and privileges of the person to operate a motor vehicle as follows:

(a) When sentenced under Section 63-11-30(2):

(i) For a first offense: one hundred twenty (120) days;

(ii) For a second offense: one (1) year;

(iii) For a third offense: for the full period of the person's sentence; upon release from incarceration, the person will be eligible for only an interlock-restricted license for three (3) years;

(iv) For a fourth or subsequent offense: for the full period of the person's sentence; upon release from incarceration, the person will be eligible for only an interlock-restricted license for ten (10) years and will further be subject to

court-ordered drug testing if the original offense involved operating a motor vehicle under the influence of a drug other than alcohol.

(b) When sentenced under Section 63-11-30(3) (Zero Tolerance for Minors):

- (i) For a first offense: one hundred twenty (120) days;
- (ii) For a second offense: one (1) year;
- (iii) For a third offense occurring within five (5) years,

suspend or deny the driving privilege for two (2) years or until the person reaches the age of twenty-one (21), whichever is longer.

(6) Suspensions. (a) Notices of suspension given under this section shall be in writing and conform to Section 63-1-52.

(b) Suspensions under this and any other chapter shall run consecutively and not concurrently.

(c) The first day of any one-hundred-twenty-day period shall begin twenty-one (21) days after entry of judgement of conviction or order of nonadjudication.

(7) License reinstatement. A person is eligible for an unrestricted license when the person has completed an alcohol safety education program as provided in Section 63-11-32, has satisfied all other conditions of law and of the person's sentence or nonadjudication, and is not otherwise barred from obtaining an unrestricted license.

SECTION 2. Section 63-11-30, Mississippi Code of 1972, is amended as follows:

63-11-30. (1) It is unlawful for a person to drive or otherwise operate a vehicle within this state if the person:

The court may substitute attendance at a victim impact panel instead of forty-eight (48) hours in jail.

(ii) Suspension of commercial driving privileges is governed by Section 63-1-216.

(iii) A qualifying first offense may be nonadjudicated by the court under subsection (14) of this section. The holder of a commercial driver's license or a commercial learning permit at the time of the offense is ineligible for nonadjudication.

(iv) Eligibility for an interlock-restricted license is governed by Section 63-11-31 and suspension of regular driving privileges is governed by Section 63-11-23.

(b) Second offense DUI. (i) Upon any second conviction of any person violating subsection (1) of this section, the offenses being committed within a period of five (5) years, the person shall be guilty of a misdemeanor, fined not less than Six Hundred Dollars (\$600.00) nor more than One Thousand Five Hundred Dollars (\$1,500.00), shall be imprisoned not less than five (5) days nor more than six (6) months and sentenced to community service work for not less than ten (10) days nor more than six (6) months. (ii) Suspension of commercial driving privileges is governed by Section 63-1-216.

(iii) Eligibility for an interlock-restricted license is governed by Section 63-11-31 and suspension of regular driving privileges is governed by Section 63-11-23.

(c) Third offense DUI. (i) For a third conviction of a person for violating subsection (1) of this section, the offenses being committed within a period of five (5) years, the person shall be guilty of a felony and fined not less than Two Thousand Dollars (\$2,000.00) nor more than Five Thousand Dollars (\$5,000.00), and shall serve not less than one (1) year nor more than five (5) years in the custody of the Department of Corrections. For any offense that does not result in serious injury or death to any person, the sentence of incarceration may be served in the county jail rather than in the State Penitentiary at the discretion of the circuit court judge. The minimum penalties shall not be suspended or reduced by the court and no prosecutor shall offer any suspension or sentence reduction as part of a plea bargain.

(ii) The suspension of commercial driving privileges is governed by Section 63-1-216.

(iii) The suspension of regular driving privileges is governed by Section 63-11-23.

(d) Fourth and subsequent offense DUI. (i) For any fourth or subsequent conviction of a violation of subsection (1) of this section, without regard to the time period within which the violations occurred, the person shall be guilty of a felony and fined not less than Three Thousand Dollars (\$3,000.00) nor more than Ten Thousand Dollars (\$10,000.00), and shall serve not less than two (2) years nor more than ten (10) years in the custody of the Department of Corrections.

(ii) The suspension of commercial driving privileges is governed by Section 63-1-216.

(iii) A person convicted of a fourth or subsequent offense is ineligible to exercise the privilege to operate a motor vehicle that is not equipped with an ignition-interlock device for ten (10) years.

(e) Any person convicted of a second or subsequent violation of subsection (1) of this section shall receive an in-depth diagnostic assessment, and if as a result of the assessment is determined to be in need of treatment for alcohol or drug abuse, the person must successfully complete treatment at a program site certified by the Department of Mental Health. Each person who receives a diagnostic assessment shall pay a fee representing the cost of the assessment. Each person who participates in a treatment program shall pay a fee representing the cost of treatment.

(f) The use of ignition-interlock devices is governed by Section 63-11-31.

(3) Zero tolerance for minors. (a) This subsection shall be known and may be cited as Zero Tolerance for Minors. The provisions of this subsection shall apply only when a person under the age of twenty-one (21) years has a blood alcohol concentration of two one-hundredths percent (.02%) or more, but lower than eight one-hundredths percent (.08%). If the person's blood alcohol concentration is eight one-hundredths percent (.08%) or more, the provisions of subsection (2) shall apply.

(b) (i) A person under the age of twenty-one (21) is eligible for nonadjudication of a qualifying first offense by the court pursuant to subsection (14) of this section.

(ii) Upon conviction of any person under the age of twenty-one (21) years for the first offense of violating subsection (1) of this section

where chemical tests provided for under Section 63-11-5 were given, or where chemical test results are not available, the person shall be fined Two Hundred Fifty Dollars (\$250.00); the court shall order the person to attend and complete an alcohol safety education program as provided in Section 63-11-32 within six (6) months. The court may also require attendance at a victim impact panel.

(c) A person under the age of twenty-one (21) years who is convicted of a second violation of subsection (1) of this section, the offenses being committed within a period of five (5) years, shall be fined not more than Five Hundred Dollars (\$500.00).

(e) License suspension is governed by Section 63-11-23 and ignition interlock is governed by Section 63-11-31.

(f) Any person under the age of twenty-one (21) years convicted of a third or subsequent violation of subsection (1) of this section must complete treatment of an alcohol or drug abuse program at a site certified by the Department of Mental Health.

(4) DUI test refusal. In addition to the other penalties provided in this section, every person refusing a law enforcement officer's request to submit to a chemical test of the person's breath as provided in this chapter, or who was unconscious at the time of a chemical test and refused to consent to the introduction of the results of the test in any prosecution, shall suffer an additional administrative suspension of driving privileges as set forth in Section 63-11-23.

(5) Aggravated DUI. (a) (i) Except as otherwise provided in subparagraph (ii) of this paragraph (a), every person who operates any motor vehicle in violation of the provisions of subsection (1) of this section and who in a negligent manner causes the death of another or mutilates, disfigures, permanently disables or destroys the tongue, eye, lip, nose or any other limb, organ or member of another shall, upon conviction, be guilty of a separate felony for each victim who suffers death, mutilation, disfigurement or other injury and shall be committed to the custody of the State Department of Corrections for a period of time of not less than five (5) years and not to exceed twenty-five (25) years for each death, mutilation, disfigurement or other injury, and the imprisonment for the second or each subsequent conviction, in the discretion of the court, shall commence either at the termination of the imprisonment for the preceding conviction or run concurrently with the preceding conviction. Any person charged with causing the death of another as described in this subsection shall be required to post bail before being released after arrest.

(ii) Every person who is below the legal age to purchase alcoholic beverages under state law and has an alcohol concentration in the person's blood, based upon grams of alcohol per one hundred (100) milliliters of blood, or grams of alcohol per two hundred ten (210) liters of breath, as shown by a chemical analysis of the person's breath, blood or urine administered as authorized by this chapter, of eight one-hundredths percent (0.08%) or more and who in a negligent manner causes the death of another or mutilates, disfigures, permanently disables or destroys the tongue, eye, lip, nose or any other limb, organ or member of another shall, upon conviction, be guilty of a separate felony for each victim who suffers death, mutilation, disfigurement or other injury and shall be committed to the custody of the State Department of Corrections for a period of time not less than five (5) years and not to exceed twenty-five (25) years for each death, mutilation, disfigurement or other injury, and the imprisonment for the second or each subsequent conviction, in the discretion of the court, shall commence either at the termination of the imprisonment for the preceding conviction or run concurrently with the preceding conviction. Any such person charged with causing the death of another as described in this subparagraph shall be required to post bail before being released after arrest.

(b) A holder of a commercial driver's license who is convicted of operating a commercial motor vehicle with an alcohol concentration of eight one-hundredths percent (.08%) or more shall be guilty of a felony and shall be

committed to the custody of the Department of Corrections for not less than two (2) years and not more than ten (10) years.

(c) The court shall order an ignition-interlock restriction on the offender's privilege to drive as a condition of probation or post-release supervision not to exceed five (5) years unless a longer restriction is required under other law. The ignition-interlock restriction shall not be applied to commercial license privileges until the driver serves the full disqualification period required by Section 63-1-216.

(6) DUI citations. (a) Upon conviction of a violation of subsection (1) of this section, the trial judge shall sign in the place provided on the traffic ticket, citation or affidavit stating that the person arrested either employed an attorney or waived his right to an attorney after having been properly advised. If the person arrested employed an attorney, the name, address and telephone number of the attorney shall be written on the ticket, citation or affidavit. The court clerk must immediately send a copy of the traffic ticket, citation or affidavit, and any other pertinent documents concerning the conviction or other order of the court, to the Department of Public Safety as provided in Section 63-11-37.

(b) A copy of the traffic ticket, citation or affidavit and any other pertinent documents, having been attested as true and correct by the Commissioner of Public Safety, or his designee, shall be sufficient proof of the conviction for purposes of determining the enhanced penalty for any subsequent convictions of violations of subsection (1) of this section. The Department of Public Safety shall maintain a central database for verification of prior offenses and convictions.

(7) Out-of-state prior convictions. Convictions in another state, territory or possession of the United States, or under the law of a federally recognized Native American tribe, of violations for driving or operating a vehicle while under the influence of an intoxicating liquor or while under the influence of any other substance that has impaired the person's ability to operate a motor vehicle occurring within five (5) years before an offense shall be counted for the purposes of determining if a violation of subsection (1) of this section is a second, third, fourth or subsequent offense and the penalty that shall be imposed upon conviction for a violation of subsection (1) of this section.

(8) Charging of subsequent offenses. (a) For the purposes of determining how to impose the sentence for a second, third, fourth or subsequent conviction under this section, the affidavit or indictment shall not be required to enumerate previous convictions. It shall only be necessary that the affidavit or indictment states the number of times that the defendant has been convicted and sentenced within the past five (5) years for a second or third offense, or without a time limitation for a fourth or subsequent offense, under this section to determine if an enhanced penalty shall be imposed. The amount of fine and imprisonment imposed in previous convictions shall not be considered in calculating offenses to determine a second, third, fourth or subsequent offense of this section.

(b) Before a defendant enters a plea of guilty to an offense under this section, law enforcement must submit certification to the prosecutor that the defendant's driving record, the confidential registry and National Crime Information Center record have been searched for all prior convictions, nonadjudications, pretrial diversions and arrests for driving or operating a vehicle while under the influence of an intoxicating liquor or while under the influence of any other substance that has impaired the person's ability to operate a motor vehicle. The results of the search must be included in the certification.

(9) License eligibility for underage offenders. A person who is under the legal age to obtain a license to operate a motor vehicle at the time of the offense and who is convicted under this section shall not be eligible to receive a driver's license until the person reaches the age of eighteen (18) years.

(10) License suspensions and restrictions to run consecutively. Suspension or restriction of driving privileges for any person convicted of or nonadjudicated for violations of subsection (1) of this section shall run consecutively to and not concurrently with any other administrative license suspension.

(11) Ignition interlock. If the court orders installation and use of an ignition-interlock device as provided in Section 63-11-31 for every vehicle operated by

a person convicted or nonadjudicated under this section, each device shall be installed, maintained and removed as provided in Section 63-11-31.

(12) DUI child endangerment. A person over the age of twenty-one (21) who violates subsection (1) of this section while transporting in a motor vehicle a child under the age of sixteen (16) years is guilty of the separate offense of endangering a child by driving under the influence of alcohol or any other substance which has impaired the person's ability to operate a motor vehicle. The offense of endangering a child by driving under the influence of alcohol or any other substance which has impaired the person's ability to operate a motor vehicle shall not be merged with an offense of violating subsection (1) of this section for the purposes of prosecution and sentencing. An offender who is convicted of a violation of this subsection shall be punished as follows:

(a) A person who commits a violation of this subsection which does not result in the serious injury or death of a child and which is a first conviction shall be guilty of a misdemeanor and, upon conviction, shall be fined not more than One Thousand Dollars (\$1,000.00) or shall be imprisoned for not more than twelve (12) months, or both;

(b) A person who commits a violation of this subsection which does not result in the serious injury or death of a child and which is a second conviction shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than One Thousand Dollars (\$1,000.00) nor more than Five Thousand Dollars (\$5,000.00) or shall be imprisoned for one (1) year, or both;

(c) A person who commits a violation of this subsection which does not result in the serious injury or death of a child and which is a third or subsequent conviction shall be guilty of a felony and, upon conviction, shall be fined not less than Ten Thousand Dollars (\$10,000.00) or shall be imprisoned for not less than one (1) year nor more than five (5) years, or both; and

(d) A person who commits a violation of this subsection which results in the serious injury or death of a child, without regard to whether the offense was a first, second, third or subsequent offense, shall be guilty of a felony and, upon conviction, shall be punished by a fine of not less than Ten Thousand Dollars (\$10,000.00) and shall be imprisoned for not less than five (5) years nor more than twenty-five (25) years.

(13) Expunction. (a) Any person convicted under subsection (2) or (3) of this section of a first offense of driving under the influence and who was not the holder of a commercial driver's license or a commercial learning permit at the time of the offense may petition the circuit court of the county in which the conviction was had for an order to expunge the record of the conviction at least five (5) years after successful completion of all terms and conditions of the sentence imposed for the conviction. Expunction under this subsection will only be available to a person:

(i) Who has successfully completed all terms and conditions of the sentence imposed for the conviction;

(ii) Who did not refuse to submit to a test of his blood or breath;

(iii) Whose blood alcohol concentration tested below sixteen one-hundredths percent (.16%) if test results are available;

(iv) Who has not been convicted of and does not have pending any other offense of driving under the influence;

(v) Who has provided the court with justification as to why the conviction should be expunged; and

(vi) Who has not previously had a nonadjudication or expunction of a violation of this section.

(b) A person is eligible for only one (1) expunction under this subsection, and the Department of Public Safety shall maintain a permanent confidential registry of all cases of expunction under this subsection for the sole purpose of determining a person's eligibility for expunction, for nonadjudication, or as a first offender under this section.

(c) The court in its order of expunction shall state in writing the justification for which the expunction was granted and forward the order to the Department of Public Safety within five (5) days of the entry of the order.

(14) Nonadjudication. (a) For the purposes of this chapter, "nonadjudication" means that the court withholds adjudication of guilt and sentencing, either at the conclusion of a trial on the merits or upon the entry of a plea of guilt by a defendant, and places the defendant in a nonadjudication program conditioned upon the successful completion of the requirements imposed by the court under this subsection.

(b) A person is eligible for nonadjudication of an offense under this Section 63-11-30 only one (1) time under any provision of a law that authorizes nonadjudication and only for an offender:

(i) Who has successfully completed all terms and conditions imposed by the court after placement of the defendant in a nonadjudication program;

(ii) Who was not the holder of a commercial driver's license or a commercial learning permit at the time of the offense;

(iii) Who has not previously been convicted of and does not have pending any former or subsequent charges under this section; and

(iv) Who has provided the court with justification as to why nonadjudication is appropriate.

(c) Nonadjudication may be initiated upon the filing of a petition for nonadjudication or at any stage of the proceedings in the discretion of the court; the court may withhold adjudication of guilt, defer sentencing, and upon the agreement of the offender to participate in a nonadjudication program, enter an order imposing requirements on the offender for a period of court supervision before the order of nonadjudication is entered. Failure to successfully complete a nonadjudication program subjects the person to adjudication of the charges against him and to imposition of all penalties previously withheld due to entrance into a nonadjudication program. The court shall immediately inform the commissioner of the conviction as required in Section 63-11-37.

(i) The court shall order the person to:

1. Pay the nonadjudication fee imposed under Section 63-11-31 if applicable;

2. Pay all fines, penalties and assessments that would have been imposed for conviction;

3. Attend and complete an alcohol safety education program as provided in Section 63-11-32 within six (6) months of the date of the order;

4. a. If the court determines that the person violated this section with respect to alcohol or intoxicating liquor, the person must install an ignition-interlock device on every motor vehicle operated by the person, obtain an interlock-restricted license, and maintain that license for one hundred twenty (120) days or suffer a one-hundred-twenty-day suspension of the person's regular driver's license, during which time the person must not operate any vehicle.

b. If the court determines that the person violated this section by operating a vehicle when under the influence of a substance other than alcohol that has impaired the person's ability to operate a motor vehicle, including any drug or controlled substance which is unlawful to possess under the Mississippi Controlled Substances Law, the person must submit to a one-hundred-twenty-day period of a nonadjudication program that includes court-ordered drug testing at the person's own expense not less often than every thirty (30) days, during which time the person may drive if compliant with the terms of the program, or suffer a one-hundred-twenty-day suspension of the person's regular driver's license, during which time the person will not operate any vehicle.

(ii) Other conditions that may be imposed by the court include, but are not limited to, alcohol or drug screening, or both, proof that the person has not committed any other traffic violations while under court supervision, proof of immobilization or impoundment of vehicles owned by the offender if required, and attendance at a victim-impact panel.

(d) The court may enter an order of nonadjudication only if the court finds, after a hearing or after ex parte examination of reliable documentation of compliance, that the offender has successfully completed all conditions imposed by law

and previous orders of the court. The court shall retain jurisdiction over cases involving nonadjudication for a period of not more than two (2) years.

(e) (i) The clerk shall immediately forward a record of every person placed in a nonadjudication program and of every nonadjudication order to the Department of Public Safety for inclusion in the permanent confidential registry of all cases that are nonadjudicated under this subsection (14).

(ii) Judges, clerks and prosecutors involved in the trial of implied consent violations and law enforcement officers involved in the issuance of citations for implied consent violations shall have secure online access to the confidential registry for the purpose of determining whether a person has previously been the subject of a nonadjudicated case and 1. is therefore ineligible for another nonadjudication; 2. is ineligible as a first offender for a violation of this section; or 3. is ineligible for expunction of a conviction of a violation of this section.

(iii) The Driver Services Bureau of the department shall have access to the confidential registry for the purpose of determining whether a person is eligible for a form of license not restricted to operating a vehicle equipped with an ignition-interlock device.

(iv) The Mississippi Alcohol Safety Education Program shall have secure online access to the confidential registry for research purposes only.

(15) The provisions of this section are fully applicable to any person who is under the influence of medical cannabis that is lawful under the Mississippi Medical Cannabis Act and in compliance with rules and regulations adopted thereunder which has impaired the person's ability to operate a motor vehicle.

SECTION 3. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTIONS 63-11-23 AND 63-11-30, MISSISSIPPI CODE OF 1972, TO PROVIDE A TIMELINE FOR THE 120-DAY SUSPENSION FOR DUI VIOLATIONS TO PROVIDE AN AGGRAVATED DUI PENALTY FOR PERSONS WHO ARE UNDER THE LEGAL AGE FOR PURCHASING ALCOHOLIC BEVERAGES; AND FOR RELATED PURPOSES.

H. B. No. 1253: Post-conviction collateral relief; require certain petitioners to obtain Supreme Court permission before filing in trial court.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1253: Post-conviction collateral relief; require certain petitioners to obtain Supreme Court permission before filing in trial court.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 99-39-7, Mississippi Code of 1972, is amended as follows:

99-39-7. (1) The motion under this article shall be filed as an original civil action in the trial court, except in cases in which:

(a) The petitioner's conviction and sentence have been appealed to the Supreme Court of Mississippi and there affirmed or the appeal dismissed;

(b) The denial of a previous post-conviction motion filed by the petitioner has been appealed to the Supreme Court of Mississippi and there affirmed or the appeal dismissed; or

(c) More than three (3) years after the time for taking an appeal from the judgment or conviction have elapsed.

(2) Where the conviction and sentence have been affirmed on appeal or the appeal has been dismissed, where the denial of a previous post-conviction motion filed by the petitioner has been appealed to the Supreme Court of Mississippi and there affirmed or the appeal dismissed, or where more than three (3) years after the time for taking an appeal from the judgment or conviction have elapsed, the motion under this article shall not be filed in the trial court until the motion shall have first been presented to a quorum of the Justices of the Supreme Court of Mississippi, convened for * * * that purpose either in termtime or in vacation, and an order granted allowing the filing of such motion in the trial court. The procedure governing applications to the Supreme Court for leave to file a motion under this article shall be as provided in Section 99-39-27.

SECTION 2. Section 21-23-8, Mississippi Code of 1972, is amended as follows:

21-23-8. (1) (a) The purpose of bail is to guarantee appearance and a bail bond shall not be forfeited for any other reason.

(b) (i) If a defendant in any criminal case, proceeding or matter fails to appear for any proceeding as ordered by the municipal court, then the court shall order the bail forfeited and a judgment nisi and a bench warrant issued at the time of nonappearance. The clerk of the municipal court shall notify the surety of the forfeiture by writ of scire facias, with a copy of the judgment nisi and bench warrant attached thereto, within ten (10) working days of such order of judgment nisi either by personal service or by certified mail. Failure * * * to provide the required notice within ten (10) working days shall constitute prima facie evidence that the order * * * shall be set aside, and the clerk shall present a set-aside order on behalf of the surety to the court. All felony warrants issued by a court for nonappearance shall be put on the National Crime

Information Center (NCIC) index with no restrictions until the defendant is returned to custody.

(ii) 1. The judgment nisi shall be returnable for ninety (90) days from the date of issuance. If during that period the defendant appears before the municipal court, or is arrested and surrendered, then the judgment nisi shall be set aside. If the surety produces the defendant or provides to the municipal court reasonable mitigating circumstances upon such showing, then the forfeiture shall not be made final. If the forfeiture is made final, a copy of the final judgment shall be served on the surety within ten (10) working days by either personal service or certified mail.

2. Reasonable mitigating circumstances shall be that the defendant is incarcerated in another jurisdiction; that the defendant is hospitalized under a doctor's care; that the defendant is in a recognized drug rehabilitation program; that the defendant has been placed in a witness protection program, in which case it shall be the duty of any agency placing the defendant into a witness protection program to notify the municipal court and the municipal court to notify the surety; or any other reason justifiable to the municipal court.

(2) (a) If a final judgment is entered against a surety licensed by the Department of Insurance and has not been set aside after ninety (90) days, or later if such time is extended by the municipal court issuing the judgment nisi, then the municipal court shall order the department to revoke the authority of the surety to write bail bonds. The Commissioner of Insurance shall, upon notice of the municipal court, notify the surety within five (5) working days of receipt of the order of revocation. If after * * * twenty (20) working days of the notification the revocation order has not been set aside by the municipal court, then the commissioner shall revoke the authority of the surety and all agents of the surety and shall notify the sheriff of every county of such revocation.

(b) Before the revocation authorized in paragraph (a) of this subsection, the surety may submit proof to the department that the defendant has been surrendered to the appropriate authorities or that the bond has been paid directly to the court or other proper authorities, such proof to include, but not be limited to:

- (i) A receipt of payment to the bond;
- (ii) A surrender certificate; or
- (iii) A notice of surrender from the proper authorities,

including foreign jurisdictions.

(3) If within eighteen (18) months of the date of the final forfeiture the defendant appears for municipal court, is arrested or surrendered to the municipal court, or if the defendant is found to be incarcerated in another jurisdiction and a hold order placed on the defendant, then the amount of bail, less reasonable extradition cost, excluding attorney fees, shall be refunded by the municipal court upon application by the surety.

(4) (a) The municipal judge shall set the amount of bail for persons charged with offenses in municipal court and may approve the bond or recognizance therefor.

(b) The court shall not set the financial conditions of bail solely for the purpose of detaining the defendant. When bail is set, it is presumed that the amount of bail is both necessary to reasonably assure the safety of a victim, witness or the general public and to guarantee the appearance of a defendant as required by the court. The amount of bail is also presumed to be attainable by the defendant. The presumption that bail is attainable by the defendant may be rebutted by the defendant who may file a motion to reduce or set aside the bail requirement with the court due to lack of financial means, which shall also consider the availability of a third-party support system to obtain the defendant's release. The court shall rule on any such motion within forty-eight (48) hours of the filing.

(c) If the defendant or his counsel asserts that the defendant is indigent and cannot afford the amount of bail, the municipal judge shall make a determination of whether the defendant can be released on recognizance, based on the standards enumerated in the Mississippi Rules of Criminal Procedure and any other factors considered relevant by the municipal judge. No misdemeanor defendant shall be incarcerated solely because the defendant cannot afford to post bail; nor shall a misdemeanor defendant be released solely because the defendant cannot afford bail.

It is the duty of the municipal judge to ensure that release of the defendant does not jeopardize the community.

(d) The accused may waive an appearance before the judge and execute an appearance bond in an amount determined by the court from the bond guidelines set out in the Mississippi Rules of Criminal Procedure and agree to appear at a specified time and place.

(e) If the municipal judge is unavailable and has not provided a bail schedule or otherwise provided for the setting of bail, it is lawful for any officer or officers designated by order of the municipal judge to take bond, cash, property or recognizance, with or without sureties, in the amount of the minimum bail specified in the bond guidelines set out in the Mississippi Rules of Criminal Procedure, payable to the municipality and conditioned for the appearance of the person on the return day and time of the writ before the court to which the warrant is returnable, or in cases of arrest without a warrant, on the day and time set by the court or officer for arraignment, and there remain from day to day and term to term until discharged.

(f) In circumstances involving an offense against any of the following: (i) a current or former spouse of the accused or child of that person; (ii) a person living as a spouse or who formerly lived as a spouse with the accused or a child of that person; (iii) a parent, grandparent, child, grandchild or someone similarly situated to the accused; (iv) a person who has a current or former dating relationship with the accused; or (v) a person with whom the accused has had a biological or legally adopted child, the municipal judge shall check, or cause to be made a check of the status of the person for whom recognizance or bond is taken before ordering bail in the Mississippi Protection Order Registry authorized under Section 93-21-25, and the existence of a domestic abuse protection order against the accused shall be considered when determining appropriate bail.

(g) All bonds shall be promptly returned to the court, together with any cash deposited, and be filed and proceeded on by the court in a case of forfeiture. The chief of the municipal police or a police officer or officers designated by order of the municipal judge may approve bonds or recognizances.

(h) All bonds and recognizances in municipal court where the municipal court shall have the jurisdiction to hear and determine the case may be made payable to the municipality and shall have the effect to bind the principal and any sureties on the bond or recognizance until they shall be discharged by due course of law without renewal.

SECTION 3. Section 83-39-7, Mississippi Code of 1972, is amended as follows:

83-39-7. (1) (a) Each applicant for a professional bail agent license who acts as personal surety shall be required to post a qualification bond in the amount of Thirty Thousand Dollars (\$30,000.00).

(b) The Insurance Department shall submit a report to the Senate and House of Representatives Committees on Accountability, Efficiency and Transparency that details the amount of all bonds or undertakings that each bail bondsman has written in this state on which the bail bondsman is absolutely or conditionally liable since the Bail Bond Database was established by the department. The report shall be submitted on or before December 1, 2017. The report shall also include the number of bail bondsmen who have failed to comply with the database reporting requirements, if any, the technical issues that may have occurred since the database was established and any suggested legislation to ensure each bail bondsman's continued compliance with the database reporting requirements.

(2) The qualification bond shall be made by depositing with the commissioner the aforesaid amount of bonds of the United States, the State of Mississippi or any agency or subdivision thereof, or a certificate of deposit issued by an institution whose deposits are insured by the Federal Deposit Insurance Corporation and made payable jointly to the owner and the Department of Insurance, or shall be written by an insurer as defined in this chapter, shall meet the specifications as may be required and defined in this chapter, and shall meet such specifications as may be required and approved by the department. The bond shall be conditioned upon the full and prompt payment of any bail bond issued by such professional bail agent into the court ordering the bond

forfeited. The bond shall be to the people of the State of Mississippi in favor of any court of this state, whether municipal, justice, county, circuit, Supreme or other court.

(3) (a) If any bond issued by a professional bail agent is declared forfeited and judgment entered thereon by a court of proper jurisdiction as authorized in Section 99-5-25, and the amount of the bond is not paid within ninety (90) days, that court shall order the department to declare the qualification bond of the professional bail agent to be forfeited and the license revoked. If the bond was not forfeited correctly under Section 99-5-25, it shall be returned to the court as uncollectible. The department shall then order the surety on the qualification bond to deposit with the court an amount equal to the amount of the bond issued by the professional bail agent and declared forfeited by the court, or the amount of the qualification bond, whichever is the smaller amount. The department shall, after a hearing held upon not less than * * * twenty (20) days' written notice, suspend the license of the professional bail agent until such time as another qualification bond in the required amount is posted with the department. The revocation of the license of the professional bail agent shall also serve to revoke the license of each soliciting bail agent and bail enforcement agent employed or used by such professional bail agent. In the event of a final judgment of forfeiture of any bail bond written under the provisions of this chapter, the amount of money so forfeited by the final judgment of the proper court, less all accrued court costs and excluding any interest charges or attorney's fees, shall be refunded to the bail agent or his insurance company upon proper showing to the court as to which is entitled to same, provided the defendant in such cases is returned to the sheriff of the county to which the original bail bond was returnable within eighteen (18) months of the date of such final judgment, or proof made of incarceration of the defendant in another jurisdiction, and that a "Hold Order" has been placed upon the defendant for return of the defendant to the sheriff upon release from the other jurisdiction, the return to the sheriff to be the responsibility of the professional bail agent, then the bond forfeiture shall be stayed and remission made upon petition to the court, in the amount found in the court's discretion to be just and proper. A bail agent licensed under this chapter shall have a right to apply for and obtain from the proper court an extension of time delaying a final judgment of forfeiture if such bail agent can satisfactorily establish to the court wherein such forfeiture is pending that the defendant named in the bail bond is lawfully in custody outside of the State of Mississippi.

(b) Before the revocation authorized in paragraph (a) of this subsection, the surety may submit proof to the department that the defendant has been surrendered to the appropriate authorities or that the bond has been paid directly to the court or other proper authorities, such proof to include, but not be limited to:

- (i) A receipt of payment to the bond;
- (ii) A surrender certificate; or
- (iii) A notice of surrender from the proper authorities,

including foreign jurisdictions.

(4) The qualification bond may be released by the department to the professional bail personal surety agent upon an order to release the qualification bond issued by a court of competent jurisdiction, or upon written request to the department by the professional bail personal surety agent no earlier than five (5) years after the expiration date of his last license.

SECTION 4. Section 99-5-25, Mississippi Code of 1972, is amended as follows:

99-5-25. (1) (a) The purpose of bail is to guarantee appearance and a bail bond shall not be forfeited for any other reason.

(b) If a defendant in any criminal case, proceeding or matter fails to appear for any proceeding as ordered by the court, then the court shall order the bail forfeited and a judgment nisi and a bench warrant issued at the time of nonappearance. The clerk of the court shall notify the surety of the forfeiture by writ of scire facias, with a copy of the judgment nisi and bench warrant attached thereto, within ten (10) working days of such order of judgment nisi either by personal service or by certified mail. Failure * * * to provide the required notice within ten (10) working days shall constitute prima facie evidence that the order * * * shall be set aside, and the clerk shall present a set-aside order on behalf of the surety to the court. * * * All felony warrants issued by a

court for nonappearance shall be put on the National Crime Information Center (NCIC) index with no restrictions until the defendant is returned to custody.

(c) The judgment nisi shall be returnable for ninety (90) days from the date of issuance. If during such period the defendant appears before the court, or is arrested and surrendered, then the judgment nisi shall be set aside and a copy of the judgment that is set aside shall be served on the surety by personal service or certified mail. If the surety produces the defendant or provides to the court reasonable mitigating circumstances upon such showing, then the forfeiture shall not be made final. If the forfeiture is made final, a copy of the final judgment shall be served on the surety within ten (10) working days by either personal service or certified mail. Reasonable mitigating circumstances shall be that the defendant is incarcerated in another jurisdiction, that the defendant is hospitalized under a doctor's care, that the defendant is in a recognized drug rehabilitation program, that the defendant has been placed in a witness protection program and it shall be the duty of any such agency placing such defendant into a witness protection program to notify the court and the court to notify the surety, or any other reason justifiable to the court.

(d) Execution upon the final judgment shall be automatically stayed for ninety (90) days from the date of entry of the final judgment. If, at any time before execution of the final judgment, the defendant appears in court either voluntarily or in custody after surrender or arrest, the court shall on its own motion direct that the forfeiture be set aside and the bond exonerated as of the date the defendant first appeared in court.

(2) (a) If a final judgment is entered against a surety licensed by the Department of Insurance and has not been set aside after ninety (90) days, or later if such time is extended by the court issuing the judgment nisi, then the court shall order the department to revoke the authority of the surety to write bail bonds. The commissioner shall, upon notice of the court, notify the surety within five (5) working days of receipt of revocation. If after * * * twenty (20) working days of such notification the revocation order has not been set aside by the court, then the commissioner shall revoke the authority of the surety and all agents of the surety and shall notify the sheriff of every county of such revocation.

(b) Before the revocation authorized in paragraph (a) of this subsection, the surety may submit proof to the department that the defendant has been surrendered to the appropriate authorities or that the bond has been paid directly to the court or other proper authorities, such proof to include, but not be limited to:

- (i) A receipt of payment to the bond;
- (ii) A surrender certificate; or
- (iii) A notice of surrender from the proper authorities,

including foreign jurisdictions.

(3) If within eighteen (18) months of the date of the final forfeiture the defendant appears for court, is arrested or surrendered to the court, or if the defendant is found to be incarcerated in another jurisdiction and a hold order placed on the defendant, then the amount of bail, less reasonable extradition cost, excluding attorney fees, shall be refunded by the court upon application by the surety.

SECTION 5. Section 99-39-5, Mississippi Code of 1972, is amended as follows:

99-39-5. (1) Any person sentenced by a court of record of the State of Mississippi, including a person currently incarcerated, civilly committed, on parole or probation or subject to sex offender registration for the period of the registration or for the first five (5) years of the registration, whichever is the shorter period, may file a motion to vacate, set aside or correct the judgment or sentence, a motion to request forensic DNA testing of biological evidence, or a motion for an out-of-time appeal if the person claims:

- (a) That the conviction or the sentence was imposed in violation of the Constitution of the United States or the Constitution or laws of Mississippi;
- (b) That the trial court was without jurisdiction to impose sentence;
- (c) That the statute under which the conviction and/or sentence was obtained is unconstitutional;
- (d) That the sentence exceeds the maximum authorized by law;

(e) That there exists evidence of material facts, not previously presented and heard, that requires vacation of the conviction or sentence in the interest of justice;

(f) That there exists biological evidence secured in relation to the investigation or prosecution attendant to the petitioner's conviction not tested, or, if previously tested, that can be subjected to additional DNA testing, that would provide a reasonable likelihood of more probative results, and that testing would demonstrate by reasonable probability that the petitioner would not have been convicted or would have received a lesser sentence if favorable results had been obtained through such forensic DNA testing at the time of the original prosecution * * *;

(g) That his plea was made involuntarily;

(h) That his sentence has expired; his probation, parole or conditional release unlawfully revoked; or he is otherwise unlawfully held in custody;

(i) That he is entitled to an out-of-time appeal; or

(j) That the conviction or sentence is otherwise subject to collateral attack upon any grounds of alleged error heretofore available under any common law, statutory or other writ, motion, petition, proceeding or remedy.

(2) A motion for relief under this article shall be made within three (3) years after the time in which the petitioner's direct appeal is ruled upon by the Supreme Court of Mississippi or, in case no appeal is taken, within three (3) years after the time for taking an appeal from the judgment of conviction or sentence has expired, or in case of a guilty plea, within three (3) years after entry of the judgment of conviction. Excepted from this three-year statute of limitations are those cases in which the petitioner can demonstrate either:

(a) (i) That there has been an intervening decision of the Supreme Court of either the State of Mississippi or the United States which would have actually adversely affected the outcome of his or her conviction or sentence, and any motion filed under this subparagraph shall be made within three (3) years of issuance of the mandate in the intervening case;

(ii) * * * That he or she has evidence, not reasonably discoverable at the time of trial, which is of such nature that it would be practically conclusive that had such been introduced at trial it would have caused a different result in the conviction or sentence, and any motion filed under this subparagraph shall be made within three (3) years from the date on which the basis for the exception could have been discovered through the exercise of due diligence; or

(* * *b) That, even if the petitioner * * * pleaded guilty or nolo contendere, or confessed or admitted to a crime, there exists biological evidence not tested, or, if previously tested, that can be subjected to additional DNA testing that would provide a reasonable likelihood of more probative results, and that testing would demonstrate by reasonable probability that the petitioner would not have been convicted or would have received a lesser sentence if favorable results had been obtained through such forensic DNA testing at the time of the original prosecution * * *;

(* * *c) * * * That the petitioner claims that his sentence has expired or his probation, parole or conditional release has been unlawfully revoked * * *;

(* * *d) Likewise excepted are filings for post-conviction relief in capital cases which shall be made within one (1) year after conviction * * *;

(e) That the petition claims that his conviction or sentence violates his or her (1) right against double jeopardy; (2) right to be free from an illegal sentence; (3) right to due process at sentencing; and (4) right not to be subject to ex post facto laws.

(3) This motion is not a substitute for, nor does it affect, any remedy incident to the proceeding in the trial court, or direct review of the conviction or sentence.

(4) Proceedings under this article shall be subject to the provisions of Section 99-19-42.

(5) The ineffectiveness or incompetence of counsel during state collateral post-conviction proceedings shall not be a ground for relief in a proceeding arising under this article.

(* * *6) For the purposes of this article:

(a) "Biological evidence" means the contents of a sexual assault examination kit and any item that contains blood, semen, hair, saliva, skin tissue, fingernail scrapings, bone, bodily fluids or other identifiable biological material that was collected as part of the criminal investigation or may reasonably be used to incriminate or exculpate any person for the offense. This definition applies whether that material is catalogued separately, such as on a slide, swab or in a test tube, or is present on other evidence, including, but not limited to, clothing, ligatures, bedding or other household material, drinking cups, cigarettes or other items * * *.

(b) "DNA" means deoxyribonucleic acid.

SECTION 6. Section 99-39-27, Mississippi Code of 1972, is amended as follows:

99-39-27. (1) The application for leave to proceed in the trial court filed with the Supreme Court under Section 99-39-7 shall name the State of Mississippi as the respondent.

(2) The application shall contain the original and two (2) executed copies of the motion proposed to be filed in the trial court together with such other supporting pleadings and documentation as the Supreme Court by rule may require.

(3) The prisoner shall serve an executed copy of the application upon the Attorney General simultaneously with the filing of the application with the court.

(4) The original motion, together with all files, records, transcripts and correspondence relating to the judgment under attack, shall promptly be examined by the court.

(5) Unless it appears from the face of the application, motion, exhibits and the prior record that the claims presented by those documents are not procedurally barred under Section 99-39-21 and that they further present a substantial showing of the denial of a state or federal right, the court shall by appropriate order deny the application. The court may, in its discretion, require the Attorney General upon sufficient notice to respond to the application.

(6) The court, upon satisfaction of the standards set forth in this article, is empowered to grant the application.

(7) In granting the application the court, in its discretion, may:

(a) Where sufficient facts exist from the face of the application, motion, exhibits, the prior record and the state's response, together with any exhibits submitted with those documents, or upon stipulation of the parties, grant or deny any or all relief requested in the attached motion.

(b) Allow the filing of the motion in the trial court for further proceedings under Sections 99-39-13 through 99-39-23.

(8) No application or relief shall be granted without the Attorney General being given at least five (5) days to respond.

(9) The dismissal or denial of an application under this section is a final judgment and shall be a bar to a second or successive application under this article. Excepted from this prohibition is an application filed under Section 99-19-57(2), raising the issue of the offender's supervening mental illness before the execution of a sentence of death. A dismissal or denial of an application relating to mental illness under Section 99-19-57(2) shall be res judicata on the issue and shall likewise bar any second or successive applications on the issue. Likewise excepted from this prohibition are those cases in which the prisoner can demonstrate either that there has been an intervening decision of the Supreme Court of either the State of Mississippi or the United States that would have actually adversely affected the outcome of his conviction or sentence * * *, and any motion filed under this exception shall be made within three (3) years of issuance of the mandate in the intervening case. Likewise excepted from this prohibition are those cases in which the prisoner can demonstrate that he has evidence, not reasonably discoverable at the time of trial, that is of such nature that it would be practically conclusive that, if it had been introduced at trial, it would have caused a different result in the conviction or sentence, and any motion filed under this exception shall be made within three (3) years from the date on which the basis for the exception could have been discovered through the exercise of due diligence. Likewise exempted are those cases in which the prisoner claims that his sentence has expired or his probation, parole or conditional release has been unlawfully revoked. Likewise

excepted from this prohibition are those cases in which the prisoner can demonstrate that his or her conviction or sentence violates his or her (a) right against double jeopardy; (b) right to be free from an illegal sentence; (c) right to due process at sentencing; and (d) right not to be subject to ex post facto laws.

(10) Proceedings under this section shall be subject to the provisions of Section 99-19-42.

(11) Post-conviction proceedings in which the defendant is under sentence of death shall be governed by rules established by the Supreme Court as well as the provisions of this section.

(12) The ineffectiveness or incompetence of counsel during state collateral post-conviction proceedings shall not be an exception for relief under this section.

SECTION 7. Section 99-39-23, Mississippi Code of 1972, is amended as follows:

99-39-23. (1) If an evidentiary hearing is required, the judge may appoint counsel for a petitioner who qualifies for the appointment of counsel under Section 99-15-15.

(2) The hearing shall be conducted as promptly as practicable, having regard for the need of counsel for both parties for adequate time for investigation and preparation.

(3) The parties shall be entitled to subpoena witnesses and compel their attendance, including, but not being limited to, subpoenas duces tecum.

(4) The court may receive proof by affidavits, depositions, oral testimony or other evidence and may order the petitioner brought before it for the hearing.

(5) If the court finds in favor of the petitioner, it shall enter an appropriate order with respect to the conviction or sentence under attack, and any supplementary orders as to rearraignment, retrial, custody, bail, discharge, correction of sentence or other matters that may be necessary and proper. The court shall make specific findings of fact, and state expressly its conclusions of law, relating to each issue presented.

(6) The order as provided in subsection (5) of this section or any order dismissing the petitioner's motion or otherwise denying relief under this article is a final judgment and shall be conclusive until reversed. It shall be a bar to a second or successive motion under this article. Excepted from this prohibition is a motion filed under Section 99-19-57(2), raising the issue of the convict's supervening mental illness before the execution of a sentence of death. A dismissal or denial of a motion relating to mental illness under Section 99-19-57(2) shall be res judicata on the issue and shall likewise bar any second or successive motions on the issue. Likewise excepted from this prohibition are those cases in which the petitioner, within the time period under Section 99-39-5(2) can demonstrate either that there has been an intervening decision of the Supreme Court of either the State of Mississippi or the United States which would have actually adversely affected the outcome of his conviction or sentence or that he has evidence, not reasonably discoverable at the time of trial, which is of such nature that it would be practically conclusive that, if it had been introduced at trial, it would have caused a different result in the conviction or sentence. Likewise excepted are those cases in which the petitioner, within the time period under Section 99-39-5(2) claims that his sentence has expired or his probation, parole or conditional release has been unlawfully revoked. Likewise excepted are those cases in which the petitioner has filed a prior petition and has requested DNA testing under this article, provided the petitioner asserts new or different grounds for relief related to DNA testing not previously presented or the availability of more advanced DNA technology. Likewise excepted from this prohibition are those cases in which the prisoner can demonstrate that his or her conviction or sentence violates his or her (a) right against double jeopardy; (b) right to be free from an illegal sentence; (c) right to due process at sentencing; and (d) right not to be subject to ex post facto laws.

(7) No relief shall be granted under this article unless the petitioner proves by a preponderance of the evidence that he is entitled to the relief.

(8) Proceedings under this section shall be subject to the provisions of Section 99-19-42.

(9) In cases resulting in a sentence of death and upon a determination of indigence, appointment of post-conviction counsel shall be made by the Office of Capital

Post-Conviction Counsel upon order entered by the Supreme Court promptly upon announcement of the decision on direct appeal affirming the sentence of death. The order shall direct the trial court to immediately determine indigence and whether the inmate will accept counsel.

(10) The ineffectiveness or incompetence of counsel during State collateral post-conviction proceedings shall not be an exception for relief under this section.

SECTION 8. This act shall take effect and be in force from and after July 1, 2024.

Further, amend by striking the title in its entirety and inserting in lieu thereof the following:

AN ACT TO AMEND SECTION 99-39-7, MISSISSIPPI CODE OF 1972, TO REQUIRE A PERSON SEEKING TO FILE A MOTION FOR POST-CONVICTION COLLATERAL RELIEF TO OBTAIN PERMISSION FROM THE MISSISSIPPI SUPREME COURT BEFORE FILING THE MOTION IN TRIAL COURT IF A DENIAL OF A PREVIOUS POST-CONVICTION MOTION HAS BEEN AFFIRMED ON APPEAL OR MORE THAN THREE YEARS HAVE ELAPSED AFTER THE TIME FOR TAKING AN APPEAL FROM A JUDGMENT OR CONVICTION; TO AMEND SECTIONS 21-23-8, 83-39-7 AND 99-5-25, MISSISSIPPI CODE OF 1972, TO REQUIRE COURT CLERKS TO ACCEPT SET-ASIDE ORDERS ON BEHALF OF A SURETY WHERE THE SURETY WAS NOT PROVIDED WITH NOTICE OF THE DEFENDANT'S FAILURE TO APPEAR IN A CRIMINAL COURT PROCEEDING; TO REQUIRE ALL FELONY WARRANTS ISSUED BY A COURT FOR NONAPPEARANCE PLACED ON THE NATIONAL CRIME INFORMATION CENTER INDEX WITH NO RESTRICTIONS UNTIL THE DEFENDANT IS RETURNED TO CUSTODY; TO EXTEND THE NUMBER OF DAYS BETWEEN THE NOTIFICATION OF REVOCATION OF LICENSE TO A SURETY BY THE DEPARTMENT OF INSURANCE AND THE DAY THE REVOCATION WILL BECOME EFFECTIVE; TO AUTHORIZE A SURETY TO SUBMIT PROOF TO THE DEPARTMENT OF INSURANCE THAT THE DEFENDANT HAS BEEN SURRENDERED TO THE APPROPRIATE AUTHORITIES OR THAT THE BOND HAS BEEN PAID DIRECTLY TO THE COURT OR OTHER PROPER AUTHORITIES BEFORE REVOCATION OF THE SURETY'S LICENSE; AND FOR RELATED PURPOSES.

A portion of the elector's signature extending outside of the box shall not be grounds for rejecting that elector's ballot.

SECTION 4. Section 23-15-639, Mississippi Code of 1972, is amended as follows:

23-15-639. (1) The examination and counting of all absentee ballots shall be conducted as follows:

(a) At the opening of the regular balloting and at the opening of the polls, the resolution board established under Section 23-15-523 and trained in the process of canvassing absentee ballots shall first take the envelopes containing the absentee ballots of such electors from the secure location at the * * * registrar's office, and the name, address and precinct inscribed on each envelope shall be announced by the * * * resolution board.

(b) (i) For absentee ballots that were received by mail, the signature on the application shall then be compared with the signature in the box on the back of the envelope. A portion of the elector's signature extending outside of the box shall not be grounds for rejecting that elector's ballot. If it corresponds and the affidavit, if one is required, is sufficient and the resolution board finds that the applicant is a registered and qualified voter or otherwise qualified to vote, the envelope shall then be opened and the ballot removed from the envelope, without its being unfolded, or permitted to be unfolded or examined.

(ii) For absentee ballots that were cast in person in the registrar's office, the resolution board shall confirm that the voter completed the application on the front of the envelope and signed the elector's certificate in the box on the back of the envelope. If it is signed and the resolution board finds that the applicant is a registered and qualified voter or otherwise qualified to vote, the envelope shall be opened and the absentee ballot removed from the envelope, without its being unfolded, or permitted to be unfolded or examined.

(c) Having observed and found the ballot to be regular as far as can be observed from its official endorsement, the resolution board shall deposit it in the ballot box with the other ballots before counting any ballots and enter the voter's name in the receipt book provided for that purpose. All absentee ballots received prior to 7:00 p.m. the day before the election shall be counted in the registrar's office by the resolution board when the polls close and then added to the votes cast in each precinct. All absentee ballots received after 7:00 p.m. the day before the election but not later than the fifth business day after the election shall be processed by the resolution board.

(2) The resolution board shall also take such action as may be prescribed by the Secretary of State to ensure compliance with the identification requirements of Section 23-15-563.

(3) The resolution board shall process the absentee ballots using the procedure provided in subsection (1) of this section.

SECTION 5. Section 23-15-641, Mississippi Code of 1972, is amended as follows:

23-15-641. (1) For all absentee votes received by mail, if an affidavit or the certificate of the officer before whom the affidavit is taken is required and such affidavit or certificate is found to be insufficient, or if it is found that the signatures do not correspond, or that the applicant is not a duly qualified elector in the precinct, or otherwise qualified to vote, or that the ballot envelope is open or has been opened and resealed, * * * the previously cast vote shall not be allowed. Without opening the voter's envelope the resolution board shall mark across its face "REJECTED", with the reason therefor.

(2) For all absentee votes received by mail, if the ballot envelope contains more than one (1) ballot of any kind, the ballot shall not be counted but shall be marked "REJECTED", with the reason therefor, and the registrar shall promptly notify the voter of such rejection. The voter's envelopes and affidavits, and the voter's envelope with its contents unopened, when such vote is rejected, shall be retained and preserved in the same manner as other ballots at the election. Such votes may be challenged in the same manner and for the same reasons that any other vote cast in such election may be challenged.

(3) If an affidavit is required and the officials find that the affidavit is insufficient, or if the officials find that the absentee voter is otherwise disqualified to vote, the envelope shall not be opened and * * * the resolution board shall write across the face of the envelope "REJECTED" giving the reason therefor, and the registrar shall promptly notify the voter of such rejection.

(4) The ballots marked "REJECTED" shall be placed in a separate envelope in the secure ballot transfer case and delivered to the officials in charge of conducting the election at the central tabulation point of the county.

(5) All electors voting absentee shall be provided with written information to inform the person how to ascertain whether his or her ballot was counted and, if rejected, the reason therefor.

(6) A signature mismatch shall not be grounds for rejecting an absentee ballot that was cast in the registrar's office. A portion of the elector's signature extending outside of the box shall not be grounds for rejecting that elector's ballot.

SECTION 6. Section 23-15-715, Mississippi Code of 1972, is amended as follows:

23-15-715. Any elector desiring an absentee ballot as provided in this subarticle may secure same if:

Then the absentee ballot shall be mailed by the * * * registrar to the elector as soon as the ballot has been printed.

(b) Within forty-five (45) days next prior to any election, any elector who cannot comply with paragraph (a) of this section by reason of temporarily residing outside the county, or any person who has a temporary or permanent physical disability, persons who are sixty-five (65) years of age or older, any person who is incarcerated in prison or jail in the county where the person is registered to vote and has not been convicted of a disenfranchising crime, or any person who is the parent, spouse or dependent of a temporarily or permanently physically disabled person who is hospitalized outside of his or her county of residence or more than fifty (50) miles away from his or her residence and such parent, spouse or dependent will be with such person on election day, may make application for an absentee ballot by mailing the appropriate application to the registrar. Only persons temporarily residing out of the county of their residence, persons having a temporary or permanent physical disability, persons who are sixty-five (65) years of age or older, any person who is incarcerated in prison or jail in the county where the person is registered to vote and has not been convicted of a disenfranchising crime, or any person who is the parent, spouse or dependent of a temporarily or permanently physically disabled person who is hospitalized outside of his or her county of residence or more than fifty (50) miles away from his or her residence, and such parent, spouse or dependent will be with such person on election day, may obtain absentee ballots by mail under the provisions of this subsection and as provided by Section 23-15-713. Applications of persons temporarily residing outside the county shall be sworn to and subscribed before an official who is authorized to administer oaths or other official authorized to witness absentee balloting as provided in this chapter, said application to be accompanied by such verifying affidavits as required by this chapter. The applications of persons having a temporary or permanent physical disability shall not be required to be accompanied by an affidavit but shall be witnessed and signed by a person eighteen (18) years of age or older. The registrar shall send to such absent voter a proper absentee voter ballot within twenty-four (24) hours, or as soon thereafter as the ballots are available, containing the names of all candidates who qualify or the proposition to be voted on in such election,

and with such ballot there shall be sent an official envelope containing upon it in printed form the recitals and data hereinafter required.

(c) Except when the voter has requested a runoff ballot on the initial absentee ballot application, upon request for a runoff ballot pursuant to Section 23-15-719, the registrar shall mail together the absentee ballot application and the absentee ballot to the absent voter for the runoff election.

SECTION 7. Section 23-15-719, Mississippi Code of 1972, is amended as follows:

The registrar shall include with the absentee ballot an official envelope that complies with the provisions of * * * Section 23-15-635, as well as information to comply with Section 23-15-641(3) related to the status of the elector's ballot.

(2) When an absentee voter appears before the registrar to vote, the registrar shall identify the applicant by requiring him or her to present identification as required by Section 23-15-563, and shall then deliver the * * * ballot to the applicant in the registrar's office. * * * After the applicant has properly marked the ballot and properly folded it, he or she shall deposit it in the envelope furnished to him or her by the registrar.

After the absentee voter has sealed the envelope, he or she shall ensure the absentee application on the front of the envelope is complete and shall subscribe and swear to an affidavit * * *. The affidavit shall be in the following form, which shall be printed on the back of the envelope containing the applicant's ballot:

A portion of the voter's signature extending outside of the box shall not be grounds for rejecting that voter's ballot.

(5) The registrar shall not personally hand deliver ballots to voters, except to those who personally appear in the registrar's office to absentee vote.

SECTION 8. Section 23-15-625, Mississippi Code of 1972, is amended as follows:

23-15-625. (1) The registrar shall be responsible for providing applications for absentee voting as provided in this section. At least sixty (60) days before any election in which absentee voting is provided for by law, the registrar shall provide a sufficient number of applications. In the event a special election is called and set at a date which makes it impractical or impossible to prepare applications for absent elector's ballot sixty (60) days before the election, the registrar shall provide applications as soon as practicable after the election is called. The registrar shall fill in the date of the particular election on the application for which the application will be used. For voters appearing in person to cast an absentee vote, the application and elector certificate shall be printed on the absentee ballot envelope as provided in Section 1 of this act.

(2) The registrar shall be authorized to disburse applications for absentee ballots to any qualified elector within the county where he or she serves. Any person who presents to the registrar an oral or written request for an absentee ballot application for a voter entitled to vote absentee by mail, other than the elector who seeks to vote by absentee ballot, shall, in the presence of the registrar, sign the application and print on the application his or her name and address and the name of the elector for whom the application is being requested in the place provided for on the application for that purpose. However, if for any reason such person is unable to write the information required, then the registrar shall write the information on a printed form which has been prescribed by the Secretary of State. The form shall provide a place for such person to place his or her mark after the form has been filled out by the registrar.

(3) It shall be unlawful for any person to solicit absentee ballot applications or absentee ballots for persons staying in any skilled nursing facility as defined in Section 41-7-173 unless the person soliciting the absentee ballot applications or absentee ballots is:

(b) A person designated by the person for whom the absentee ballot application or absentee ballot is sought, the registrar or the deputy registrar.

As used in this subsection, "family member" means a spouse, parent, grandparent, sibling, adult child, grandchild or legal guardian.

(4) The registrar in the county wherein a voter is qualified to vote upon receiving by mail the envelope containing the absentee ballots shall keep an accurate list of all persons preparing such ballots. The list shall be kept in a conspicuous place accessible to the public near the entrance to the registrar's office. The registrar shall also furnish to each precinct manager a list of the names of all persons in each respective precinct voting absentee by mail and in person to be posted in a conspicuous place at the polling place for public notice. The application on file with the registrar and the envelopes containing the ballots that voters mailed to the registrar shall be kept by the registrar in his or her office in a secure location. At the time such boxes are delivered to the election commissioners or managers, the registrar shall also turn over a list of all such persons who have voted and whose mailed ballots are in the registrar's office.

(5) The registrar shall also be authorized to mail one (1) application to any qualified elector of the county, who is eligible to vote by absentee ballot, for use in a particular election.

(6) The registrar shall process all applications for absentee ballots by using the Statewide Election Management System. The registrar shall account for all absentee ballots delivered to and received by mail as well as those who voted absentee in person from qualified voters by processing such ballots using the Statewide Election Management System.

SECTION 9. Section 23-15-627, Mississippi Code of 1972, is amended as follows:

23-15-627. (1) Any elector described in Section 23-15-713 may request an absentee ballot application and vote in person at the office of the registrar in the county in which he or she resides. The registrar shall be responsible for furnishing an absentee ballot application form to any elector authorized to receive an absentee ballot. Such form shall be printed on the absentee ballot envelope as provided in Section 1 of this act. SECTION 10. Section 23-15-631, Mississippi Code of 1972, is amended as follows:

23-15-631. (1) The registrar shall enclose with each ballot mailed to an absent elector separate printed instructions furnished by the registrar containing the following:

(a) All absentee voters, excepting those with temporary or permanent physical disabilities or those who are sixty-five (65) years of age or older, who mark their ballots in the county of the residence shall use the registrar of that county as the witness. The absentee voter shall come to the office of the registrar and neither the registrar nor his or her deputy shall be required to go out of the registrar's office to serve as an attesting witness.

(b) Upon receipt of the enclosed ballot, you will not mark the ballot except in view or sight of the attesting witness. In the sight or view of the attesting witness, mark the ballot according to instructions.

(c) After marking the ballot, fill out and sign the "ELECTOR'S CERTIFICATE" in the box on the back of the envelope so that the signature is across the flap of the envelope to ensure the integrity of the ballot. All absent electors shall have the attesting witness sign the "ATTESTING WITNESS CERTIFICATE" in the box across the flap on the back of the envelope. A portion of the elector's signature extending outside of the box shall not be grounds for rejecting that elector's ballot. Place the necessary postage on the envelope and deposit it in the post office or some government receptacle provided for the deposit of mail so that the absent elector's ballot will be postmarked on or before the date of the election and received by the registrar no more than five (5) business days after the election. The ballot may only be transmitted by the United States Postal Service or other common carriers, including, but not limited to, United Parcel Service or FedEx Corporation.

Any notary public, United States postmaster, assistant United States postmaster, United States postal supervisor, clerk in charge of a contract postal station, or other officer having authority to administer an oath or take an acknowledgment may be an attesting witness; provided, however, that in the case of an absent elector who is temporarily or permanently physically disabled, the attesting witness may be any person eighteen (18) years of age or older and such person is not required to have the authority to administer an oath. If a postmaster, assistant postmaster, postal supervisor, or clerk in charge of a contract postal station acts as an attesting witness, his or her signature in a box on the elector's certificate must be authenticated by the cancellation stamp of their respective post offices. If an officer having authority to administer an oath or take an * * * acknowledgment acts as attesting witness, his or her signature in a box on the elector's certificate, together with his or her title and address, but no seal, shall be required. A portion of the elector's signature extending outside of the box shall not be grounds for rejecting that elector's ballot. Any affidavits made by an absent elector who is in the Armed Forces may be executed before a commissioned officer, warrant officer, or noncommissioned officer not lower in grade than sergeant rating or any person authorized to administer oaths.

(d) When the application accompanies the ballot it shall not be returned in the same envelope as the ballot but shall be returned in a separate pre-addressed envelope provided by the registrar.

(e) A candidate for public office, or the spouse, parent or child of a candidate for public office, may not be an attesting witness for any absentee ballot upon which the candidate's name appears, unless the voter is related within the first degree to the candidate or the spouse, parent or child of the candidate.

(f) Any voter casting an absentee ballot who declares that he or she requires assistance to vote by reason of blindness, temporary or permanent physical disability or inability to read or write, shall be entitled to receive assistance in the marking of his or her absentee ballot and in completing the affidavit on the absentee

ballot envelope. The voter may be given assistance by anyone of the voter's choice other than a candidate whose name appears on the absentee ballot being marked, the spouse, parent or child of a candidate whose name appears on the absentee ballot being marked or the voter's employer, an agent of that employer or a union representative; however, a candidate whose name is on the ballot or the spouse, parent or child of such candidate may provide assistance upon request to any voter who is related within the first degree. In order to ensure the integrity of the ballot, any person who provides assistance to an absentee voter shall be required to sign and complete the "Certificate of Person Providing Voter Assistance" on the absentee ballot envelope.

(2) The foregoing instructions required to be provided by the registrar to the elector shall also constitute the substantive law pertaining to the handling of absentee ballots by the elector and registrar.

(3) The Secretary of State shall prepare instructions on how absent voters may comply with the identification requirements of Section 23-15-563.

SECTION 11. Section 23-15-713, Mississippi Code of 1972, is amended as follows:

(b) Any qualified elector who is required to be away from his or her place of residence on any election day due to his or her employment as an employee of a member of the Mississippi congressional delegation and the spouse and dependents of such person if he or she shall be residing with such absentee voter away from the county of the spouse's voting residence.

(c) Any qualified elector who is away from his or her county of residence on election day for any reason.

(d) Any person who has a temporary or permanent physical disability and who, because of such disability, is unable to vote in person without substantial hardship to himself, herself or others, or whose attendance at the voting place could reasonably cause danger to himself, herself or others. * * *

(e) The parent, spouse or dependent of a person with a temporary or permanent physical disability who is hospitalized outside of his or her county of residence or more than fifty (50) miles distant from his or her residence, if the parent, spouse or dependent will be with such person on election day. * * *

(f) Any person who is sixty-five (65) years of age or older.

(g) Any member of the Mississippi congressional delegation absent from Mississippi on election day, and the spouse and dependents of such member of the congressional delegation.

(h) Any qualified elector who will be unable to vote in person because he or she is required to be at work on election day during the times * * * when the polls will be open or any qualified elector who will be required to be on-call on election day during the times when the polls will be open.

(i) Any qualified elector who is incarcerated in prison or jail in the county where he or she is registered to vote and has not been convicted of a disenfranchising crime.

(b) All ballots cast by the absent elector appearing in person in the office of the registrar shall be cast with an absentee paper ballot and deposited into a sealed ballot box by the voter, not later than 12:00 noon * * * on the Saturday immediately preceding elections held on Tuesday, the Thursday immediately preceding elections held on Saturday, or the second day immediately preceding the date of elections held on other days. At the close of business each day at the office of the registrar, the ballot box used shall be sealed and not unsealed until the beginning of the next business day, and the seal number shall be recorded with the number of ballots cast which shall be stored in a secure location in the registrar's office.

(2) The registrar shall deposit all absentee ballots which have been timely cast and received by mail in a secured and sealed box in a designated location in the registrar's office upon receipt. The registrar shall not send any absentee ballots to the precinct polling locations.

(3) The Secretary of State shall promulgate rules and regulations necessary to ensure that when a qualified elector who is qualified to vote absentee votes by absentee ballot, either by mail or in person with a regular paper ballot, that person's absentee vote is final and he or she may not vote at the polling place on election day. Notwithstanding any other provisions of law to the contrary, the Secretary of State shall promulgate rules and regulations necessary to ensure that absentee ballots shall remain in the registrar's office for counting and not be taken to the precincts on election day.

SECTION 13. Section 23-15-721, Mississippi Code of 1972, is amended as follows:

23-15-721. The elector shall exhibit to such official his or her absentee ballot unmarked and thereupon proceed in secret to fill in the ballot. After the elector has properly marked the ballot and properly folded it, he or she shall deposit it in the envelope furnished to him or her. After the elector has sealed the envelope he or she shall deliver it to the official before whom he or she is appearing and shall subscribe and swear to the elector's certificate provided for in Section 23-15-635, which affidavit shall be printed on the back of the envelope as provided for in Section 23-15-635 containing the elector's ballot.

H. B. No. 1783: Appropriation; Marine Resources, Department of.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated,

for the support and maintenance of the Department of Marine Resources for the fiscal year beginning July 1, 2024, and ending June 30, 2025

\$ 3,604,594.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is appropriated out of any money in any special fund in the State Treasury to the credit of the Department of Marine Resources for the fiscal year beginning July 1, 2024, and ending June 30, 2025 \$ 256,780,550.00.

Of the funds appropriated in this section, Three Million Fifty Thousand Dollars (\$3,050,000.00) is derived from the state excise taxes upon gasoline, oil and other petroleum products.

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED HEADCOUNT:

Permanent: 108

Time-Limited: 65

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required for Personal Services for Fiscal Year 2026 do not exceed Fiscal Year 2025 funds appropriated for that purpose unless programs or positions are added to the agency's Fiscal Year 2025 budget by the Mississippi Legislature. The Legislature shall determine the agency's personal services appropriation, which the State Personnel Board shall publish. The agency's personal services appropriation may consist of restricted funds for approved vacancies for Fiscal Year 2025 that may be utilized to fill vacant Fiscal Year 2024 headcount. It shall be the agency's responsibility to ensure that the funds provided for vacancies are used to increase headcount and not for promotions, title changes, in-range salary adjustments or any other mechanism for increasing salaries for current employees. It is the Legislature's intention that no employee salary falls below the minimum salary established by the Mississippi State Personnel Board.

Additionally, the State Personnel Board shall determine and publish the projected annualized payroll costs based on current employees. It shall be the responsibility of the agency head to ensure that actual personnel expenditures for Fiscal Year 2025 do not exceed the data provided by the Legislative Budget Office. If the agency's Fiscal Year 2025 projected cost exceeds the annualized costs, no salary actions shall be processed by the State Personnel Board except for new hires determined to be essential for the agency.

Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of the Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 4. It is the intention of the Legislature that the Department of Marine Resources shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2024. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2026 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2025 budget request process.

SECTION 5. Each Marine Conservation Officer and Supervisor shall be furnished an allowance for uniforms not to exceed Six Hundred Dollars (\$600.00) per annum.

SECTION 6. In addition to all other sums heretofore appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Tidelands Fund No. 3345200000 to the Department of Marine Resources for the purpose of defraying the expenses of the tidelands projects for the fiscal year beginning July 1, 2024, and ending June 30, 2025 \$ 11,700,000.00.

SECTION 8. Section 83-1-191, Mississippi Code of 1972, is amended as follows:

83-1-191. (1) There is established within the Department of Insurance a Comprehensive Hurricane Damage Mitigation Program. This section does not create an entitlement for property owners or obligate the state in any way to fund the inspection or retrofitting of residential property or commercial property in this state. Implementation of this program is subject to the availability of funds that may be appropriated by the Legislature for this purpose. The program may develop and implement a comprehensive and coordinated approach for hurricane damage mitigation that may include the following:

(a) Cost-benefit study on wind hazard mitigation construction measures. The performance of a cost-benefit study to establish the most appropriate

wind hazard mitigation construction measures for both new construction and the retrofitting of existing construction for both residential and commercial facilities within the wind-borne debris regions of Mississippi as defined by the International Building Code. The recommended wind construction techniques shall be based on both the newly adopted Mississippi building code sections for wind load design and the wind-borne debris region. The list of construction measures to be considered for evaluation in the cost-benefit study shall be based on scientifically established and sound, but common, construction techniques that go above and beyond the basic recommendations in the adopted building codes. This allows residents to utilize multiple options that will further reduce risk and loss and still be awarded for their endeavors with appropriate wind insurance discounts. It is recommended that existing accepted scientific studies that validate the wind hazard construction techniques benefits and effects be taken into consideration when establishing the list of construction techniques that homeowners and business owners can employ. This will ensure that only established construction measures that have been studied and modeled as successful mitigation measures will be considered to reduce the chance of including risky or unsound data that will cost both the property owner and state unnecessary losses. The cost-benefit study shall be based on actual construction cost data collected for several types of residential construction and commercial construction materials, building techniques and designs that are common to the region. The study shall provide as much information as possible that will enhance the data and options provided to the public, so that homeowners and business owners can make informed and educated decisions as to their level of involvement. Based on the construction data, modeling shall be performed on a variety of residential and commercial designs, so that a broad enough representative spectrum of data can be obtained. The data from the study will be utilized in a report to establish tables reflecting actuarially appropriate levels of wind insurance discounts (in percentages) for each mitigation construction technique/combination of techniques. This report will be utilized as a guide for the Department of Insurance and the insurance industry for developing actuarially appropriate discounts, credits or other rate differentials, or appropriate reductions in deductibles, for properties on which fixtures or construction techniques demonstrated to reduce the amount of loss in a windstorm have been installed or implemented. Additional data that will enhance the program, such as studies to reflect property value increases for retrofitting or building to the established wind hazard mitigation construction techniques and cost comparison data collected to establish the value of this program against the investment required to include the mitigation measures, also may be provided.

(b) Wind certification and hurricane mitigation inspections.

(i) Home-retrofit inspections of site-built, residential property, including single-family, two-family, three-family or four-family residential units, and a set of representative commercial facilities may be offered to determine what mitigation measures are needed and what improvements to existing residential properties are needed to reduce the property's vulnerability to hurricane damage. A state program may be established within the Department of Insurance to provide homeowners and business owners wind certification and hurricane mitigation inspections. The inspections provided to homeowners and business owners, at a minimum, must include:

1. A home inspection and report that summarizes the results and identifies corrective actions a homeowner may take to mitigate hurricane damage.
2. A range of cost estimates regarding the mitigation features.
3. Insurer-specific information regarding premium discounts correlated to recommended mitigation features identified by the inspection.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1354: Alcoholic Beverage Control Division warehouse; increase amount of revenue bonds authorized for and bailment fee authorized for paying debt service on bonds.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.

2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. Section 7, Chapter 483, Laws of 2022, is amended as follows:

Section 7. Revenue bonds. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) Monies deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be disbursed, in the discretion of the Department of Finance and Administration, to assist in paying the costs associated with land acquisition for, and the purchase, design, construction, furnishing and/or equipping of, a new warehouse for the Department of Revenue's Alcoholic Beverage Control Division.

(b) Amounts deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) For the purpose of providing for the payment of the principal of and interest upon bonds issued under this section, there is created a special bond sinking fund in the State Treasury. The special bond sinking fund shall consist of such amounts as may be paid into such fund under this act, by appropriation or by other authorization by the Legislature. Except as otherwise provided in this section, monies in the special bond sinking fund shall be used to pay the debt service requirements of the bonds issued under this section. If the special bond sinking fund has a balance below the minimum amount specified in the resolution providing for the issuance of the bonds, or below one and one-half (1-1/2) times the amount needed to pay the annual debt obligations related to the bonds issued under this section, whichever is the lesser amount, the Commissioner of Revenue shall transfer the deficit amount to the bond sinking fund from revenue derived from the twenty-seven and one-half percent (27-1/2%) markup provided for in Section 27-71-11. Unexpended amounts remaining in the special bond sinking fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the special bond sinking fund shall be deposited into such sinking fund. If the special bond sinking fund has a balance in excess of the amount needed to pay the debt service and meet the obligations related to the bonds issued under this section, as determined in the resolution providing for the issuance of the bonds, the excess monies shall be transferred to the State General Fund.

(4) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of revenue bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the revenue bonds authorized by this subsection, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things

necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Ninety-five Million Dollars (\$95,000,000.00).

(b) Any investment earnings on amounts deposited into the ABC Warehouse Construction Fund created in Section 6(1) of this act shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(5) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(6) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds have been signed by the officials designated to sign the bonds who were in office at the time of such signing, but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(7) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(8) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(9) The bonds issued under the provisions of this section shall be revenue bonds of the state, the principal of and interest on which shall be payable solely from and shall be secured by the special bond sinking fund created in subsection (3) of this section. The bonds shall never constitute an indebtedness of the state within the meaning of any state constitutional provision or statutory limitation, and shall never

constitute or give rise to a pecuniary liability of the state, or a charge against its general credit or taxing powers, and such fact shall be plainly stated on the face of each such bond. The bonds shall not be considered when computing any limitation of indebtedness of the state. All bonds issued under the authority of this section and all interest coupons applicable thereto shall be construed to be negotiable instruments, despite the fact that they are payable solely from a specified source.

(10) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the ABC Warehouse Construction Fund created in Section 6(1) of this act. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(11) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(12) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Title 31, Chapter 13, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(13) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(14) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(15) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(16) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(17) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants. The Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section. The State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(18) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

SECTION 2. Section 27-71-11, Mississippi Code of 1972, is amended as follows:

27-71-11. (1) The department shall from time to time by resolution request the State Bond Commission to provide sufficient funds required to maintain an adequate alcoholic beverage inventory. Said funds shall be provided under the provisions of Chapter 557, Laws of 1966.

(2) The department shall add to the cost of all alcoholic beverages a markup of twenty-seven and one-half percent (27-1/2%), inclusive of the three percent (3%) markup imposed by Section 27-71-7(2).

(3) In addition to other excise taxes and markups imposed in this section and in Section 27-71-7, the department shall add to the cost of all alcoholic beverages shipped a charge of Twenty-five Cents (25¢) per case, to be deposited into the ABC Warehouse Improvements Fund created in Section 67-1-211(2). However, any unobligated amounts above Ten Million Dollars (\$10,000,000.00) remaining in the ABC Warehouse Improvements Fund at the end of a fiscal year shall be transferred to the State General Fund.

(4) Notwithstanding the contract for warehouse and distribution operations under Section 67-1-205, the department shall remain responsible for purchasing and selling alcoholic beverages. The department shall sell alcoholic beverages at uniform prices throughout the state. Pricing for all alcoholic beverages shall be set by the addition of the markup and taxes to the price at which the beverages were purchased by the department.

(5) A permittee's order shall qualify for shipping when it includes the minimum number of cases of alcoholic beverages as set by the department. The department shall place qualifying orders in a queue for shipment in the order in which the orders are made. An order of fewer than the minimum number of cases, and special orders, shall be added to the permittee's next qualified shipment. The department shall give sufficient notice of any change in the minimum number of cases for shipping and shall allow the opportunity for comment.

(6) The department shall set a per-case shipping fee to be charged to permittees. The department shall adjust the fee to match, as closely as possible, the shipping costs as defined in Section 67-1-201. The shipping fee charged under this subsection shall be deposited to the credit of the ABC Shipping Fund created in Section 27-71-29.

(7) The department shall charge manufacturers a bailment fee of * * * One Dollar and Fifty Cents (\$1.50) per case of alcoholic beverages stored in the warehouse, to be deposited to the credit of the bond sinking fund created in Section 7(3) of Chapter 483, Laws of 2022.

SECTION 3. Section 67-1-203, Mississippi Code of 1972, is amended as follows:

67-1-203. (1) The Department of Finance and Administration, using the monies available in the ABC Warehouse Construction Fund created in Section 67-1-211(1) and such other monies as the Legislature may make available, shall purchase land for and shall provide for the design and construction of a warehouse for the division in the most expedient and cost-effective manner practicable as determined by the Executive Director of the Department of Finance and Administration.

(2) The Department of Finance and Administration shall select a suitable site for the warehouse within fifty (50) miles of the new state capitol building. In selecting a site, the Department of Finance and Administration shall consider the feasibility of selecting state-owned land by comparing the cost of preparing the state-owned land for construction to the cost of acquiring other land and preparing such other land for construction.

(3) The contract for design and construction shall provide that the operator shall be consulted so that the warehouse may, so far as possible, suit the preferences of the operator in furtherance of effective operations. The contract shall also provide that the design shall aim to fill demand for the next twenty-five (25) years.

SECTION 4. Section 67-1-205, Mississippi Code of 1972, is brought forward as follows:

67-1-205. (1) The department shall contract for warehouse and distribution operations. The shipping contract in effect on July 1, 2022, shall remain in effect until the expiration of its term.

(2) The department shall pay regular maintenance expenses and shall reimburse the operator for services performed under the contract out of monies appropriated by the Legislature.

(3) The contract shall include the following terms:

(a) The department shall pay the operator cost-plus on these operations at a set dollar amount per case of alcoholic beverages sold. Otherwise, the contract shall not alter the current cash flow of operations;

(b) The operator shall be allotted a monthly spending limit for occasional improvements. The state may, at any time, review the operator's spending. The operator shall obtain prior state approval for any spending over the monthly limit set in the contract. The contract shall allow the operator to pay out of pocket, in which case the state will reimburse the operator on a monthly basis out of monies in the ABC Warehouse Improvements Fund created in Section 67-1-211(2);

(c) Shipping costs, where the contract encompasses shipping, shall be based on a set dollar amount per case of alcoholic beverages shipped from the warehouse to the permittee's premises;

(d) The department and the operator may provide for the operator's software to interface with the department's TAP system in a manner allowing for information sharing in furtherance of efficient operations while also protecting the security of the TAP system;

(e) The department shall develop quality and efficiency criteria for determining whether to renew a contract for warehouse and distribution operations;

(f) The obligation of the department to proceed under the contract is conditioned upon the appropriation of funds by the Legislature and the receipt of state or federal funds. If the funds anticipated for the continuing time fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the department, the department shall have the right, upon ten (10) working days' written notice to the operator, to terminate this agreement without damage, penalty, cost or other expenses to the department of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination;

(g) The state and the operator as parties to the contract and all terms of the contract shall be subject to and governed by the laws of the state at the time the contract is entered into, and any later amendments to such laws, through the duration of the contract; and

(h) The operator shall be required to comply with any duties, responsibilities, conditions or other provisions required by state law during the duration of the contract, regardless of whether such duties, responsibilities, conditions or other provisions were required by state law at the time the contract was entered into.

(4) The initial contract for operations shall terminate on the earlier of: (a) four (4) years from the date it commences; or (b) the last day of the use of the warehouse that is in service on July 1, 2022. The contract may be renewed for four (4) years, with another option to renew at the end of that four-year term. The department shall issue requests for proposals before entering any subsequent contract. Requests for proposals shall be required whenever a contract is not renewed, but no less frequently than every twelve (12) years.

(5) The contract shall provide that all employees needed for operations shall be employees of the operator.

(6) A contract for warehouse and distribution operations shall not be entered into unless the operator has demonstrated:

(a) The qualifications, experience and management personnel necessary to carry out the terms of the contract; and

(b) The ability to comply with applicable federal and state laws.

(7) A contract for operations shall not be entered into unless the following requirements are met:

(a) In addition to fire and casualty insurance, the operator provides at least Ten Million Dollars (\$10,000,000.00) of liability insurance. The liability insurance shall be issued by an insurance company with a rating of at least an A- according to AM Best standards. In determining the adequacy of such insurance, the Department of Finance and Administration shall determine whether:

(i) The insurance is adequate to protect the state from any and all actions by a third party against the operator or the state as a result of the contract;

(ii) The insurance is adequate to protect the state against any and all claims arising as a result of any occurrence during the term of the contract;

H. B. No. 1983: Bonds; authorize issuance for various purposes.

REPORT OF CONFERENCE COMMITTEE

MR. SPEAKER AND MR. PRESIDENT:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

H. B. No. 1983: Bonds; authorize issuance for various purposes.

We, therefore, respectfully submit the following report and recommendation:

1. That the Senate recede from its Amendment No. 1.
2. That the House and Senate adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

SECTION 1. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Mississippi Development Authority, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the program authorized in Section 57-1-16. Upon the adoption of a resolution by the Mississippi Development Authority declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Mississippi Development Authority shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Twenty Million Dollars (\$20,000,000.00). No bonds authorized under this section shall be issued after July 1, 2028.

(b) The proceeds of bonds issued pursuant to this section shall be deposited into the ACE Fund created pursuant to Section 57-1-16. Any investment

earnings on bonds issued pursuant to this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission shall sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the ACE Fund created in Section 57-1-16. The proceeds of such bonds shall be disbursed solely upon the order of the Mississippi Development Authority under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(10) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. mature or otherwise be retired in annual installments beginning not more than five (5) years from the date thereof and extending not more than twenty-five (25) years from the date thereof. The bonds shall be signed by the Chairman of the State Bond Commission, or by his facsimile signature, and the official seal of the State Bond Commission shall be imprinted on or affixed thereto, attested by the manual or facsimile signature of the Secretary of the State Bond Commission. Whenever any such bonds have been signed by the officials herein designated to sign the bonds, who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until the delivery of the same to the purchaser, or had been in office on the date such bonds may bear.

(6) All bonds issued under the provisions of this section shall be and are hereby declared to have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code and in exercising the powers granted by this chapter, the State Bond Commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The State Bond Commission shall act as issuing agent for the bonds, prescribe the form of the bonds, advertise for and accept bids, issue and sell the bonds on sealed bids at public sale, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of the bonds. The State Bond Commission may sell such bonds on sealed bids at public sale for such price as it may determine to be for the best interest of the State of Mississippi, but no such sale shall be made at a price less than par plus accrued interest to date of delivery of the bonds to the purchaser. The bonds shall bear interest at such rate or rates not exceeding the limits set forth in Section 75-17-101 as shall be fixed by the State Bond Commission. All interest accruing on such bonds so issued shall be payable semiannually or annually; provided that the first interest payment may be for any period of not more than one (1) year.

Notice of the sale of any bonds shall be published at least one time, the first of which shall be made not less than ten (10) days prior to the date of sale, and shall be so published in one or more newspapers having a general circulation in the City of Jackson, Mississippi, selected by the State Bond Commission.

The State Bond Commission, when issuing any bonds under the authority of this section, may provide that the bonds, at the option of the state, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) State bonds issued under the provisions of this section shall be the general obligations of the state and backed by the full faith and credit of the state. The Legislature shall appropriate annually an amount sufficient to pay the principal of and the interest on such bonds as they become due. All bonds shall contain recitals on their faces substantially covering the foregoing provisions of this section.

(9) The State Treasurer is authorized to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants payable out of any funds appropriated by the Legislature under this section for such purpose, in such amounts as may be necessary to pay when due the principal of and interest on all bonds issued under the provisions of this section. The State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(10) The bonds may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this chapter. Any resolution providing for the issuance of general obligation bonds under the provisions of this section shall become effective immediately upon its adoption by the State Bond Commission, and any such resolution may be adopted at any regular or special meeting of the State Bond Commission by a majority of its members.

(11) In anticipation of the issuance of bonds hereunder, the State Bond Commission is authorized to negotiate and enter into any purchase, loan, credit or other agreement with any bank, trust company or other lending institution or to issue and sell interim notes for the purpose of making any payments authorized under this section. All borrowings made under this provision shall be evidenced by notes of the state which shall be issued from time to time, for such amounts not exceeding the amount of bonds authorized herein, in such form and in such denomination and subject to such terms and conditions of sale and issuance, prepayment or redemption and maturity, rate or rates of interest not to exceed the maximum rate authorized herein for bonds, and time of payment of interest as the State Bond Commission shall agree to in such agreement. Such notes shall constitute general obligations of the state and shall be backed by the full faith and credit of the state. Such notes may also be issued for the purpose of refunding previously issued notes. No note shall mature more than three (3) years following the date of its issuance. The State Bond Commission is authorized to provide for the compensation of any purchaser of the notes by payment of a fixed fee or commission and for all other costs and expenses of issuance and service, including paying agent costs. Such costs and expenses may be paid from the proceeds of the notes.

(12) The bonds and interim notes authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided now or hereafter by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The necessary papers for such validation proceedings shall be transmitted to the State Bond Attorney, and the required notice shall be published in a newspaper published in the City of Jackson, Mississippi.

(13) Any bonds or interim notes issued under the provisions of this chapter, a transaction relating to the sale or securing of such bonds or interim notes, their transfer and the income therefrom shall at all times be free from taxation by the state or any local unit or political subdivision or other instrumentality of the state, excepting inheritance and gift taxes.

(14) All bonds issued under this chapter shall be legal investments for trustees, other fiduciaries, savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi; and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of the state and all municipalities and other political subdivisions thereof for the purpose of securing the deposit of public funds.

(15) The Attorney General of the State of Mississippi shall represent the State Bond Commission in issuing, selling and validating bonds herein provided for, and the Bond Commission is hereby authorized and empowered to expend from the proceeds derived from the sale of the bonds authorized hereunder all necessary administrative, legal and other expenses incidental and related to the issuance of bonds authorized under this chapter.

(16) There is hereby created a special fund in the State Treasury to be known as the Mississippi Major Economic Impact Authority Fund wherein shall be deposited the proceeds of the bonds issued under this chapter and all monies received by the authority to carry out the purposes of this chapter. Expenditures authorized herein shall be paid by the State Treasurer upon warrants drawn from the fund, and the Department of Finance and Administration shall issue warrants upon requisitions signed by the director of the authority.

(17) (a) There is hereby created the Mississippi Economic Impact Authority Sinking Fund from which the principal of and interest on such bonds shall be paid by appropriation. All monies paid into the sinking fund not appropriated to pay accruing bonds and interest shall be invested by the State Treasurer in such securities as are provided by law for the investment of the sinking funds of the state.

(b) In the event that all or any part of the bonds and notes are purchased, they shall be cancelled and returned to the loan and transfer agent as cancelled and paid bonds and notes and thereafter all payments of interest thereon shall cease and the cancelled bonds, notes and coupons, together with any other cancelled bonds, notes and coupons, shall be destroyed as promptly as possible after

cancellation but not later than two (2) years after cancellation. A certificate evidencing the destruction of the cancelled bonds, notes and coupons shall be provided by the loan and transfer agent to the seller.

(c) The State Treasurer shall determine and report to the Department of Finance and Administration and Legislative Budget Office by September 1 of each year the amount of money necessary for the payment of the principal of and interest on outstanding obligations for the following fiscal year and the times and amounts of the payments. It shall be the duty of the Governor to include in every executive budget submitted to the Legislature full information relating to the issuance of bonds and notes under the provisions of this chapter and the status of the sinking fund for the payment of the principal of and interest on the bonds and notes.

(d) Any monies repaid to the state from loans authorized in Section 57-75-11(hh) shall be deposited into the Mississippi Major Economic Impact Authority Sinking Fund unless the State Bond Commission, at the request of the authority, shall determine that such loan repayments are needed to provide additional loans as authorized under Section 57-75-11(hh). For purposes of providing additional loans, there is hereby created the Mississippi Major Economic Impact Authority Revolving Loan Fund and loan repayments shall be deposited into the fund. The fund shall be maintained for such period as determined by the State Bond Commission for the sole purpose of making additional loans as authorized by Section 57-75-11(hh). Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund and any interest earned on amounts in such fund shall be deposited to the credit of the fund.

(18) (a) Upon receipt of a declaration by the authority that it has determined that the state is a potential site for a project, the State Bond Commission is authorized and directed to authorize the State Treasurer to borrow money from any special fund in the State Treasury not otherwise appropriated to be utilized by the authority for the purposes provided for in this subsection.

(b) The proceeds of the money borrowed under this subsection may be utilized by the authority for the purpose of defraying all or a portion of the costs incurred by the authority with respect to acquisition options and planning, design and environmental impact studies with respect to a project defined in Section 57-75-5(f)(xi) or Section 57-75-5(f)(xxix). The authority may escalate its budget and expend the proceeds of the money borrowed under this subsection in accordance with rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds.

(c) The authority shall request an appropriation or additional authority to issue general obligation bonds to repay the borrowed funds and establish a date for the repayment of the funds so borrowed.

(d) Borrowings made under the provisions of this subsection shall not exceed Five Hundred Thousand Dollars (\$500,000.00) at any one time.

(2) As evidence of indebtedness authorized in this act, general or limited obligation bonds of the state shall be issued from time to time to provide monies necessary to carry out the purposes of this act for such total amount, in such form, in such denominations, payable in such currencies (either domestic or foreign or both), and subject to such terms and conditions of issue, redemption and maturity, rate of interest and time of payment of interest as the seller directs, except that such bonds shall mature or otherwise be retired in annual installments beginning not more than five (5) years from date thereof and extending not more than twenty (20) years from date thereof.

(3) All bonds and notes issued under authority of this act shall be signed by the chairman of the seller, or by his facsimile signature, and the official seal of the seller shall be affixed thereto, attested by the secretary of the seller.

(5) Such bonds and notes and the income therefrom shall be exempt from all taxation in the State of Mississippi.

(6) The bonds may be issued as coupon bonds or registered as to both principal and interest as the seller may determine. If interest coupons are attached, they shall contain the facsimile signature of the chairman and the secretary of the seller.

SECTION 7. Section 25, Chapter 533, Laws of 2010, as amended by Section 4, Chapter 30, Laws of 2010 Second Extraordinary Session, as amended by Section 1, Chapter 301, Laws of 2011, as amended by Section 6, Chapter 480, Laws of 2011, as amended by Section 1, Chapter 1, Laws of 2011 First Extraordinary Session, as amended by Section 8, Chapter 421, Laws of 2019, as amended by Section 14, Chapter 480, Laws of 2021, is amended as follows:

Section 25. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) The Mississippi Development Authority, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for the program authorized in Section 57-1-221. Upon the adoption of a resolution by the Mississippi Development Authority, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the Mississippi Development Authority shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed * * * Five Hundred Fourteen Million Dollars (\$514,000,000.00). No bonds authorized under this section shall be issued after July 1, 2025.

(b) The proceeds of bonds issued pursuant to this section shall be deposited into the Mississippi Industry Incentive Financing Revolving Fund created pursuant to Section 57-1-221. Any investment earnings on bonds issued pursuant to this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(3) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(4) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the

contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(7) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(8) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the Mississippi Industry Incentive Financing Revolving Fund created in Section 57-1-221. The proceeds of such bonds shall be disbursed solely upon the order of the Mississippi Development Authority under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(9) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(11) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(12) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(13) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(14) The proceeds of the bonds issued under this section shall be used solely for the purposes therein provided, including the costs incident to the issuance and sale of such bonds.

(15) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(16) This section shall be deemed to be full and complete authority for the exercise of the powers therein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(ii) Monies in the special fund may be used to reimburse reasonable actual and necessary costs incurred by the Department of Finance and

The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(d) Any amounts allocated to an institution of higher learning that are in excess of that needed to complete the projects at such institution of higher learning that are described in paragraph (a) of this subsection may be used for general repairs and renovations at the institution of higher learning.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Department of Finance and Administration shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. No bonds shall be issued under this section after July 1, 2024.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

The commission may sell the bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on the bonds so issued shall be payable semiannually or annually.

If the bonds are to be sold on sealed bids at public sale, notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(10) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof, the full faith and credit of the State of Mississippi is irrevocably pledged. The principal of and the interest on the bonds shall be payable primarily from the bond sinking fund created in subsection (4) of this section in the manner provided in that subsection. If the funds available in the bond sinking fund and any funds appropriated by the Legislature for those purposes are insufficient to pay the principal of and the interest on the bonds as they become due, then the amount of the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All those bonds shall contain recitals on their faces substantially covering the provisions of this section.

(11) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of the bonds shall be disbursed solely upon the order of the Mississippi Development Authority under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

The notice to taxpayers required by those statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(14) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining to those bonds may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under the resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest on the bonds.

(15) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and the bonds shall be legal securities that may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(16) Bonds issued under the provisions of this section and income from the bonds shall be exempt from all taxation in the State of Mississippi.

(17) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(18) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the department is authorized and directed to issue those warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of those bonds in ample time to discharge the bonds, or the interest on the bonds, on the due dates thereof.

(19) This section shall be deemed to be full and complete authority for the exercise of the powers granted in this section, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated the "2024 Hinds County Courthouse and Siwell Road Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, as follows:

1. Two Million Dollars (\$2,000,000.00) shall be disbursed to assist Hinds County, Mississippi, in paying costs associated with roof repairs and other repair and renovation of and upgrades and improvements to the Hinds County Courthouse located in the City of Jackson, Mississippi; and

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. (8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. (11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

GOVERNOR'S PARTIAL VETO MESSAGE FOR HOUSE BILL 1830

I am returning House Bill 1830: "AN ACT TO PROVIDE AN ADDITIONAL APPROPRIATION OF GENERAL FUNDS AND SPECIAL FUNDS TO DEFRAY THE OPERATING EXPENSES OF THE SECRETARY OF STATE, THE MISSISSIPPI DEVELOPMENT AUTHORITY, AND THE OFFICE OF THE ATTORNEY GENERAL FOR FISCAL YEARS 2024 AND 2025; AND FOR RELATED PURPOSES" partly approved and partly not approved pursuant to Article 4, Section 73 of the Mississippi Constitution of 1890 as an "exercise of the authority endowed the office of the Governor

by the people of Mississippi in our Constitution.” Governor Reeves v. Representative Gunn and Representative White, 307 So.3d 436, 439-442 (Miss. 2020).

I am vetoing Section 1 (Lines 7-15) providing a \$14,025,000 appropriation to the Secretary of State for grants from the Secretary of State Land Improvement Fund.

Article IV, Section 73 of the Mississippi Constitution states: “The Governor may veto parts of any appropriation bill, and approve parts of the same, and the portions approved shall be law.” The removal of this separate, distinct and complete appropriation does not affect any other appropriations in House Bill 1830. TO THE MISSISSIPPI HOUSE OF REPRESENTATIVES

GOVERNOR'S PARTIAL VETO MESSAGE FOR HOUSE BILL 1707

I am returning House Bill 1707: “AN ACT TO AMEND SECTION 28 OF CHAPTER 549, LAWS OF 2023, TO CLARIFY AND CORRECT NAMES AND PURPOSES OF CERTAIN PROJECTS FUNDED WITH MONIES DISBURSED FROM THE 2023 LOCAL IMPROVEMENTS PROJECTS FUND; TO AMEND SECTION 4 OF CHAPTER 549, LAWS OF 2023, TO REVISE THE PURPOSE OF A CERTAIN PROJECT FUNDED WITH MONIES DISBURSED FROM THE 2022 IHL CAPITAL IMPROVEMENTS FUND; TO AMEND SECTION 27-104-373, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT CONTRACTS OR PURCHASES FOR PROJECTS FUNDED WITH MONIES DISBURSED FROM THE 2023 LOCAL IMPROVEMENTS PROJECTS FUND THAT INVOLVE EXPENDITURES ABOVE CERTAIN AMOUNTS MUST BE MADE AFTER OBTAINING COMPETITIVE WRITTEN BIDS; TO AMEND SECTION 65-1-185, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT MONIES IN THE 2023 DESOTO COUNTY INFRASTRUCTURE IMPROVEMENTS FUND SHALL

BE USED BY THE MISSISSIPPI DEPARTMENT OF TRANSPORTATION INSTEAD OF THE DEPARTMENT OF FINANCE AND ADMINISTRATION; TO AMEND SECTION 65-1-187, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT MONIES IN THE 2023 LAFAYETTE COUNTY INFRASTRUCTURE IMPROVEMENTS FUND SHALL BE USED BY THE MISSISSIPPI DEPARTMENT OF TRANSPORTATION INSTEAD OF THE DEPARTMENT OF FINANCE AND ADMINISTRATION; TO AMEND SECTION 65-1-189, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT MONIES IN THE 2023 GULFPORT COMMERCE CORRIDOR FUND SHALL BE USED BY THE MISSISSIPPI DEPARTMENT OF TRANSPORTATION INSTEAD OF THE DEPARTMENT OF FINANCE AND ADMINISTRATION; TO AMEND SECTION 31-7-13, MISSISSIPPI CODE OF 1972, AS AMENDED BY HOUSE BILL NO. 297 AND SENATE BILL NO. 2486, 2024 REGULAR SESSION, TO MAKE SEVERAL TECHNICAL CHANGES APPLICABLE TO CERTAIN AMERICAN RECOVERY AND REINVESTMENT ACT PROJECTS UNDER THE PUBLIC PURCHASING LAW; AND FOR RELATED PURPOSES" partly approved and partly not approved pursuant to Article 4, Section 73 of the Mississippi Constitution as an "exercise of the authority endowed the office of the Governor by the people of Mississippi in our Constitution." Governor Reeves v. Representative Gunn and Representative White, 307 So.3d 436, 439-442 (Miss. 2020).

On April 21, 2023, I returned House Bill 603, 2023 Regular Session, an appropriations bill, partly approved and partly not approved pursuant to Article 4, Section 73 of the Mississippi Constitution of 1890. Specifically, I exercised my line-item veto authority to disapprove six of the more than four hundred separate, distinct and complete appropriations contained in Section 28 of that bill. The House did not attempt to override these line-item vetoes or otherwise call into question the legality of the use of my authority pursuant to Article 4, Section 73 to veto parts of that appropriation bill.

The short title for House Bill 1707 states that Section 1 is adopted "to clarify and correct names and purposes of certain projects funded with monies disbursed from the 2023 Local Improvements Project Fund," the very same appropriations that were contained in Section 28 of House Bill 603, 2023 Regular Session. Despite the fact that six of those appropriations were previously vetoed, all six are contained in Section 1 of House Bill 1707. While I believe this clarifying and correcting of names for certain projects does not reauthorize those appropriations that no longer exist, to avoid any legal ambiguity, I am again vetoing the following appropriations:

- Section 1(m) (Lines 75-77) providing a \$1,000,000 appropriation to the City of Jackson, Mississippi to pay costs associated with renovations and upgrades for the Jackson Planetarium.
- Section 1(bz) (Lines 302-305) providing a \$500,000 appropriation to the City of Greenville, Mississippi to pay costs associated with repairs and renovations to Frisby Park, Greenville Municipal, Maude Bryan Park and Rounds Park.
- Section 1(gv) (Lines 764-768) providing a \$500,000 appropriation to the Mississippi Development Authority for the purpose of providing funding to WISPR Systems in Batesville, Mississippi, for research and development to expand its current small Unmanned Aircraft Systems (sUAS) manufacturing capabilities in Mississippi.
- Section 1(hv) (Lines 860-863) providing a \$300,000 appropriation to the Mississippi Department of Finance and Administration to pay costs associated with the program established under Section 3 of House Bill No. 419, 2023 Regular Session.
- Section 1(jl) (Lines 994-996) providing a \$600,000 appropriation to Greene County to assist in paying costs associated with the rehabilitation and repair of the Greene County Rural Events Center.
- Section 1(kp) (Lines 1085-1087) providing a \$1,000,000 appropriation to the City of Jackson, Mississippi to assist in paying costs associated with repairs, renovations and upgrades to the Jackson Planetarium.

Article 4, Section 73 of the Mississippi Constitution states: "The Governor may veto parts of any appropriation bill, and approve parts of the same, and the portions

approved shall be law.” The removal of these separate, distinct and complete appropriations does not affect any other appropriations in House Bill 1707. See Reeves, 307 So.3d at 442.

Titles of all Senate bills which reached the House are condensed and appear in numerical order in this part of the index, showing the committees to which they were referred.

Following these titles are abbreviations indicating actions on the bills, followed by figures showing the pages in the Journal where such actions will be found. Explanations of these abbreviations are shown below. The chapter in the General Laws or in the Local and Private Laws, as the case may be, is shown for each bill which became law. A. HOUSE RULES

THE SPEAKER AND SPEAKER PRO TEMPORE

1. The Speaker, when elected, shall hold office for a term of four (4) years, or until the next regular session of the Legislature following an election for Governor and members of the Legislature, and shall take the chair on every legislative day precisely at the hour to which the House has adjourned at the last sitting, immediately call the members to order, cause the roll to be called finally, and, on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.
2. He shall preserve order and decorum, and, in case of disturbance or disorderly conduct in the galleries or in the lobby, may cause the same to be cleared, may speak to points of order in preference to other members, rising from his seat for that purpose.
3. He shall have general control, except as provided by rule or law, of the Hall of the House, and of the corridors and passages and the disposal of the unappropriated rooms in that part of the Capitol assigned to the use of the House, until further order.
4. He shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas of, or issued by order of, the House, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once unless by permission of the House. The Speaker may require points of order in writing and may take reasonable time to examine and study same before ruling thereon, during which period consideration of that particular subject matter may be suspended without prejudice and the House proceed to the next order of business.
5. He shall rise to put a question and shall put questions in this form: "All those in favor (of the question), say 'Aye'"; and after the affirmative voice is expressed, "All those opposed, say 'No'"; if he doubts, or if a count is required by at least one-tenth (1/10) of the members present, he shall call the roll in the manner prescribed in Rule 69 or take the vote using the electronic roll-call system in Rule 97.
6. He shall not be required to vote in ordinary legislative proceedings, except where his vote would be decisive, or where the House is engaged in voting by ballot; and in cases of a tie vote for, question shall be decided in the negative.
7. He shall have the right to name any member to perform the duties of the chair when the Speaker Pro Tempore shall be unable to do so, but such substitution shall not extend beyond one (1) legislative day; provided, however, that in the case of illness or unavoidable absence of both the Speaker and the Speaker Pro Tempore, he may make such appointment for a period not exceeding five (5) days, with the approval of the House at the time the same is made.
8. Upon the death of a member of the House, the Speaker or any member of the House designated by him shall incur such expenses as may be necessary for the purchase on behalf of the House a State Flag for use in connection with the funeral and burial of said member, which flag shall be presented to the family of said member.
9. No member or visitor shall visit in the Speaker's stand during the session of the House, except at the instance of the Speaker. The Speaker may call a member to preside when necessary or desirable to confer with a member or visitor.

10. All committees, except the Rules Committee and the Management Committee, shall be appointed by the Speaker unless otherwise specially directed by the House.

10A. (1) There is created in the House of Representatives the Office of Speaker Pro Tempore of the Mississippi House of Representatives (hereinafter Speaker Pro Tempore).

(2) The Speaker Pro Tempore shall be elected on the same day and in the same manner and method as may be designated for the election of the Speaker of the House of Representatives.

(3) The Speaker Pro Tempore shall serve a term of four (4) years, which term as Speaker Pro Tempore shall expire concurrently with the term being served by the Speaker Pro Tempore as a member of the House of Representatives. There is no limit on the number of times that a member may serve as Speaker Pro Tempore.

(4) Any vacancy in the Office of Speaker Pro Tempore occurring during a regular or special legislative session shall be filled by election of the House of Representatives within five (5) calendar days after the vacancy occurs. Any vacancy occurring during an interim between legislative sessions shall be filled within the first five (5) calendar days of the next succeeding regular or special session. The person so elected shall serve only the remainder of the unexpired term.

(5) The Speaker Pro Tempore shall have the following powers, duties and responsibilities:

(a) To serve as Speaker of the House of Representatives during the absence, illness or disability of the Speaker, thereby assuming all powers, duties, responsibilities and privileges conferred upon the Speaker by the Constitution, statute, law or rule;

(b) To become Speaker of the House of Representatives in the event of the death or resignation of the Speaker, thereby assuming all powers, duties, responsibilities and privileges conferred upon the Speaker by the Constitution, statute, law or rule. He or she shall serve as Speaker until the beginning of the next succeeding regular legislative session, at which time an election for Speaker shall be held under the same terms and conditions as a regular Speaker's election, except that the person elected as Speaker shall hold the office only for the remainder of the term. If the Speaker Pro Tempore becomes the Speaker of the House, a new Speaker Pro Tempore shall be elected;

(c) To preside over the House of Representatives when the Speaker is not presiding and to preside over the House when sitting as the Committee of the Whole unless the Speaker Pro Tempore moved that the House go into the Committee of the Whole;

(d) To serve as the Chairman of the House Management Committee, having full powers of discussion, participation and voting;

The place of residence of a member representing such district shall determine the congressional district caucus in which he or she shall participate and for which he or she may hold membership on the Rules Committee. The Speaker shall appoint the chairman and the vice chairman from among the members of the Rules Committee, but neither the Speaker nor the Speaker Pro Tempore shall be eligible to serve as chairman or vice chairman of the Rules Committee.

Any such vacancy occurring between regular annual sessions shall be filled by caucus election during the first five (5) calendar days of the next succeeding regular or special session of the Legislature.

No member of the Rules Committee shall concurrently serve as a member of the House Management Committee, except that the Speaker and the Speaker Pro Tempore shall serve on the Management Committee as provided in Rule 11A.

MANAGEMENT COMMITTEE

11A. (1) There is created the House of Representatives Management Committee (hereinafter Management Committee) to be composed of the Speaker Pro Tempore, who shall serve as chairman, the Speaker, one (1) member from the state at large appointed by the Speaker, and eight (8) other representatives, two (2) from each congressional district of Mississippi as constituted on January 1, 2024, to be elected by caucus of the representatives from each such district. The members of the Management Committee shall be elected during the first calendar week of each regular session having one hundred twenty-five (125) calendar days. The Management Committee is authorized to delegate its powers with regard to any such room, chamber, office or other area in connection with the maintenance, repairing, construction, reconstruction and refurbishing thereof in such a manner as it deems advisable;

(d) Staff interim committees;

(e) Staff standing committees; and

(8) The Management Committee shall have the authority to designate a director, who may also serve as the Clerk or as the Director of the House Legislative Services Office, and who shall carry out the directives of the Management Committee and shall perform any and all duties of the Management Committee delegated to him or her. The Management Committee may employ other personnel as may be necessary to discharge its duties and responsibilities. All such personnel shall serve at the pleasure of the Management Committee.

The Management Committee shall also have the authority to fix the salaries of all personnel employed by the House of Representatives.

All employees of the House of Representatives required to travel in the performance of official duties shall be reimbursed for actual subsistence and travel expenses incurred by them while on official business as provided by law, provided such travel has prior approval of the Management Committee or the director under such authority as may be granted to him or her by the Management Committee.

(9) In providing for the staffing of the committees, the Management Committee shall have the responsibility for determining the necessity of any staff positions requested by the chairman of any committee. The persons to be employed for the positions that are approved by the Management Committee shall be hired by the committee with approval of the Speaker. At the beginning of each term, the Management Committee shall authorize a certain amount to be expended during each year of the term for the operation of the Speaker's Office.

(10) The Management Committee, upon request of the chairman of any standing committee of the House of Representatives, may authorize expenses, to include per diem, mileage, meals and lodging, to be paid for members attending the meeting of any standing committee or subcommittees thereof during the period in which the Legislature is not in session, which shall not exceed the compensation provided for members of the Management Committee provided for in subsection (6) of this rule. (12) No employee of the House shall reveal to any person outside his or her department the contents or nature of any request for services made by any member

of the House except with the written consent of the person making such request. A violation of this subsection by an employee shall be sufficient cause for his or her immediate dismissal.

(13) The funds necessary to carry out the provisions of this rule shall be paid from the funds appropriated to the House of Representatives Contingent Fund made by the Legislature for the purposes herein set out.

(14) At such time as there may be designated or created in the Senate of the State of Mississippi a committee with like duties and responsibilities of the House Management Committee, the House Management Committee is authorized to meet jointly with such corresponding Senate committee in order to more effectively carry out the provisions of this rule.

DUTIES OF THE CLERK

12. When a bill has passed, it shall be certified by the Clerk, who shall note thereon the day it passes.

13. He shall stand while reading papers to the House, he shall attest all writs, warrants and subpoenas issued by order of the House.

14. The Clerk of the House of Representatives shall keep a correct Journal of the proceedings of the House, and, on each day, shall read over the Journal of the preceding day to the House. He shall number, file and preserve in its proper order, each bill, resolution, memorial, or other paper introduced in the House, and carefully engross and enroll all bills, resolutions, memorials and other papers that may be ordered to be engrossed or enrolled; and shall promptly and faithfully discharge all the duties incident to the House, provide for control of employees of the House under Speaker, provide for pay of members, employees, and control pages and porters. (Statutory)

15. Pages shall be appointed to serve for one (1) week at a time each, under the control and direction of the Clerk of the House. Only persons over the age of thirteen (13) years shall be eligible to serve as pages.

16. The Sergeant at Arms of the House of Representatives shall have general supervision, under the direction of the Speaker of the House, in maintaining the decorum and security of the House. He shall attend the sittings of the House, preserve order, execute its commands and all processes issued by its authority or by a House committee's authority, and have control of the assistants to the Sergeant at Arms. He shall clear the House of all visitors one (1) hour before each session convenes and not allow visitors on the Floor of the House for ten (10) minutes after a session has recessed or adjourned. He shall see that the Hall of the House and the Committee Rooms and the Room of the Speaker of the House, the anterooms, lobbies and galleries thereof are secure during the sitting of the House, and that all necessary conveniences are supplied to the members, officers and committees.

17. Each assistant to the Sergeant at Arms of the House of Representatives shall be known as an Assistant Sergeant at Arms, and shall perform such duties as may be required of him by the Sergeant at Arms.

DECORUM AND DEBATE

18. When any member desires to speak, to make a motion, or deliver any matter to the House, he shall rise at his desk and respectfully address himself to "Mr. Speaker" and, on being recognized, may address the House from any place on the floor and shall confine himself to the question under debate and avoid personalities.

18A. Whenever a member is on the floor of the House while the House is in session, each male member of the House shall wear a coat and necktie, except when seated, and each female member of the House shall wear appropriate attire. No visitor or guest on the House floor shall be required to comply with this rule.

18B. Smoking shall not be permitted in any areas of the Capitol that are assigned to the House of Representatives and under the jurisdiction of the House Management Committee. As used in this rule, "smoking" means to inhale, exhale, burn, carry or otherwise possess any lighted cigarette, cigar, pipe or any other object or device of any form that contains lighted tobacco or any other smoking product. The Sergeant at Arms shall enforce the provisions of this rule.

18C. The regular floor proceedings of the House shall be telecast by high-speed wireless Internet transmission. Cameras used in making such telecasts may be allowed only to show a House member speaking at the podium and the Speaker or other officer presiding over the House while the House is convened. Reporters and technicians necessary to effectuate the telecasts may be admitted to the House chamber for this limited purpose; however, no camera, apparatus or procedure that would interfere with the proceedings of the House shall be used, and all telecasting shall be done from areas reserved or set aside for such activities by the Committee on Rules. No member or any other person shall use a phone, camera or other streaming device while in the House chamber to telecast, livestream or broadcast the regular floor proceedings of the House in any manner other than the telecast required by this rule, unless approved by the Committee on Rules.

19. No member shall call by name another member present in debate.

20. If any member, in speaking, or otherwise, transgresses the Rules of the House, the Speaker shall, or any member may on point of order ask the Speaker to call the transgressor to order; and the member called to order shall immediately sit down, unless permitted on motion of another member to explain, and the House if appealed to, shall decide on the case without debate. If the decision be in favor of the member called to order, he shall be at liberty to proceed; if against him and the case requires it, he shall be liable to the censure of the House, or such other punishment as the House may deem proper.

21. If a member is called to order for words spoken in debate, the member calling him to order shall indicate the words excepted to, and they shall be taken down in writing at the Clerk's desk and read aloud to the House; but he shall not be held to answer, nor be subject to the censure of the House therefor, if further debate on other business has intervened.

22. When two (2) or more members seek recognition at the same time, the Speaker shall name the member who is first to speak.

23. No member shall speak more than ten (10) minutes on any main question, or five (5) minutes on an amendment or any subsidiary question, without leave of the House, unless he or she is the mover, proposer, or introducer of the matter pending, in which case he or she shall be permitted to speak in reply, but not until every member choosing to speak has spoken. A member who has spoken once, but who has not consumed his or her whole time shall not be permitted to speak again on the same question until each member that desires to do so has spoken.

The time limit in this rule on speaking on an amendment does not apply to the time during which the committee substitute on a House bill or resolution, the committee strike-all amendment on a Senate bill or resolution, or a strike-all amendment offered to

the bill by the chairman of the first-named committee or any member of the House designated by the chairman, is explained, questions are answered, and amendments are offered.

24. After the motion to lay on the table (motion to table), those in opposition to the motion shall be allowed five (5) minutes for discussion.

25. While the Speaker is putting a question, or addressing the House, no member shall walk out of, or across or about the Hall or converse with another, nor when a member is speaking, pass between him and the Chair, or entertain private discourse. And during the session of the House, no member or other person shall remain at the Clerk's desk at any time. No member or others shall expectorate upon the floor of the House, and the Sergeant at Arms and doorkeepers are charged with the strict enforcement of this rule.

26. No member shall vote on any question in the result of which he is pecuniarily interested, nor in any other case where he was not present when the question was put.

27. Every member who shall be in the House when a question is put shall vote on one (1) side or the other unless the House shall, for special reasons, excuse him.

28. No member shall absent himself from the service of the House, unless he shall have leave, or be sick, or unable to attend. Fifteen (15) members shall be authorized to compel the attendance of absent members and order a call of the House.
ON MOTIONS, THEIR PRECEDENCE, ETC.

29. A motion to adjourn shall always be in order except when operating under the previous question, but a motion to adjourn being lost, shall not be renewed until some business has intervened.

30. Every motion made to the House and entertained by the Speaker shall be reduced to writing on the demand of any member, and may be entered on the Journal with the name of the member making the motion.

31. When a motion has been made, the Speaker shall state it or (if it be in writing) cause it to be read aloud by the Clerk before being debated, and it shall then be in possession of the House, but may be withdrawn by unanimous consent at any time before a decision or amendment.

32. No dilatory motion shall be entertained by the Speaker.

33. When a question is under debate, no motion shall be received but:

- (1) To adjourn
- (2) To lay on the table (To table)
- (3) For the previous question
- (4) To lay on the table subject to call
- (5) To postpone to a day certain
- (6) To refer
- (7) To amend
- (8) To postpone indefinitely

which several motions shall have precedence in the foregoing order; and no motion to postpone to a day certain, to commit, or to postpone indefinitely, being decided, shall be again allowed on the same day at the same stage of the question.

34. A motion to postpone a question beyond the time at which it can be considered is equivalent to complete disapproval and should be treated as a motion to postpone indefinitely.

The motion to postpone indefinitely is debatable and opens the main question to debate. A majority vote of the members voting is required for the adoption of the motion to postpone indefinitely. The adoption of a motion to postpone indefinitely shall be treated as a vote on the final passage of a measure and shall be subject to reconsideration as such.

35. No motion or proposition on a subject different from that under consideration shall be admitted under color of an amendment; nor shall any amendment be adopted changing the original purpose of the bill.

36. The adoption of an amendment to a section shall not preclude further amendments to that section. If a measure is being considered section by section or item by item, only amendments to the section or item under consideration shall be made. The Speaker shall, in recognizing members for the purpose of moving the adoption of amendments, endeavor to cause all amendments to Section 1 to be considered first, then all those to Section 2 and so on. After all sections have been considered separately, the whole measure shall be open for amendment.

An amendment to strike all after the enacting or resolving clause or to strike out the enacting or resolving clause of a measure shall, if carried, be considered as equivalent to rejection of the measure by the House, and the vote thereon shall be taken by a roll-call vote. Amendments to an amendment shall be voted on before substitute is taken up. Only one (1) amendment to the amendment is in order at one time; but as rapidly as one is disposed of by rejection or adoption, another is in order as long as any member desires to offer one. A substitute amendment may be offered to an amendment. An amendment to the substitute may be offered. No other amendment can be offered since the third degree has been reached. The vote shall be taken in the following order: the amendment to the amendment shall first be voted on; then the amendment to the substitute; then the substitute amendment and if the substitute is adopted, then the original amendment shall be regarded as automatically tabled.

An amendment to a pending question requires only a majority vote for its adoption, even though the question may require a vote greater than a majority, for adoption.

It is in order for a House bill with Senate amendments to be referred to the proper committee or committees.

On all questions, whether in committee or in the House, the last amendment, the most distant day or hour and the largest sum shall be put first.

SUSPENSION OF RULES

37. No rule shall be suspended except by the concurrence of two-thirds (2/3) of the members present.

38. All motions to suspend the rules shall embrace fully the object for which they are to be suspended.

39. A motion to suspend the rules shall be deemed a privileged motion, and shall take precedence of all other motions except the motion to adjourn, but it shall not be in order to make a motion to suspend the rules while the House is engaged in the consideration of other business.

40. On a motion to suspend the rules for reading a bill a third time, no debate shall be allowed unless the motion prevails.

41. An affirmative vote on a motion to suspend the rules for the purpose of taking up any particular bill, or resolution, shall not have the effect of precluding any motion or amendment in relation thereto which would have been in order if the bill or resolution had been brought before the House in the regular order.

42. A motion to suspend the rules for a particular purpose having been decided in the negative, it shall not be in order to renew the motion for the same purpose during the same day.

MOTION TO REFER

43. Bills, resolutions, petitions, memorials, reports, and other papers addressed to the House may be referred upon original reference at the pleasure of the House by suspension of the rules; provided, however, any bill, resolution, petition, memorial, report, or other paper being before the House after the original reference thereof may be referred to a standing or select committee by a majority vote of the members of the House present and voting.

44. The vote on a motion to refer to committee may not be reconsidered. A motion to recommit or commit to committee shall be considered a motion to refer.

45. Bills, resolutions, petitions, memorials, reports, and other papers addressed to the House may be presented by any member who shall state briefly to the House the contents thereof; and no such bill, resolution, petition, memorial, report or other paper addressed to the House shall be read in full to the House but shall be filed with the Clerk, attention called thereto, and referred to the proper committee, unless by a majority vote of those present in the House should desire the same read.

46. Any member upon recognition by the Speaker may object to the reading of any document before the House. After such objection, the question of reading shall be determined without debate by a majority vote of the members present, upon a brief statement of its substance by the Speaker.

47. When a bill, resolution, petition, memorial, report and other paper addressed to the House is offered, a motion made to refer any subject, and different committees are proposed, the question shall be taken in the following order:
 A standing committee A select committee
 Committee of the Whole

When more than one (1) standing committee is proposed, the last proposed shall be the first voted upon as an amendment to strike out and insert.

48. Bills, resolutions, petitions, memorials, reports, and other papers addressed to the House shall, upon introduction, be referred by the Speaker to the committee having jurisdiction over the subject matter, and shall be considered by the House only after having been reported by such committee.

Provided, however, it shall be in order to consider a bill, resolution, petition, memorial, report, and other papers under the suspension of rules.

49. When a bill or concurrent resolution is originally referred to two (2) or more committees and favorably reported by them, the chairman of the first-named committee shall have the option of handling the bill or resolution on the floor.

Local and private bills may, in the discretion of the Speaker, be referred to two (2) or more committees, if, in the discretion of the Speaker, the nature and effect of said local and private bill shall require the consideration of another committee.

General bills written in such a way as to be local and private in nature shall be referred by the Speaker to the Committee on Local and Private Legislation and/or such other committee as permitted by the rules.

READING OF BILLS

50. After a bill has been read for the first time, if there is no objection, the rules shall be considered suspended and the bill placed on its second reading.

51. After a bill has been read the second time it shall be subject to amendment, but no discussion shall be allowed, or amendment adopted, until the bill shall have been referred to a committee with the proposed amendments thereto.

52. When a bill is up for final passage, and two (2) or more major amendments have been adopted, a motion to recommit shall be in order and have precedence over all other business. However, it shall be in order for the chairman of the first-named committee from which the bill was reported to the House or any member of the House designated by the chairman to make a motion to recommit without two (2) or more major amendments having been adopted.

53. Special order after the reading of the Journal of the preceding day shall be:

- (1) Senate messages.
- (2) Senate bills on the first and second reading and for the proper reference to the committees.
- (3) House bills on second reading.

REGULAR ORDER

54. The regular order shall be:

- (1) Report of select committees.
- (2) Report of standing committees in their order.
- (3) Introduction of bills and constitutional amendments.
- (4) Resolutions, petitions, memorials and other papers.
- (5) Introduction of guests and visitors.
- (6) Disposition of pending business on previous day, provided that nothing shall be considered under this section except propositions actually pending before the House at the time of adjournment on the previous day.
- (7) Consideration of conference reports.
When a conference report is called up, only three (3) courses are open: (a) agree, (b) disagree, or (c) recommit to the same or another conference committee with or without instructions. However, only two (2) motions for the three (3) courses are in order: (a) agree, or (b) recommit to the same or another conference committee with or without instructions. If both motions are offered, the motion to recommit shall take precedence.

A conference report must be acted on as a whole and dealt with in its entirety. A conference report may not be amended except as provided in Joint Rule 27A.
When conference results in disagreement, conferees reporting such disagreement in writing are thereby discharged and new conferees may be appointed.
- (8) Consideration of bills for concurrence.

When Senate amendments to a House bill are before the body, they shall be either concurred in or not concurred in their entirety and not

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

separately. The motion that the House do not concur in Senate amendments but invite conference shall take precedence over the motion that the House do concur. The concurrence in amendments adopted by the other house shall require for adoption the same vote as was required for the original passage of the measure and shall be on roll call duly entered and recorded in the Journal of the House. However, if the Senate amendments would make the House bill a revenue bill under the Joint Rules or the Mississippi Constitution if the amendments were engrossed into the bill, then the vote on concurrence in the Senate amendments shall require the same vote as required for the final passage of a revenue bill.

- (9) Consideration of motions to reconsider.
- (10) Consideration and passage of bills and resolutions on the general calendar.
- (11) The Rules Committee may report at any time.

ORDER OF BUSINESS

55. The order of business shall not be changed except by two-thirds (2/3) vote of those present and voting, and all questions relating to the priority shall be decided without debate.

COMMITTEE OF THE WHOLE

56. In all cases in forming a Committee of the Whole, which shall be done by a two-thirds (2/3) vote of the members present and voting, the Speaker shall leave his chair and the Speaker Pro Tempore shall preside. If the Speaker Pro Tempore is absent or if the Speaker Pro Tempore moved to go into the Committee of the Whole, the Speaker shall appoint a chairman to preside, who shall, in case of disturbance or disorderly conduct in the gallery or lobby, have the power to cause the same to be cleared, but the member making the motion to go into Committee of the Whole shall not be called to the chair.

57. Upon a bill being referred to the Committee of the Whole, the same shall first be read through by the Clerk, unless the committee shall otherwise order, and then read and debated by sections, leaving the title to be last considered. After report, the bill shall again be subject to debate and amendment before the question of engrossing it be taken.

58. The only motions permitted in Committee of the Whole are: to limit debate; to propose amendments; to recommend; to recess committee subject to the call of the chairman; to reconsider, provided said motion to reconsider may be called up immediately or at any time during the time the House is resolved into the Committee of the Whole for the consideration of the matter before the committee; and to rise.

59. The rules of the procedure in the House shall be observed in the Committee of the Whole so far as they may be applicable and in all committees, provided standing and select committees may exclude from their committee procedures those House Rules not compatible, in the opinion of said committee, with the proper function of said committee.

(2) No member shall serve on both the Committee on Ways and Means and any of the Appropriations Committees. Each member who is not a member of the Committee on Ways and Means or any of the Appropriations Committees shall serve on at least four (4) committees listed in this rule.

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

(3) The Appropriations A Committee and the Committee on Ways and Means each shall consist of thirty three (33) members appointed by the Speaker, six (6) members from each congressional district as constituted on January 1, 2024, and nine (9) members from the state at large. Appointments from the congressional districts shall be made on the basis of seniority. For the purposes of this rule, "seniority" shall mean length of service, continuous or interrupted, in either the House of Representatives or the Senate. However, seniority among members having the same length of service shall be determined as follows: first, continuous, uninterrupted service in the House; second, continuous, uninterrupted service in the House and Senate; third, interrupted service in the House; and fourth, interrupted service in the House and Senate.

(4) In order for a member to be eligible for the rights accorded by this subsection (4), a member shall submit a list of his or her committee preferences, setting forth at least ten (10) committees in order of preference with the most preferred being first on the list, to the Clerk of the House by 5:00 p.m. on the third calendar day of the first legislative session immediately following the year in which the members of the Legislature are elected. With regard to committee appointments, the following shall be followed by the Speaker of the House in making such appointments:

(a) Each member of the House who has served in the House for less than four (4) years, whether such service be continuous or interrupted, and who is not appointed to be a member of any of the Appropriations Committees or the Committee on Ways and Means shall, as a matter of right, be appointed to serve on at least two (2) of the first seven (7) committees on such list, not to include any of the Appropriations Committees and the Committee on Ways and Means; and

(b) Each member of the House who has served in the House for four (4) years or more, whether such service be continuous or interrupted, and who is not appointed to be a member of any of the Appropriations Committees or the Committee on Ways and Means shall, as a matter of right, be appointed to serve on at least three (3) of the first seven (7) committees on such list, not to include any of the Appropriations Committees and the Committee on Ways and Means.

(5) (a) The chairman of the Appropriations A Committee shall be an ex officio voting member of the Appropriations B, Appropriations C, Appropriations D and Appropriations E Committees.

(b) Each member of the Appropriations B, Appropriations C, Appropriations D and Appropriations E Committees shall also be a member of the Appropriations A Committee. However, except for the chairman of the Appropriations A Committee, no member of the Appropriations B, Appropriations C, Appropriations D or Appropriations E Committees may be a member of any of the other Appropriations Committees other than the Appropriations A Committee.

(6) In making committee appointments, the Speaker shall give consideration to the preferences as expressed by the members on their lists as provided in subsection (4) of this rule, and to the seniority, abilities, and geographic location of the members.

61. The first member named on a committee shall be its chairman and the second member named shall be its vice chairman, except that the Vice Chairman of the Management Committee shall be elected as provided in Rule 11A and the Appropriations B, Appropriations C, Appropriations D and Appropriations E Committees shall not have a vice chairman. However, no member who serves as chairman or vice

chairman of a standing committee shall serve as chairman or vice chairman of another standing committee, except that the Chairman of the Ethics Committee, the Vice Chairman of the Rules Committee, the Vice Chairman of the Management Committee and the Vice Chairman of the Committee on State Affairs may be the chairman of another standing committee. There shall be no further rank on committees, the remaining members being listed thereon in alphabetical order. Each committee shall, after its organization, immediately determine by a majority vote what shall constitute a sufficient quorum for it to proceed to business, which quorum shall be not less than a majority of the committee, and shall report that action to the Clerk of the House.

62. Bills, resolutions and other measures, at the discretion of the Speaker, may be referred to Judiciary en banc, in which event the Judiciary A Committee and the Judiciary B Committee shall sit as one (1) committee and be presided over by the Chairman of Judiciary A.

63. The chairman of each House committee shall keep a record of meetings and attendance and shall make with his report each time a statement showing the hour his committee met and the hour it adjourned, together with the names of all the members of the committee who were absent from the meeting, who had not been previously excused by him or by the Speaker to attend to other legislative duties.

ETHICS COMMITTEE

63A. As used in the context of this rule, the word "committee" shall mean the Committee on Ethics of the House of Representatives, and the phrase "majority of the committee" shall mean a majority of the members to which the committee is entitled.

The committee shall consist of eight (8) members, one (1) from each congressional district as constituted on January 1, 2024, one (1) member from the state at large appointed by the Speaker, and one (1) from each Supreme Court district, appointed by the Speaker. The Speaker shall appoint from the members a chairman, vice chairman and secretary for the committee.

The chairman shall notify all members of the committee at least twenty-four (24) hours in advance of the date, time and place of a meeting. Whenever the chairman shall refuse to call a meeting, a majority of the committee may vote to call a meeting by giving two (2) days' written notice to the Speaker of the House setting forth the time and place for such meeting. Such notice shall be posted in the office of the Clerk of the House, and if such meeting is called while the Legislature is in session the notice shall be read to the House. Thereafter, the meeting shall be held at the time and place specified in such notice.

The committee shall conduct its investigations, hearings and meetings relating to a specific investigation or a specific member, officer or employee of the House in closed session, and the fact that such investigation is being conducted or to be conducted, or that hearings or such meetings are being held or are to be held shall be confidential information, unless the person subject to investigation advises the committee in writing that he elects that such hearing shall be held publicly. In the event of such an election, the committee shall furnish such person a public hearing. All other meetings of the committee shall be open to the public.

The committee shall receive complaints from any citizen against members, officers and employees of the House alleging improper or unethical conduct. Any such complaint must be in writing signed by the person filing the complaint and acknowledged by a notary public, and must set forth in detail the conduct in question and the section of the Code of Ethics, other House Rule, written policy of the House adopted by the Management Committee, statute, or of the Constitution violated. The person against whom the complaint has been brought shall be notified in writing and given a copy of the

complaint. Within fifteen (15) days after receipt of the complaint, such person may file a written answer thereto with the committee. Upon receipt of the answer, by vote of a majority of the committee, the committee shall either dismiss the complaint within ten (10) days or proceed with a formal investigation, to include hearings, not less than ten (10) days nor more than thirty (30) days after notice in writing to the person so charged that the committee is proceeding with a formal investigation. Personal service of such notice shall be made by the Sergeant at Arms of the House of Representatives and a return made thereon to the committee. Failure of the person charged to file an answer shall not be deemed to be an admission or create an inference or presumption that the complaint is true, and such failure to file an answer shall not prohibit a majority of the committee from either proceeding with a formal investigation or dismissing the complaint.

A majority of the committee may, on its own, initiate a preliminary investigation of any suspected violation of the Code of Ethics, other House Rule, written policy of the House adopted by the Management Committee, statute, or Constitution by a member, officer or employee of the House. If it is determined by a majority of the committee that a violation of a rule or law may have occurred, the person in question shall be notified in writing of the conduct in question and the section of the Code of Ethics, other House Rule, written policy of the House adopted by the Management Committee, statute or Constitution violated. Within fifteen (15) days, such person may file a written answer thereto. Upon receipt of the answer, by vote of a majority of the committee, the committee shall either dismiss the charges within ten (10) days or proceed with a formal investigation, to include hearings, not less than ten (10) days nor more than thirty (30) days after notice in writing to the person so charged that the committee is proceeding with a formal investigation. Personal service of such notice shall be made by the Sergeant at Arms of the House of Representatives and a return made thereon to the committee. Failure of the person charged to file an answer shall not be deemed to be an admission or create an inference or presumption that the charge is true, and such failure to file an answer shall not prohibit a majority of the committee from either proceeding with a formal investigation or dismissing the charge.

In the event that the committee desires to review the statement of economic interest or any other statement filed with the Mississippi Ethics Commission by any member, officer or employee of the House, the commission shall furnish a certified copy of the statement to the committee.

In the event that the committee shall elect to proceed with a formal investigation of the conduct of any member, officer or employee of the House, the committee may, in its discretion, employ independent counsel who shall not be employed by the House for any other purpose or in any other capacity during such investigation.

Such person shall be entitled to present evidence, cross-examine witnesses, face his accuser, and be represented by counsel.

The chairman may continue any hearing for reasonable cause, and upon the vote of a majority of the committee or upon the request of any person subject to investigation, the chairman shall issue subpoenas for the attendance and testimony of witnesses and the production of documentary evidence relating to any matter under formal investigation by the committee.

All testimony, documents, records, data, statements or information received by the committee in the course of any investigation shall be private and confidential, except in the case of public hearings or in a report to the House. The committee may release any confidential information, including a report thereon, regarding any member, officer or employee at the request of such member, officer or employee. No report shall be made to the House unless a majority of the committee has made a finding of unethical or improper conduct on the part of the person under investigation. No finding of unethical or improper conduct shall be valid unless signed by at least a majority of the committee.

Any such report may include a minority report. No action shall be taken on any finding of improper or unethical conduct nor shall such finding or report containing such finding be made public sooner than seven (7) days after a copy of the finding is sent by certified mail to the member, officer or employee under investigation.

The committee may meet with a committee of the Senate to hold investigations or hearings involving employees of the two (2) houses jointly or employees of the Legislative Reference Bureau, the Joint Legislative Committee on Performance Evaluation and Expenditure Review, the Joint Legislative Budget Committee and any other joint committee created by the Legislature; provided, however, no action may be taken at a joint meeting unless it is approved by a majority of the committee.

In the event that a member of the committee shall be under investigation, such member shall be temporarily replaced on the committee in a like manner as the member's original appointment.

The committee, upon the written request of a member, officer or employee of the House, shall issue opinions in writing with regard to real or hypothetical situations pertaining to legislative ethics or decorum. When a request made under this paragraph has stated all the facts to govern the opinion and an opinion has been prepared and issued with reference to the request, there shall be no liability, civil or criminal, accruing to or against the person requesting the opinion who, in good faith, follows the direction of the opinion and acts in accordance with the opinion, unless a court of competent jurisdiction, after a full hearing, judicially declares that the opinion is manifestly wrong and without substantial support. No opinion shall be considered or issued if the opinion is requested after suit is filed, prosecution begun, or a complaint has been filed with the committee under this rule. All requests for opinions and all opinions issued under this paragraph shall be confidential and the committee shall not publicly disclose any opinion issued or the fact that an opinion has been requested or issued unless the person requesting the opinion gives his or her written permission to the committee. However, opinions of the committee, with such deletions and changes as are necessary to protect the identity of the person involved or seeking them, may be published and distributed to all the members of the House.

Any member of the committee breaching the confidentiality of materials and events as set forth in this rule shall, by a majority vote of the committee, be removed immediately from the committee and replaced by another member of the House in a like manner as the member's original appointment.

Any officer or employee of the House shall be subject to the same restriction of confidentiality as a member of the committee, and a breach of this restriction shall be grounds for dismissal of any officer or employee.

The committee may adopt rules of procedure for the orderly conduct of its affairs, investigations, hearings and meetings, which rules are not inconsistent with this rule.

The committee shall continue to exist and have authority and power to function after the sine die adjournment of the Legislature, and shall so continue until the expiration of the then current term of office of the members of the committee.

CODE OF ETHICS

63B. In addition to the other rules of the House of Representatives, and in supplement thereto, the following Code of Ethics is established as a standard of conduct for members.

- (1) No member, officer or employee of the House shall:

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

- (a) Accept employment or engage in any business or professional activity which will require him to disclose confidential information which he has gained by reason of his official position or authority;
- (b) Improperly disclose confidential information acquired by him in the course of his official duties nor use such information to further his personal interests;
- (c) Use or attempt to use his official position to secure unwarranted privileges or exemptions for himself or others;
- (d) Use for private gain any information not available to the public at large and acquired by him solely by virtue of his position, and no information described in this subsection shall be disclosed by a member to others for purposes of their use for private gain.

(2) Each member of the House shall file the statement of economic interest or any other statement required to be filed by the Mississippi Ethics Commission which shall be signed under oath as to the accuracy and completeness of the information set forth to the best knowledge of the person submitting such statement. Required statements hereunder shall be filed with the Mississippi Ethics Commission with such information as is required by law. In the event of any substantial change occurring after the time required for filing as to matters covered in this section, a supplemental statement shall be filed within thirty (30) days thereafter reflecting such new information.

(3) Any member who shall undertake to represent or to intervene for any person for compensation before any state agency shall file a statement with the Ethics Committee within thirty (30) days after undertaking that representation. Such statement shall identify the person represented and the nature of the business involved; however, this provision shall not apply: (a) where such representation involves only the uncontested or routine actions of administrative officers or employees of the state in issuing or renewing a license, charter, certificate or similar document, and (b) where such representation is before the Mississippi Workers' Compensation Commission.

(4) In addition to the filings required herein, copies of the statements required to be filed under this rule shall be filed with the Secretary of State. Such statements shall be open to the general public and shall be filed at the same time as filings required hereinabove.

64. Appropriation and revenue bills shall, at regular sessions of the Legislature, have precedence over all other business and no such bill shall be passed during the last five (5) days of the session.

65. It shall be the duty of the Committee on Engrossed and Enrolled Bills to examine all engrossed and enrolled bills, correct all mistakes therein, and report the bills to the House and this report shall be in order at any time.

THE PREVIOUS QUESTION

66. There shall be a motion for the previous question, which being ordered by a majority of members voting, if a quorum be present, shall have the effect to cut off all debate and bring the House to a direct vote upon the immediate question, or questions, on which it has been asked and ordered, except that each side shall be allowed ten (10) minutes on the main question and five (5) minutes on any subsidiary question for debate, the affirmative closing the debate. The previous question may be asked and ordered upon a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its recommitment, passage or rejection. It shall be in order after the previous question shall have been ordered on its passage, for the Speaker to entertain and submit a motion without debate to recommit, with or without

instruction, to a standing or select committee. Provided, however, a motion to reconsider the vote whereby an amendment has been adopted or rejected shall not be in order after the previous question has been ordered.

67. If the previous question is lost, the motion may not be renewed until a subsequent vote has been taken on any matter.

68. All incidental questions of order arising after a motion is made for the previous question, and pending such motion, shall be decided, whether an appeal or otherwise, without debate.

ON CALLS OF THE ROLL

69. Upon every roll call where the vote is not taken using the electronic roll-call system in Rule 97, the names of the members shall be called alphabetically by surname, except when two (2) or more have the same surname, in which case the name of the county shall be added; and if there are two (2) such members from the same county, the name and initials shall be called, and after the roll has been once called, the Clerk shall call in their alphabetical order the names of those not voting; and thereafter the Speaker shall not entertain a request to record a vote or announce a pair; and the yeas and nays on any question shall be entered on the Journal, at the request of one-tenth (1/10) of the members present; and the yeas and nays shall be entered on the Journal on the final passage of every bill.

ABSENCE OF QUORUM

70. In the absence of a quorum, fifteen (15) members, including the Speaker, if there is one, shall be authorized to compel the attendance of absent members, and in all calls of the House the doors shall be closed, the names of the members shall be called by the Clerk, and the absentees noted; and those for whom no sufficient excuse is made may, by order of a majority of those present, be sent for and arrested, wherever they may be found, by officers appointed by the Sergeant at Arms for that purpose, and their attendance secured and retained; and the House shall determine upon what condition they shall be discharged. Members who voluntarily appear shall, unless the House otherwise direct, be immediately admitted to the Hall of the House, and they shall report their names to the Clerk to be entered upon the Journal as present.

71. On the demand of any member, or at the suggestion of the Speaker, the names of members sufficient to make a quorum in the Hall of the House who do not vote shall be noted by the Clerk and recorded in the Journal, and reported to the Speaker with the names of the members voting and be counted and announced in determining the presence of a quorum to do business.

72. Whenever a quorum fails to vote on any question and a quorum is not present and objection is made for that cause, unless the House shall adjourn there shall be a call of the House, and the Sergeant at Arms shall forthwith proceed to bring absent members, and the yeas and nays on the pending question shall at the same time be considered as ordered.

The Clerk shall call the roll, and each member as he answers to his name may vote on the pending question, and, after the roll call is completed, each member arrested shall be brought by the Sergeant at Arms before the House, whereupon he shall be noted as present, discharged from arrest, and given an opportunity to vote and his vote shall be recorded. If those voting on the question and those who are present and decline to vote shall together make a majority of the House, the Speaker shall declare that a quorum is constituted, and the pending question shall be decided as the majority of those voting shall appear; and thereupon further proceedings under the call shall be considered as

dispensed with. At any time after the roll call has been completed, the Speaker may entertain a motion to adjourn, if seconded by a majority of those present, to be ascertained by actual count by the Speaker; and if the House adjourns, all proceedings under this section shall be vacated.

DIVISION OF QUESTION

73. On demand of any member, before the question is put, a question shall be divided if it include propositions so distinct in substance, that one being taken away, a substantive proposition shall remain.

74. (1) Questions of privilege shall be:

First, those affecting the rights of the House collectively, its safety, dignity and the integrity of its proceedings. Second, the rights, reputation and conduct of members individually in their representative capacity only.

(2) No member shall speak more than ten (10) minutes on any question of privilege.

HOURS OF MEETING AND ADJOURNMENT

75. Two o'clock in the afternoon on each legislative day shall be the standing hour to which the House adjourns, unless otherwise ordered by a majority of the members present and voting.

76. The hour at which every motion to adjourn is made shall be entered on the Journal.

77. It shall be the duty of the Rules Committee to prescribe a schedule for regular meetings of standing committees.

78. Every bill or resolution, when favorably reported by the proper committee, shall be made available for viewing on the members' computers and shall be reproduced with sufficient copies so that copies thereof may be placed on the desk of every member who requests to have a copy, before any such bill or resolution is placed on final passage. No bill or resolution shall be considered by the House unless it is available for viewing on the members' computers and all members who request to have a copy of the bill or resolution have been furnished copies thereof, except by unanimous consent. When a bill or resolution is being considered by the House, all amendments offered have been disposed of, and two (2) or more major amendments have been adopted, any member may move that the bill be engrossed. If such motion is adopted by a majority of those present and voting, further consideration of such bill or resolution shall be suspended until the bill or resolution has been engrossed and the engrossed bill or resolution is available for viewing on the members' computers and all members present who request to have a copy have been furnished copies of the engrossed bill or resolution. When the engrossed bill or resolution is available for viewing on the members' computers and all members who request to have a copy have been furnished copies of the engrossed bill or resolution, the bill or resolution shall then become pending business of the House as soon as the main question then under consideration has been disposed of. The committee or any member proposing a substitute or an amendment which is, in effect, a substitute for an entire bill or resolution, shall provide the substitute or amendment to the Clerk to make it available for viewing on the members' computers and provide copies of the substitute or amendment to all members who request a copy before the same shall be voted on for consideration or adoption, except on suspension of the rules.

79. When a bill, memorial or resolution has been finally rejected in the House, it shall not again be introduced or considered during the same session without notice of three (3) days and leave of two-thirds (2/3) of the members present and voting, and a bill so offered for reintroduction shall be regarded as the same, if it deals substantially with the same subject matter.

SPECIAL ORDER

80. Special orders of the day not disposed of on the day assigned, shall stand for every succeeding day, until disposed of.

81. (1) A motion to postpone to a day certain shall require a majority of those present and voting for its adoption, but a motion to postpone to a time certain shall be deemed, and treated as, a motion to set as a special order. (2) A motion to set a special order may be amended as to time. It is debatable only as to the question of setting the special order and does not open up the main question to debate. (3) A motion to set a special order shall require a two-thirds (2/3) vote of those members present and voting. (4) When special orders that have been made at different times come into conflict, the one that was first made takes precedence over all special orders made afterwards, although the latter were made for an earlier hour.

CALENDARS

82. Bills reported by committees shall be given a serial number by the Clerk and shall be placed on the calendar in the order in which reported by the committee and shall be called for consideration in that order. Bills on the calendar may only be called up by the chairman of the first-named committee from which the bill was reported to the House, or any member of the House designated by the chairman. When a bill is called for consideration in the order in which placed on the calendar and is not considered by the House, it shall go to the heel of the calendar, unless a majority of the members present allow the bill to retain its place on the calendar. Separate calendars shall be kept for the bills reported by the Committees on Ways and Means, Appropriations, Rules, and Local and Private Legislation.

83. Any committee or individual member of the House may apply to the Committee on Rules to set a time for the taking up, ahead of its regular place on the calendar, of any measure favorably reported by the committee to which the measure has been referred. The Committee on Rules may grant such request by a majority vote. The Committee on Rules may designate a day of each legislative week as a noncontroversial bill day. When such a day be designated, all bills appearing on the calendar shall be considered in their regular order provided, however, that should ten percent (10%) of the membership object to any measure on the noncontroversial calendar stating that it is of a controversial nature, that measure shall go to the heel of the General House Calendar.

84. The calendar shall be made up from day to day.

MINORITY REPORT

85. Bills adversely reported by the committees shall not be placed on the calendar at all unless accompanied by a minority report signed by one or more members who were present at the committee meeting at which the bill was reported. Minority reports must be filed within three (3) legislative days after the bill has been reported by the committee; a minority report shall be placed on the calendar at the heel of favorably reported bills and shall not be considered until all favorably reported bills are disposed of, except on a suspension of the rules on a two-thirds (2/3) vote of those elected to the

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

House and on roll call, whereupon, the House may proceed immediately to the consideration thereof.

86. Matters affecting the public interest and regarded as of immediate necessity may be advanced on the calendar by the Rules Committee, and such matters may also be advanced on the calendar by a vote of a majority of the members elected to the House of Representatives.

RULES

87. The permanent Rules of the House may not be changed or amended except by three (3) days' notice by a motion entered in writing and placed on the Journal and by a vote of three-fifths (3/5) of those present and voting, except that no rule shall be changed or amended unless at least a majority of the elected members of the House of Representatives vote for said change or amendment.

Provided, however, the rules, or a rule, may be amended or changed by a resolution referred to the Rules Committee, reported favorably, and adopted by a majority of the elected members of the House of Representatives, and such resolutions, once reported, shall not be amended except by a three-fifths (3/5) vote of the elected members of the House of Representatives.

A motion to reconsider the vote whereby a rule has been adopted or failed shall not be in order at any time.

88. The current Rules of the House of Representatives of the United States shall govern in all cases to which they are applicable and in which they are not inconsistent with the foregoing rules, the Joint Rules of the Senate and the House of Representatives, and the Constitution of the State of Mississippi.

89. No person shall be entitled to enter upon the Floor of the House except: Members, their spouses, former members of the Legislature, unless said former member is a registered lobbyist, officers and employees of the House; members, officers and employees of the Senate; members of the news media who have proper credentials issued by the Rules Committee; ministers invited by the Speaker or the Clerk; and such others as the Committee on Rules may designate. Doors between the lobby and the cloak room, and the door between the lobby and the Hall of the House shall be kept closed. Visitors invited and personally accompanied by members are permitted in the lobby. The Speaker is charged with the enforcement of this rule, and it shall be the duty of any member, officer or employee of the House to inform the Speaker of any violation of this rule. This rule is applicable from one (1) hour before the House convenes each day until the House adjourns each day.

90. Privilege of reports from Committee on Rules, and limitations thereon.

It shall always be in order to call up for consideration a report from the Committee on Rules and, pending the consideration thereof, the Speaker may entertain one (1) motion that the House adjourn; but after the result is announced, he shall not entertain any other dilatory motion until the report has been fully disposed of.

91. No committee, except the Committee on Rules, shall sit during the sitting of the House, without special leave.

INTRODUCTION OF BILLS

92. Each member, who desires to introduce a bill shall place same in box in front of the Clerk's desk at any hour to suit his convenience, and the Clerk is instructed to

take these out at each session when the order for introduction of bills and constitutional amendments is reached, and read their titles, and after the expiration of not less than one (1) legislative day, the Speaker shall refer them to the proper committees; provided, however, that this shall not prevent the immediate references of said bills or constitutional amendments under a suspension of the rules.

93. All bills and resolutions must be typewritten or printed. Bills and resolutions must be introduced in original form (not carbon, photocopy or facsimile) and should be free from interlineations, corrections and strikeouts, whether with ink, pencil or typewriter. Amendments proposed by members or by committees must not be written into a bill or resolution until such amendments shall be adopted by the House.

94. In addition to any other time provided by law or by rule, members of the House may file bills or resolutions with the Clerk of the House at any time during the period between sessions of the Legislature. Such prefiled bills shall be numbered by the Clerk of the House and referred by the Speaker to the appropriate standing committee of the House for study. Such prefiled bills shall be introduced in the order filed on the first day of the next succeeding regular session of the Legislature, or special session if included within the Governor's call, and referred to committee in the regular order of business of the House.

WITHDRAW FROM COMMITTEE

95. (1) Except as otherwise provided in this rule, every House bill, resolution or measure referred to any committee, and not reported therefrom with a recommendation by the twenty-seventh day of a ninety-day session and by the sixty-second day of a one-hundred-twenty-five-day session, and every Senate bill, resolution or measure referred to any committee, and not reported therefrom by the fifty-fifth day of a ninety-day session and by the ninetieth day of a one-hundred-twenty-five-day session, may be withdrawn from the committee on a motion made in writing, which motion must be read by the Clerk immediately upon its introduction, setting forth the reasons why the bill should be withdrawn from the committee, by a vote of two-thirds (2/3) of the members present and voting. It may then be taken up and considered by the Committee of the Whole House in accordance with the procedure set forth in House Rule 56, or, by a two-thirds (2/3) vote of those present and voting it may be recommitted to a standing committee. During extraordinary or special sessions of the Legislature, any bill, including an appropriation or revenue bill, may be withdrawn from committee after three (3) days from the date of reference. A motion to withdraw a bill from a committee shall not be voted upon by the House on the day which the motion is made, except upon suspension of the rules by a two-thirds (2/3) vote of those present and voting.

(2) Any House appropriation bill or revenue bill referred to the House Appropriations Committee or the House Ways and Means Committee and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule if the motion for withdrawal is made by the fiftieth day of a ninety-day session and by the eighty-fifth day of a one-hundred-twenty-five-day session.

(3) Any Senate appropriation bill or revenue bill referred to the House Appropriations Committee or the House Ways and Means Committee and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule if the motion for withdrawal is made by the seventieth day of a ninety-day session and by the one-hundred-fifth day of a one-hundred-twenty-five-day session

(4) Any House resolution or House concurrent resolution that is referred after the twenty-ninth day of a ninety-day session or after the sixty-fourth day of

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

a one-hundred-twenty-five-day session, and any Senate concurrent resolution that is referred to a House committee after the fifty-seventh day of a ninety-day session or after the ninety-second day of a one-hundred-twenty-five-day session, and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule.

(5) For the purposes of this rule, the term "revenue bill" shall include only those bills whose primary purpose is to increase or decrease taxes or to authorize the issuance of bonds or the borrowing of money. Bills which are primarily for regulatory purposes which have revenue provisions included shall not be considered as revenue bills for the purposes of this rule.

(6) If the Legislature shortens a ninety-day regular session or a one-hundred-twenty-five-day regular session by moving the deadlines for processing legislation that are set forth in Joint Rule 40 to dates earlier than the dates otherwise set for those sessions, the dates set forth in this subsection (6) shall apply to the motion for withdrawing a bill from committee. A general bill, resolution or measure that has not been reported from the committee to which it has been referred may be withdrawn from the committee after the second day before the deadline for the committee to report the bill, resolution or measure. An appropriation or revenue bill that has not been reported from the House Appropriations Committee or the House Ways and Means Committee, as the case may be, within ten (10) legislative days after referral, may be withdrawn from the applicable committee if the motion for withdrawal is made by the day before the deadline for original House floor action on the bill. A House resolution or House concurrent resolution that is referred after the deadline for committees to report House general bills, and any Senate concurrent resolution that is referred to a House committee after the deadline for House committees to report Senate general bills, and not reported therefrom with a recommendation within ten (10) legislative days after referral may be withdrawn from the committee in accordance with the procedure set forth in subsection (1) of this rule. All other provisions of this rule regarding the procedure to follow and the associated vote requirements for withdrawing bills from committee shall apply.

BILLS SHALL LIE ON TABLE ONE DAY

96. Every bill or resolution requiring the signature of the Governor, all resolutions proposing amendments to the Constitution, and all reports of committees except the report of the Committee on Rules, shall lie on the table one (1) day before being considered except by suspension of the rules.

ROLL CALLS

97. When taking the yeas and nays on any question to be voted upon, the electrical roll-call system may be used, and, when so used, shall have the same force and effect as a roll call taken as otherwise provided in the Rules of the House.

When the House is ready to vote upon any question requiring a roll call and the vote is to be taken by the electrical roll-call system, the Speaker shall announce:

"The question is on the passage of (designating the matter to be voted upon). All those in favor (of such question) vote 'Aye'; all those opposed vote 'No.' The House will now vote."

When sufficient time has been allowed the members to vote, the Speaker shall announce one or more times: "Have all voted?" And after a short pause, the Speaker shall direct the Clerk to lock the machine and record the vote.

The Clerk shall immediately start the vote-recording equipment and, when the vote is completely recorded, shall advise the Speaker of the result, and the Speaker shall announce the result to the House. The Clerk shall enter upon the Journal the result in the manner provided by the Rules of the House.

After the voting machine has been locked, but prior to the display of the tabulated vote on the electric voting board of the result of a roll call, any member may request to (1) change his or her vote, or (2) vote. After the vote has been tabulated and displayed on the electric voting board, a member with unanimous consent may change his or her vote on the measure, except that no such change of vote shall be permitted where such vote would alter the final vote on the measure.

No member shall vote for another member, nor shall any person not a member cast a vote for a member. In addition to such penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be punished in such a manner as the House may determine. If a person not a member shall vote or attempt to vote for any member, he or she shall be barred from the Floor of the House for the remainder of the session and may be punished further in such manner as the House may deem proper, in addition to such punishment as may be prescribed by law.

98. Neither the Speaker nor the House exercises jurisdiction over pairs, and the only cognizance of them taken by the rules is the provision for the announcement and publication.

99. No member shall be permitted to give an oral explanation of his vote but may reduce his explanation to writing in not more than one hundred (100) words, and upon filing with the Clerk, this explanation shall be spread on the Journal.

MOTION TO RECONSIDER

100. Any member voting on any measure, shall be privileged to enter a motion to reconsider the vote whereby the measure is disposed of, at any time within the period prescribed by the rules of this House.

101. A motion to reconsider having been properly made and entered in the Journal shall become the property of the House and may be called up only by the chairman of the first-named committee from which the measure was reported to the House, or any member of the House designated by the chairman.

When a measure requires more than a majority vote for passage, it may still be reconsidered by a majority vote. 101A. When a bill or resolution is before the House for final passage or adoption and a motion to lay on the table (motion to table) the bill or resolution prevails, the vote to table the bill or resolution may be held on a motion to reconsider and may be reconsidered in the same manner as a vote on final passage or adoption of a bill or resolution that fails.

102. When a bill is read the third time in regular order, and not under suspension of the rules, it shall be considered engrossed and the House on the next or any succeeding legislative day may proceed to a vote on its final passage in the same manner as if the rules had been suspended for its consideration.

PASSAGE OVER VETO

103. (1) Upon return of a bill without the approval of the Governor accompanied by the Governor's objections to the bill, the House shall proceed to reconsider the bill by either an immediate vote on the motion for passage, the Governor's veto notwithstanding, or by referral to the committee which originally recommended the bill. If the bill is reconsidered by referral to the committee of origin, the committee may report,

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

with written recommendations, to the full House at any time before the date of sine die adjournment of the session. At the time of the report of such committee, only two (2) courses shall be open:

(a) Allow Governor's veto to stand.

(b) Override Governor's veto.

The motion for the first course is a motion to allow the Governor's veto to stand, and the motion for the second course is a motion for passage, the Governor's veto notwithstanding. Such a motion, while not mandatory, shall be in order at any time.

(2) Upon calling up a bill for reconsideration and passage, the Governor's veto notwithstanding, the question before the House is not of reconsideration but that of overriding the Governor's veto.

(3) A two-thirds (2/3) vote of those members present and voting, a quorum being present, is required to pass a bill over a Governor's veto.

(4) A motion to reconsider the vote by which a vetoed bill is passed or rejected is not in order.

104. The Rules Committee shall set aside space to accommodate representatives of the press, radio and television media wishing to report proceedings and such representatives shall be admitted to such area under such regulations as the Rules Committee may from time to time prescribe. The supervision of such portion of the floor shall be fixed in the Committee on Rules.

(a) The correspondents shall abide by such rules and regulations as may be adopted by the Rules Committee.

(b) The press table allotted to representatives of the news media shall be for their exclusive use and persons not holding correspondents' cards shall not be entitled to admission thereto.

OPEN MEETINGS

104A. All official meetings of any standing, interim or special committee of the House of Representatives, but not including conference committees, unless otherwise provided by this rule or the Constitution of the United States or the State of Mississippi, are declared to be public meetings and shall be open to the public at all times unless declared an executive session as provided herein. Any such House committee may enter into executive session for the transaction of public business; provided, however, all meetings of any such committee shall commence as an open meeting, and an affirmative vote of a majority of all members present shall be required to declare an executive session. The procedure to be followed by such committee in declaring an executive session shall be as follows: Any member shall have the right to require a closed determination upon the issue of whether or not to declare an executive session. Such member, by motion, shall require the meeting to be closed for a preliminary determination of the necessity for executive session. No other business shall be transacted until the discussion of the nature of the matter requiring executive session has been completed and a vote taken on the issue. The total vote on the question of entering into an executive session shall be recorded and spread upon the minutes of such committee. Any such vote whereby executive session is declared shall be applicable only to that particular meeting.

Any such House committee may make and enforce reasonable rules and regulations for the conduct of persons attending its meetings.

Minutes shall be kept of all House committees, in open or executive session, and shall consist of a written record of attendance and final actions taken at such meetings. Such minutes shall be open to public inspection during regular business hours within a reasonable time after adjournment.

During a regular or special session of the Legislature, notice of meetings of all House committees, other than conference committees, shall be given by announcement on the loudspeaker during sessions of the House or by posting on a bulletin board provided for that purpose.

When not in session, the meeting times and places of all House committees shall be kept by the Clerk of the House of Representatives and shall be available at all times during regular working hours to the public and news media.

ELECTION CONTEST

104B. The procedure for handling the contest of the election, other than a primary election, of a member of the Mississippi House of Representatives shall be as follows:

(1) Anyone desiring to contest the election, other than a primary election, of a member returned as elected to the Mississippi House of Representatives shall file with the Clerk of the House of Representatives, within thirty (30) days after a regular general election or ten (10) days after a special election to fill a vacancy, a sworn petition stating particularly the grounds upon which the election is contested. A copy of the petition shall be served on the member whose election is being contested. Any allegations concerning the election, or any grounds for the contest contained in the petition, shall be stated and averred in the same manner in which circumstances constituting fraud are required to be stated with particularity when pleading special matters under the Mississippi Rules of Civil Procedure.

(2) Upon the timely filing of the petition, the Speaker of the House of Representatives shall appoint a special committee to resolve the election contest. Any special committee appointed by the Speaker under this subsection (2) shall be composed of the chairman, who shall be appointed from the state at large, and one (1) member of the House of Representatives from each congressional district as constituted on January 1, 2024. In making the committee appointments, the Speaker shall give consideration to the seniority, abilities and geographic location of the members. Within fifteen (15) days after the Speaker's appointment of the special committee, the committee shall meet to organize and review the petition.

(3) (a) Either party to such an election contest may obtain discovery regarding any matter, not privileged, which is relevant to the particular grounds stated in the petition or any response thereto, and he may use any method of discovery that is authorized under the Mississippi Rules of Civil Procedure.

(b) Either party shall have the right of full examination of ballot boxes in accordance with Section 23-15-911, Mississippi Code of 1972.

(c) All forms of discovery shall be completed within twenty (20) days before the convening of a regular session on the Tuesday after the first Monday in January, except that in the case of a special election to fill a vacancy, discovery shall be completed within thirty (30) days after the special election.

(d) The special committee shall have exclusive jurisdiction over the determination of whether the filing of the petition and discovery related thereto have been timely made. If the filing of the petition or the discovery related thereto is not made timely, the election contest shall be void, and the contest and any rights related thereto shall expire by operation of law.

(4) On the first day of the regular session next occurring after the election being contested, the person who was certified by the appropriate election officials as the duly elected member of the Mississippi House of Representatives from the district in question shall be administered the oath of office by the Secretary of State as required by the Constitution, along with all other members present, and he shall not be requested to stand aside if he has been so certified. In the case of a special election contest, the oath shall be administered by the Speaker as in the case of administering the oath after any special election in which no contest has been filed. The seating and swearing in of a member who has been certified by the appropriate election officials before the special committee has concluded its deliberations shall be conditional and not permanent. The conditional seating and swearing in of the member shall vest in the member all the rights, privileges, and emoluments of the office, but without prejudice to the contest filed by the petitioner.

(5) The special committee appointed by the Speaker shall meet on the first day of the regular session next occurring after the election being contested, except that in the case of a special election to fill a vacancy, the special committee shall meet within five (5) days of the completion of discovery. The work of the special committee shall be a matter of the highest priority for the House, and any conflicts in scheduling meetings of the committee shall be resolved in favor of expediting the committee's work. The special committee shall have the power to investigate all facts concerning the election or qualifications of any member or petitioner, but shall not place itself in the position of investigating matters not alleged in the petition or any response thereto. It also shall have the power to issue subpoenas and compel the attendance of witnesses and the production of such documents or papers as may be required. The special committee shall have the authority to enforce any subpoena issued by the committee and to enforce compliance with the time limitations set forth in this rule, with the assistance of the State Attorney General or his designee.

(6) After the committee concludes its deliberations, it shall report a resolution recommending one (1) of the following courses of action to the House:

- (a) to seat permanently the House member who was certified and sworn in under subsection (4) of this rule, failure of which shall vacate the seat for the House district in question held by that person;
- (b) to seat permanently the petitioner in the election contest, passage of which will vacate the seat for that House district and the petitioner shall be sworn in for that seat; or (c) to declare the office of representative for that House district as vacant. The House shall consider the recommendation of the committee, and it shall adopt one (1) of the courses of action specified in this subsection (6), which must be adopted by a majority vote of House members present and voting.

(7) For purposes of this rule, "day" means a calendar day and includes any legal holiday.

(8) Section 55, Mississippi Constitution of 1890, which requires a two-thirds (2/3) vote of the members present to expel a seated member, shall not apply to any votes taken with regard to an election contest of a member of the House of Representatives.

(9) If the House determines that the person conditionally sworn in under subsection (4) of this rule is not qualified as a member of the Mississippi House of Representatives, any vote cast in the interim shall stand and any compensation and expenses paid shall be retained by that person. If the petitioner prevails on the merits of his contest, he shall receive the regular compensation and expenses of a member of the House, retroactive to the beginning of the session, or in the case of a special election,

retroactive to the date upon which the House member conditionally sworn in was seated.

(10) Under the inherent authority of the House to create procedures and rules for the governing of its internal affairs, if any provision of this rule conflicts with any provision of Sections 23-15-955 and 23-15-957, Mississippi Code of 1972, the provisions of this rule shall prevail.

CONSTITUTIONAL PROVISIONS

105. Neither house shall, without the consent of the other, adjourn for more than three (3) days, nor to any other place than that in which the two (2) houses shall be sitting. (Art. 4, Sec. 57, Constitution).

106. No law shall be revived or amended by reference to its title only, but the section or sections, as amended or revived, shall be inserted at length. (Art. 4, Sec. 61, Constitution).

107. No appropriation bill shall be passed by the Legislature which does not fix definitely the maximum sum thereby authorized to be drawn from the Treasury. (Art. 4, Sec. 63, Constitution).

108. All votes on the final passage of any measure shall be subject to reconsideration for at least one (1) whole legislative day, and no motion to reconsider such vote shall be disposed of adversely on the day on which the original vote was taken, except on the last day of the session. (Art. 4, Sec. 65, Constitution).

109. No new bill shall be introduced into either house of the Legislature during the last three (3) days of the session. (Art. 4, Sec. 67, Constitution).

110. No law granting a gratuity or donation in favor of any person or object shall be enacted except by the concurrence of two-thirds (2/3) of the members-elect of each branch of the Legislature, nor by any vote for a sectarian purpose or use. (Art. 4, Sec. 66, Constitution).

111. General appropriation bills shall contain only the appropriations to defray the ordinary expenses of the executive, legislative and judicial departments of the government; to pay interest on state bonds and to support the common schools. All other appropriations shall be made by separate bills, each embracing but one (1) subject. Legislation shall not be engrafted on appropriation bills, but the same may prescribe the conditions on which the money may be drawn, and for what purposes paid. (Art. 4, Sec. 69, Constitution).

112. No revenue bill, or any bill providing for assessments of property for taxation, shall become a law except by a vote of at least three-fifths (3/5) of the members of each house present and voting. (Art. 4, Sec. 70, Constitution).

113. Every bill introduced into the Legislature shall have a title, and the title ought to indicate clearly the subject matter or matters of the proposed legislation. Each committee to which a bill may be referred shall express, in writing, its judgment of the sufficiency of the title of the bill, and this, too, whether the recommendation be that the bill do pass or do not pass. (Art. 4, Sec. 71, Constitution).

114. No bill shall become a law until it shall have been referred to a committee of each house and returned therefrom with a recommendation in writing. (Art. 4, Sec. 74, Constitution).

115. No bill passed after the adoption of this Constitution to make appropriations of money out of the State Treasury shall continue in force more than two (2) months after the expiration of the fiscal year ending after the meeting of the Legislature at its next regular session; nor shall such bill be passed except by the votes of a majority of all the members elected to each house of the Legislature. (Art. 4, Sec. 64, Constitution).

116. There shall be appointed in each house of the Legislature a standing committee on Local and Private Legislation; the House committee to consist of seven (7) Representatives, and the Senate committee of five (5) Senators. No local or private bill shall be passed in either house until it shall have been referred to said committee thereof, and shall have been reported back with a recommendation in writing that it do pass, stating affirmatively the reasons therefor, and why the end to be accomplished should not be reached by a general law, or by a proceeding in court; or if the recommendation of the committee be that the bill do not pass, then it shall not pass the house to which it is so reported unless it be voted by a majority of all the members elected thereto. If a bill is passed in conformity to the requirements hereof, other than such as are prohibited in the next section, the courts shall not, because of its local, special, or private nature, refuse to enforce it. (Art. 4, Sec. 89, Constitution).

B. JOINT RULES OF THE HOUSE AND SENATE

1. The Senate and the House may meet in joint convention by concurrent resolution duly adopted by both houses. Such resolution shall state the day, hour and location of such joint convention and the order of business for which it is called.

2. All joint conventions of the two (2) houses shall be in the hall of the House of Representatives, unless another location is specified in the concurrent resolution, and in elections the members shall vote viva voce, and in all cases a majority of the votes of those present and voting shall be requisite to constitute an election.

Only senators and members of the House of Representatives shall be permitted on the floor of the House during joint meetings except for the newspaper, radio, and television reporters and necessary Senate and House personnel and others as may be directed by the President of the Senate and Speaker of the House of Representatives respectively. During joint meetings, preference to gallery seats shall be given to elected state officials and families of the legislators.

3. When the two (2) houses have met in joint convention, the Speaker of the House shall call the joint convention to order and shall then turn the gavel over to the President of the Senate who shall preside, and all questions of order shall be decided by the latter, subject to an appeal to the joint convention as one (1) body. In the absence of the President of the Senate, the Speaker shall preside and perform all the duties herein provided for.

4. A call of either house may be had in joint convention by majority vote of the House for which the call is desired.

5. In a joint convention a member shall not speak longer than five (5) minutes. Any extension of time shall be specific.

6. A motion to adjourn, or to postpone the business of a joint convention shall be decided on a majority vote of those present and voting, acting as one (1) body. Upon demand of one-tenth (1/10) of the combined membership, the yeas and nays shall be taken on any matter under consideration by the joint convention, and such yeas and nays shall be entered upon the journals of both houses.

7. Upon questions arising during a joint convention, requiring the separate decision of either or both houses, the decision of the House shall be first made, then the decision of the Senate. A question for call of either house shall not come within the scope of this rule.

8. On all questions of order or parliamentary procedure not in conflict with these joint rules, the rules of the House of Representatives of the State of Mississippi, insofar as applicable, shall be the authority.

BILLS AND RESOLUTIONS

9. The style of all laws shall be: "BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:" which shall be typed immediately preceding Section 1 of a bill. No other enacting word, such as "Be it further enacted," shall be used in any bill.

9A. (1) In a bill or other measure proposing an amendment to a code section

or other provision of law, or in a resolution proposing an amendment to a constitutional provision, a change to an existing code section, other provision of law or constitutional provision shall be indicated as follows:

(a) New language that is being added shall be underlined.

(b) Existing language that is being deleted shall be denoted by the insertion of three (3) asterisk symbols; however, the text of the deleted language shall be available on the official website of the Mississippi State Legislature, by means of displaying all of the deleted language within a document pursuant to the selection of that display option by the user.

(2) The provisions of this rule shall not apply to handwritten amendments that are proposed or adopted by members while the bill, measure or resolution is under consideration by either house.

10. While bills, resolutions and messages are on their passage between the two (2) houses, they shall be under the signature of the Secretary or Clerk, respectively, as the case may be.

11. When a bill or resolution which shall have passed one (1) house has been postponed to a day so distant that it will not be taken up again at the current session, indefinitely postponed, or rejected, by a vote of the other house, information thereof shall be given by message immediately to the house in which the same shall have passed.

12. When a bill or resolution, which has passed one (1) house is rejected in the other, by a vote of that house, it shall not again be introduced during the same session, except on three (3) days' notice and on two-thirds (2/3) vote of members present and voting in the house in which it was rejected.

13. Each house shall transmit to the other all papers on which any bill or resolution may be founded.

14. Each house shall have the liberty of ordering the printing of bills, messages and reports, without the consent of the other.

15. Bills or resolutions transmitted to either the Senate or House by the other before the constitutional time has expired for entering a motion to reconsider may be recalled by message upon proper entering of a motion to reconsider.

16. Whenever any message, bill, resolution, report or document shall be ordered to be printed by the Senate or House, for use of both houses, it shall be the duty of the Secretary of the Senate or Clerk of the House, as the case may be, immediately to report the fact of the passage of that order to the other branch of the Legislature together with the number so ordered to be printed. Payment thereof shall be made from the contingent funds of each house in the proportion ordered by each house.

17. No new bill shall be introduced into either house during the last three (3) days of the session.

18. All general bills modifying, adding, deleting or repealing language, or a repealer on language, that provides for the levying of taxes, borrowing of money, issuing bonds, notes, or other evidence of debt, that provides for fees or imposing the issuance of licenses, of whatever kind by the state or any subdivisions thereof,

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

or that provides the exemption of property from state taxes or taxes of any subdivisions thereof, shall be considered as revenue bills, and no revenue bills, or conference committee report thereon, or concurrence in amendments adopted by the other house shall be passed or adopted by either the Senate or the House except by a vote of at least three-fifths (3/5) of the members of the Senate and House, respectively, present and voting.

19. Appropriation and revenue bills shall have precedence in each house, over all other business, and no such bill shall be passed during the last five (5) days of a regular session.

20. Every bill and concurrent resolution, the purpose or effect of which is to expend any state funds or enable the spending of any state funds or to increase or decrease the revenue of the state, either directly or indirectly, shall have attached to it at the time of its being reported by any committee of either house of the Legislature a brief explanatory statement or note which shall include a reliable estimate of the anticipated change in state expenditures or revenues under its provisions. These statements or notes shall be known as fiscal notes. They shall be attached to the original of each proposed bill or resolution but shall be separate therefrom, shall be clearly designated as a fiscal note, and shall not constitute a part of the law proposed by the bill or resolution.

The author of each bill or any committee considering same shall present a copy of the bill or resolution, with his or her request for a fiscal note, to either the Legislative Budget Office, the Department of Finance and Administration, the Department of Revenue, the State Auditor, the state agency with which the bill or resolution is concerned, the state agency having jurisdiction over the subject of the bill or resolution, the Joint Committee on Performance Evaluation and Expenditure Review, or the Legislative Reference Bureau. The fiscal note shall be prepared by the commission or agency and furnished to the author of the bill or committee considering same within seven (7) days after the request is made. If the author of, or committee considering, the bill disagrees with the findings of the agency or agencies, then the author or committee may also attach and furnish a fiscal note, based upon his, her or its information, research, study and belief which shall then be incorporated in and become a part of the fiscal note. If the appropriate agency does not furnish a fiscal note, after seven (7) days' request, then the author or committee may furnish the fiscal note, based upon his, her or its information, research, study and belief. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to the merit, or lack thereof, of the measure for which the note is prepared.

Whenever the author of any measure or the committee considering same is of the opinion that no fiscal note is necessary and the measure is considered by either house of the Legislature without a fiscal note, any member of either house may thereafter request a fiscal note be obtained, and in such case the matter shall be decided by majority vote of those present and voting in the house of which he or she is a member.

This rule shall not apply to general appropriation bills, conference reports and local and private bills. 20A. (1) For the purpose of this rule:

(a) "State support funds" means funds in the State General Fund and all state support special funds, which are funds in the Budget Contingency Fund, the Education Enhancement Fund, the Health Care Expendable Fund, the Tobacco Control Program Fund, and any other special funds that the Joint

Legislative Budget Committee (JLBC) determines to be state support special funds.

(b) "House" means either house of the Legislature, unless it is clear from the context that it is referring to the House of Representatives.

(2) (a) When an amendment is offered to an appropriation bill on the floor of either house that would increase the amount of state support funds authorized for expenditure by the state agency, official or program being funded in that appropriation bill, the amendment must also include a reduction in the amount of state support funds for one (1) or more other state agencies, officials or programs by a total amount that equals the amount of the increase in the amendment.

(b) The other appropriation bill or bills in which the reductions are to be made do not have to be designated by bill number or line numbers in the amendment if they are described sufficiently enough to be identified, but the amounts by which they are to be reduced must be specific for each bill in which the reduction is to be made.

(c) The reductions required to be made by this rule must be made in an appropriation bill or bills that are still in the house or in an appropriation bill or bills from the other house that will be considered in the house later in the session. After a bill has passed in the house and been released to the other house, none of the reductions required by this rule may be made in that bill.

(3) If such an amendment is adopted, the amendment shall be considered to be an amendment to the other bill or bills in which the reductions are to be made as well as to the bill in which the increase is made. Therefore, no additional vote shall be required on the amendment making the reductions in the bill or bills when that bill or bills are under consideration by the house. The manner by which the reduction is made shall be a separate amendment to the bill that is designated as an amendment by the house, rather than an amendment by the Appropriations Committee or by an individual member.

(4) (a) When a bill in which the reduction is to be made comes before the house for consideration, the reduction shall be made to the total sum of state support funds authorized to be expended in the bill before the bill is voted on by the house.

(b) If a bill in which the reduction is to be made has already been considered by the house, the reduction shall be made to the total sum of state support funds authorized to be expended in the bill before the bill is released to the other house.

(5) No appropriation bill that authorizes the expenditure of any state support funds for the next fiscal year may be released to the other house until all of the appropriation bills originating in the house or all of the appropriation bills originating in the other house, as the case may be, that authorize the expenditure of any state support funds for the next fiscal year have been passed by the house.

(6) If any statute or rule of either house of the Legislature conflicts with the provisions of this rule, the provisions of this rule shall supersede the conflicting statute or rule to the extent of the conflict.

CONFERENCE

PART XI
RULES (HOUSE, JOINT AND CONSTITUTION)

21. When a bill or resolution is returned by either house to the other with amendments, and the house where the bill or resolution originated declined to concur in the amendments, a conference, by a majority vote of those present and voting, may be requested. Such action shall be transmitted by message in which shall be included the names of the conferees on the part of the requesting house. Upon receipt of such message, the other house may, in like manner, grant such conference notifying the requesting house by message and stating the names of the conferees.

22. A conference committee shall consist of three (3) members of the House and three (3) members of the Senate to be appointed by the Speaker of the House and the President of the Senate respectively.

23. Conference committees shall meet as soon as practicable and proceed to confer on the differences between the two (2) houses, seeking to resolve such differences. The conference committee shall report in writing. Such report shall be signed by a majority of the conference committee members appointed from the House and a majority of the conference committee members appointed from the Senate. The report shall be submitted to both houses, and six (6) copies of each report shall be prepared.

23A. (1) All official meetings of any conference committee on a bill or on a resolution proposing a constitutional amendment shall be open to the public at all times, unless declared an executive session in accordance with the provisions of Section 25-41-7, Mississippi Code of 1972.

(2) The chairman of each Senate and House committee to which such a measure is first referred shall designate one (1), two (2) or three (3) rooms in which official meetings of the conference committees pertaining to such measures shall be held. For the first session of a new term, the designation of the rooms shall be announced within three (3) legislative days after adoption of these joint rules. For all other sessions, the designation of the rooms shall be announced not later than the third legislative day of each session. Copies of a list of these rooms shall be available in the respective offices of the committee chairmen. This announcement shall constitute notice of the place of the official meetings of conference committees, and notice that the time of each meeting shall not be announced individually. If a conference committee meets in a location other than a designated room, a written notice giving the location of the meeting shall be placed in a conspicuous place in one (1) of the designated rooms.

(3) Proper decorum during any official meeting of a conference committee requires that the committee's deliberation be directly related to the committee's primary purpose of resolving the differences between the two (2) houses that pertain to a specific measure. Therefore, the following shall not be allowed during any official meeting of a conference committee:

(a) The use of a cell phone by a conferee or other person in the room in which the conference committee meeting is being conducted;

(b) Any oral, written or electronic communication between a conferee and another person who is not a legislator or legislative staff member, except that a conferee may request that any person at the meeting meet with the conferee outside the room, and any conferee may request a person who is not a member of the conference committee, upon approval of a majority of the members of the committee present, to address the committee in the room.

(4) If any statute or rule of either house of the Legislature conflicts with the provisions of this rule, the provisions of this rule shall supersede the conflicting statute or rule to the extent of the conflict.

24. Only matters in disagreement between the two (2) houses are subject to consideration by conference committee. However, when one (1) house strikes out of a bill all after the enacting clause and inserts new text as an amendment thereto, the conferees may disregard the text of the original bill and of the amendment and may exercise wide discretion in the incorporation of germane new text.

25. When a conference report is considered by the house of origin and it contains an amendment by the other house which adds code sections not included in the bill as passed the house of origin, a point of order that the conference report is not in order shall be sustained and the bill shall be returned to conference.

When a conference report is considered and it contains code sections not included in the bill as passed the house of origin or in an amendment by the other house, a point of order that the conference report is not in order shall be sustained in either house and the bill shall be returned to conference.

26. In the event of the failure of either house to adopt the conference report, or to concur in amendments, the bill or resolution under such consideration shall be lost.

27. All conference reports, and concurrence in amendments adopted by the other house shall require for adoption the same vote as is required for the passage of the bill, resolution or measure under consideration, and shall be on roll call duly entered and recorded in the journal of the house voting thereon.

27A. A conference report that has been adopted by both houses may be amended by a concurrent resolution authored by the chair of the first-named committee of referral in either house and adopted by two-thirds (2/3) of those present and voting in each house, unless a higher number of votes is required by Section 64, 66, 253 or 273 of the Mississippi Constitution.

27B. If a conference report containing a reverse repealer is adopted by both houses, the reverse repealer shall be removed administratively by the applicable Legislative Services Office.

28. No bill making an appropriation from, or authorizing the expenditure of money from, any special fund in the State Treasury shall be passed except by the votes of a majority of all the members elected to each house of the Legislature.

29. A motion to reconsider the vote whereby a conference report is adopted or rejected is in order in either house from the time of such adoption or rejection in one (1) house until the end of the session of the next legislative day after notice of disposition by rejection, recommittal to the same conference committee or appointment of a new conference committee by the other house. The provisions of this rule shall supersede any Senate or House rule which may be in conflict herewith.

ENROLLED BILLS

30. When a bill or resolution shall have passed both houses it shall be

enrolled, and the Secretary of the Senate or the Clerk of the House of Representatives, as the case may be, shall certify on the margin of the enrolled bill the fact that it originated in his or her house. The enrolled bill may be examined by the Joint Committee on Enrolled Bills, and carefully compared by the committee with the engrossed bill and all typographical errors, if any, corrected; and the committee shall forthwith report in writing to each house, and the report shall be entered in the journals of both houses. The reports shall be signed by the chairman or acting chairman of the Enrolled Bills Committee on the part of each house.

31. After the Committee on Enrolled Bills has reported a bill or resolution duly enrolled, it shall be signed by the Speaker of the House of Representatives and by the President of the Senate during the legislative session in which the bill or resolution was passed.

32. After a bill shall have been signed by the Speaker of the House and the President of the Senate, it shall be presented by the Secretary of the Senate or Clerk of the House, as the case may be, to the Governor for his or her approval. The Secretary or Clerk shall report the day of presentation to the Governor, which time shall be carefully entered on the journals of each house.

33. All Senate and House concurrent resolutions and memorials, which are not to be presented to the Governor, shall be enrolled, signed and delivered to the Secretary of State.

JOINT COMMITTEES

34. The following joint committees shall be appointed:

- (a) Committee on Executive Contingent Fund, to consist of five (5) senators and five (5) representatives.
- (b) Committee on State Library, to consist of five (5) senators and five (5) representatives.
- (c) Committee on Enrolled Bills, to consist of five (5) senators and five (5) representatives.

(d) Committee to Investigate State Offices or Departments, nine (9) on the part of the Senate and nine (9) on the part of the House; the committee shall meet and apportion the labor of such investigation amongst subcommittees and shall report the result of each investigation to the two (2) houses.

(e) A chairman and vice chairman for the Senate members on each of the above committees shall be appointed by the President of the Senate and a chairman and vice chairman for the House members on each committee shall be appointed by the Speaker. A chairman and vice chairman for each of the above committees shall be elected by the respective committees in joint session; however, both the chairman and the vice chairman shall not come from the same house.

MESSAGES

35. When a message shall be sent from one (1) house to the other, such message shall be delivered to the Secretary of the Senate or the Clerk of the House, respectively, as the case may be. A receipt shall be signed for each

message so delivered.

In addition to observing the injunctions and prohibitions set out in the Constitution of the State of Mississippi, the Senate and the House Committees on Local and Private Legislation shall observe and adhere to the following additional rules and requirements in the consideration of local and private Senate and House bills:

(a) Require that local and private bills, originating in either the Senate or the House, and granting power to any governing authority to perform any official act shall be accompanied by an order or resolution setting out the reasons therefor, duly certified as being a part of the official minutes of that authority. In the event more than one (1) official authority is involved, such certified order or resolution shall be made for each of them.

(b) Require that any bill providing for the transfer of funds shall be accompanied by a certified order or resolution as provided in paragraph (a) of this rule. Such order or resolution shall state whether or not funds proposed to be transferred are pledged for the payment of any outstanding bonds or notes for which there is not already a sufficient surplus accumulated.

(c) Require that any such bills providing for the payment of any claims shall be accompanied by a certified order or resolution as provided in paragraph (a) of this rule, setting out the name of claimants, the nature, amount and reasons for justification of the claim and that with proper authority such claim would be paid.

Legislative deadlines	40

C. CONSTITUTIONAL PROVISIONS AFFECTING

THE LEGISLATURE AND LEGISLATION
RULES OF PROCEDURE

Section 54. A majority of each house shall constitute a quorum to do business; but a less number may adjourn from day to day and compel the attendance of absent members in such manner and under such penalties as each shall provide.

Section 55. Each house may determine rules of its own proceedings, punish its members for disorderly behavior, and, with the concurrence of two-thirds (2/3) of the members present, expel a member; but no member, unless expelled for theft, bribery or corruption, shall be expelled the second time for the same offense. Both houses shall, from time to time, publish journals of their proceedings, except such parts as may, in their opinion, require secrecy; and the yeas and nays on any question shall be entered on the Journal, at the request of one-tenth (1/10) of the members present; and the yeas and nays shall be entered on the Journal on the final passage of every bill.

Section 56. The style of the laws of the State shall be: "Be it enacted by the Legislature of the State of Mississippi."

Section 57. Neither house shall, without the consent of the other, adjourn for more than three (3) days, nor to any other place than that in which the two (2) houses shall be sitting.

Section 58. The doors of each house, when in session, or in Committee of the Whole, shall be kept open, except in cases which may require secrecy; and each house may punish, by fine and imprisonment any person not a member, who shall be guilty of disrespect to the house by any disorderly or contemptuous behavior in its presence, or who shall in any way disturb its deliberations during the session; but such imprisonment shall not extend beyond the final adjournment of that session.

Section 59. Bills may originate in either house, and be amended or rejected in the other, and every bill shall be read by its title on three (3) different days in each house, unless two-thirds (2/3) of the house where the same is pending shall dispense with the rules; and every bill shall be read in full immediately before the vote on its final passage upon the demand of any member; and every bill, having passed both houses, shall be signed by the President of the Senate and the Speaker of the House of Representatives during the legislative session.

Section 60. No bill shall be so amended in its passage through either house as to change its original purpose; and no law shall be passed except by bill; but orders, votes, and resolutions of both houses, affecting the prerogatives and duties thereof, or relating to adjournment, to amendments to the Constitution, to the investigation of public officers, and the like, shall not require the signature of the Governor; and such resolutions, orders and votes may empower legislative committees to administer oaths, to send for persons and papers, and generally make legislative investigations effective.

Section 61. No law shall be revived or amended by reference to its title only, but the section or sections, as amended or revived, shall be inserted at length.

Section 62. No amendment to bills by one (1) house shall be concurred in by the other, except by a vote of the majority thereof, taken by yeas and nays and the names of those voting for and against recorded upon the journals; and reports of committees of conference shall in like manner be adopted in each house.

Section 63. No appropriation bill shall be passed by the Legislature which does not fix

definitely the maximum sum thereby authorized to be drawn from the Treasury.

Section 64. No bill passed after the adoption of this Constitution to make appropriations of money out of the State Treasury shall continue in force more than two (2) months after the expiration of the fiscal year ending after the meeting of the Legislature at its next regular session; nor shall such bill be passed except by the votes of a majority of all members elected to each house of the Legislature.

Section 65. All votes on the final passage of any measure shall be subject to reconsideration for at least one (1) whole legislative day, and no motion to reconsider such vote shall be disposed of adversely on the day on which the original vote was taken, except on the last day of the session.

Section 66. No law granting a donation or gratuity in favor of any person or object shall be enacted except by the concurrence of two-thirds (2/3) of the members-elect of each branch of the Legislature, nor by any vote for a sectarian purpose or use.

Section 67. No new bill shall be introduced into either house of the Legislature during the last three (3) days of the session.

Section 68. Appropriation and revenue bills shall, at regular sessions of the Legislature, have precedence in both houses over all other business, and no such bills shall be passed during the last five (5) days of the session.

Section 69. General appropriation bills shall contain only the appropriations to defray the ordinary expenses of the executive, legislative and judicial departments of the government; to pay interest on state bonds and to support the common schools. All other appropriations shall be made by separate bills, each embracing but one (1) subject. Legislation shall not be engrafted on appropriation bills, but the same may prescribe the conditions on which the money may be drawn, and for what purposes paid.

Section 70. No revenue bill, or any bill providing for assessment of property for taxation, shall become a law except by a vote of at least three-fifths (3/5) of the members of each house present and voting.

Section 71. Every bill introduced into the Legislature shall have a title, and the title ought to indicate clearly the subject-matter or matters of the proposed legislation. Each committee to which a bill may be referred shall express, in writing, its judgment of the sufficiency of the title of the bill and this, too, whether recommendation be that the bill do pass or do not pass.

Section 72. Every bill which shall pass both houses shall be presented to the Governor of the state. If he shall approve, he shall sign it; but if he does not approve, he shall return it, with his objections, to the house in which it originated, which shall enter the objections at large upon its Journal, and proceed to reconsider it. If after such reconsideration, two-thirds (2/3) of that house shall agree to pass the bill, it shall be sent, with the objections, to the other house, by which, likewise, it shall be reconsidered; and if approved by two-thirds (2/3) of that house, it shall become a law; but in all such cases the votes of both houses shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the Journal of each house respectively. If any bill shall not be returned by the Governor within five (5) days (Sundays excepted) after it has been presented to him, it shall become law in like manner as if he had signed it, unless the Legislature, by adjournment, prevented its return, in which case such bill shall be a law unless the Governor shall veto it within fifteen (15) days (Sundays excepted) after it is presented to him, and such bill shall be returned to the Legislature, with his objections, within three (3) days after the beginning of the next

session of the Legislature.

Section 73. The Governor may veto parts of any appropriation bill and approve parts of the same, and the portions approved shall be law.

Section 74. No bill shall become a law until it shall have been referred to a committee of each house and returned therefrom with a recommendation in writing.

Section 75. No law of a general nature, unless therein otherwise provided, shall be enforced until sixty (60) days after its passage.

Section 76. In all elections by the Legislature, members shall vote viva voce, and the votes shall be entered on the journals.

Section 77. The Governor shall issue writs of election to fill such vacancies as may occur in either house of the Legislature, and the persons thereupon chosen shall hold their seats for the unexpired term.

Section 129. The Lieutenant Governor shall, by virtue of his office, be President of the Senate. In Committee of the Whole he may debate all questions, and where there is an equal division in the Senate, or on a joint vote of both houses, he shall give the casting vote.

Section 139. The Legislature may empower the Governor to remove and appoint officers, in any county or counties or municipal corporations, under such regulations as may be prescribed by law.

Section 253. The Legislature may, by a two-thirds (2/3) vote of both houses, of all members elected, restore the right of suffrage to any person disqualified by reason of crime; but the reasons therefor shall be spread upon the journals, and the vote shall be by yeas and nays.

INJUNCTIONS

Section 78. It shall be the duty of the Legislature to regulate by law the cases in which deductions shall be made from salaries of public officers for neglect of official duty, and the amount of said deductions.

Section 79. The Legislature shall provide by law for the sale of all delinquent tax lands. The courts shall apply the same liberal principles in favor of such titles as in sale by execution. The right of redemption from all sales of real estate, for the nonpayment of taxes or special assessments, of any and every character whatsoever, shall exist, on conditions to be prescribed by law, in favor of owners and persons interested in such real estate, for a period of not less than two (2) years.

Section 80. Provisions shall be made by general laws to prevent the abuse by cities, towns, and other municipal corporations of their powers of assessment, taxation, borrowing money, and contracting debts.

Section 81. The Legislature shall never authorize the permanent obstruction of any of the navigable waters of the state, but may provide for the removal of such obstructions as now exist, whenever the public welfare demands. This section shall not prevent the construction, under proper authority, of drawbridges for railroads, or other roads nor the construction of booms and chutes for logs, nor the construction, operation and maintenance of facilities incident to the exploration, production or transportation of oil,

gas or other minerals, nor the construction, operation and maintenance of bridges and causeways in such manner as not to prevent the safe passage of vessels or logs under regulations to be provided by law.

Section 82. The Legislature shall fix the amount of the penalty of all official bonds, and may, as far as practicable, provide that the whole or a part of the security required for the faithful discharge of official duty shall be made by some guaranty company or companies.

Section 83. The Legislature shall enact laws to secure the safety of persons from fires in hotels, theatres, and other public places of resort.

Section 84. The Legislature shall enact laws to limit, restrict, or prevent the acquiring and holding of land in the state by nonresident aliens, and may limit or restrict the acquiring or holding of lands by corporations.

No special or local law shall be enacted for the benefit of individuals or corporations, in cases which are or can be provided for by the general law, or where the relief sought can be given by any court of this state; nor shall the operation of any general law be suspended by the Legislature for the benefit of any individual or private corporation or association, and in all cases where a general law can be made applicable, and would be advantageous, no special law shall be enacted.

Section 88. The Legislature shall pass general laws, under which local and private interests shall be provided for and protected, and under which cities and towns may be chartered and their charters amended, and under which corporations may be created, organized, and their acts of incorporation altered; and all such laws shall be subject to repeal or amendment.

Section 89. There shall be appointed in each house of the Legislature a standing committee on Local and Private Legislation; the House committee to consist of seven (7) representatives and the Senate committee of five (5) senators. No local or private bill shall be passed by either house until it shall have been referred to said committee thereof and shall have been reported back with a recommendation in writing that it do pass, stating affirmatively the reasons therefor, and why the end to be accomplished should not be reached by general law, or by a proceeding in court; or if the recommendation of the committee be that the bill do not pass, then it shall not pass the house to which it is so reported unless it be voted for by a majority of all the members elected thereto. If a bill is passed in conformity to the requirements hereof, other than such as prohibited in the next section, the courts shall not, because of its local, special or private nature refuse to enforce it.

Section 90. The Legislature shall not pass local, private or special laws in any of the following enumerated cases, but such matters shall be provided for only by general laws, viz:

Section 94. The Legislature shall never create by law any distinction between the rights of men and women to acquire, own, enjoy and dispose of property of all kinds, or their power to contract in reference thereto. Married women are hereby fully emancipated from all disability on account of coverture. But this shall not prevent the Legislature from regulating contracts between husband and wife; nor shall the Legislature be prevented from regulating the sale of homesteads.

Section 95. Lands belonging to, or under the control of the state, shall never be donated directly or indirectly, to private corporations or individuals, or to railroad companies. Nor shall such land be sold to corporations or associations for a less price than that for which it is subject to sale to individuals. This, however, shall not prevent the Legislature from granting a right-of-way, not exceeding one hundred (100) feet in width, as a mere easement to railroads across state lands, and the Legislature shall never dispose of the land covered by said right-of-way so long as such easement exists.

Section 96. The Legislature shall never grant extra compensation, fees or allowances to any public officer, agent, servant or contractor, after service rendered or contract made, nor authorize payment, or part payment of any claim, under any contract not authorized by law; but appropriations may be made for expenditures in repelling invasion, preventing or suppressing insurrections.

Section 97. The Legislature shall have no power to revive any remedy which may have become barred by lapse of time, or by any statute of limitation of this state.

Section 99. The Legislature shall not elect any other than its own officers and State Librarian.

Section 100. No obligation or liability of any person, association or corporation held or owned by this state, or levee board, or any county, city or town thereof, shall ever be remitted, released or postponed, or in any way diminished by the Legislature, nor shall such liability or obligation be extinguished except by payment thereof into the proper treasury; nor shall such liability or obligation be exchanged or transferred except upon payment of its face value; but this shall not be construed to prevent the Legislature from providing by general law for compromise of doubtful claims.
